

Tires Slashed In City

The Grayling City Police is investigating the slashing of 19 tires on the north side of the city Saturday morning between 12:30 a.m. and 7 a.m. City police are requesting that any persons with information on the vandalism call 348-4621. All information will be kept confidential.

In other city news, six Grayling residents were taken to Mercy Hospital following a traffic accident Friday morning at 8:25 a.m. at the corner of Michigan Avenue and Park Street.

Injured were Rae Ann McEvers, 17, driving a pick-up, and her passenger Jennifer McEvers, along with Richard Wadsworth, 40, driving a van, and his passengers Phyllis Wadsworth, 15, Debrah Wadsworth, 13, and Lisa Kitchen, 15.

According to a Grayling City Police report, the driver of the pick-up pulled in front of the van after her passenger told her there was no traffic coming. The report said only a small area had been cleared for vision through frosted windows on the pick-up. The city police, sheriff dept., ambulance corps, and Grayling Fire Dept. assisted at the accident scene and the jaws of life were used to free passengers. All the persons in the accident were treated and released from Mercy Hospital except for Jennifer McEvers, who was held longer for observation.

Clocks 'Fall Back' Sunday

Crawford County residents should set their clocks back one hour this weekend to keep in step with the seasonable switch of Daylight Savings Time.

The one-hour change comes at 2 a.m. Sunday morning, October 30.

Hanson Park To Host Halloween Party

All area students from grades kindergarten through eighth grade are cordially invited to attend a Halloween Party to be held at Hanson Park on Saturday, October 29. The party will begin at 2:00 p.m. and last until 5:00 p.m. Included in the afternoon's events will be games and treats for everyone. Those who attend in costume will be allowed to play free, the latest attraction at Hanson Park; something slightly different in the form of full family recreation. In addition, video games will be available for play at the normal cost. Presently eight games are in the ski lodge with additional games to be placed in the museum building prior to Saturday's Party.

Parents are encouraged to bring their children to the Hanson Park Halloween Party on Saturday and while they are there, look around the park to see the accomplishments that have been made over the summer. Also, if any parent would like to assist with the party, they should call the park offices at 348-9266. For those parents who will be dropping off children, adequate supervision will be on hand and a full afternoon of games and activities have been planned. If the weather is good, some activities will be held outside. Children should be encouraged to wear jackets as the park buildings are not heated during this time of the year.

VA Questionnaire Help Offered

All persons receiving pension benefits from the Veterans Administration under any law will be receiving an income questionnaire around November 1st. The questionnaires must be filled out and returned in order to continue receiving VA pensions.

To assist persons in filling out the questionnaire — which will not come with the November check but in a separate mailing — all local veterans organizations will have service officers at the Grayling American Legion Post on Wednesday, November 9, from 1 to 4 p.m. and 7 to 9 p.m. Pension recipients should bring the VA questionnaire and the amount of income from each source for the year ending December 31, 1983. This will require estimating wages, salary, pensions, or interest income for November and December.

This is a free service. Recipients need not belong to any veterans organization.

Financial Workshop at Kirtland

Kirtland Community College will be holding a Financial Aids Workshop on Tuesday, November 1 from 8:30 a.m. to 3 p.m., for all area high school counselors.

Speakers for the day will be Jean Maday, State Director of Scholarships and Grants, who will discuss updates on State programs, and Robert Walleng, Director of Financial Aids at Central Michigan University, who will discuss changes on the Federal scene and aid application process programs and packaging.

Hanson Hills 10K Set for Oct. 29

The 2nd annual Hanson Hills 10K race — run over a course that promoters say may be the toughest in the state — will be held Saturday, October 29.

The 10K race, run over cross-country ski trails, will begin at 10:30 a.m. and a one mile fun run will start at 10 a.m. T-shirts will be given to all finishers, medals to age division winners, and trophies to overall winners.

Entry fee is \$5 now and \$7 on race day. Entries can be obtained from Hanson Hills Recreation Area, WQON, or race director Steve Clark, Rt. 4 Box 4257, Grayling.

Masons to Host K of C Thursday

Members of the Grayling Masons and Grayling Knights of Columbus will get together at the Masonic Lodge on Thursday, October 27th at 6:30 with the Mason's serving a turkey dinner with all the trimmings. This is for all Masons and K of C members and their wives.

There will be an entertaining program following the dinner. All members are invited to attend.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 28-30 Oct 83 and 1 & 2 Nov 83.

Firing will be in the following area on the dates and times as indicated.

The Range 40 Complex located north of County Road 612, east of Guthrie Lake, south of Old State Road 618 and west of County Road F97 (Twin Bridge Rd). Firing will begin at 9:00 AM daily and cease at 5:00 PM daily.

The range will be closed to the public during this period and all persons are warned to keep out of the area identified.

105th YEAR *** NO. 43—PHONE 348-6811

WHOPPER OF A MUSHROOM—George Smith, of Grayling, holds on to an 11 pound, 14 ounce puff-ball mushroom his wife Zelda found south-east of Camp Grayling while they were out looking for a place to hunt deer. The mushroom measuring 41 inches in circumference is one of the biggest ever discovered in Michigan. Mrs. Smith, the director of house-keeping at Mercy Hospital, gave the huge mushroom to a mushroom club in Lewiston which planned a feast using the puff-ball giant.

Construction on Billman Rd. Requires Twp. Participation

By Jon Thompson
Paving Billman Road or improving it with gravel will require participation from Beaver Creek Township, the Crawford County Road Commission told residents from the Billman Road area last Friday.

Road commissioners, at their regular meeting Friday, told Beaver Creek Township Supervisor Cletis Spears, Crawford County Commissioner Andie Neilson, and six residents along Billman Road that state law says the township has to participate in major construction projects on secondary road.

The road commission said they would be willing to pay 50 percent of the costs, their usual practice, but the township has to put in the other 50 percent. Money from the township can come from a special assessment district or from township funds.

If more than 51 percent of property owners along Billman Road want major construction, a special assessment district can be drawn. Road commission

engineer/manager John Keir estimated the cost of upgrading the road with gravel from shoulder to shoulder at \$12,000 a mile. Residents want approximately a mile and a half of road repaired making the total estimate for gravel improvements \$18,000. Beaver Creek's half would be \$9000 and if the money is raised through a special assessment district, the extra taxes to property owners are usually spread over three years. If 100 parcels are involved in the special assessment district, the cost to the average homeowner would be \$30 a year for three years for the gravel project.

Residents using Billman Road will have to decide if they want to pay for a gravel road, a more expensive paved road, or no improvements at all.

Lee Fournier, who presented the road commission with 86 signatures on a petition demanding repair of Billman Road, said many of the persons signing the petition were in favor of a paved road, if necessary.

She said she couldn't see spending money for a gravel road if it is going to deteriorate in five or ten years to the same conditions they face now on Billman Road.

George Pirman felt a major construction project might not be needed at all. He said at the meeting the biggest problem with Billman Road is poor drainage, and he asked if cleaning ditches would be major construction or maintenance work the road commission could perform. Keir said cleaning ditches is maintenance work, but with more than 350 miles of sand-gravel roads similar to Billman Road in the county, the road commission is able to only nip away at a few roads each year.

If residents want major construction on Billman Road, they or Supervisor Spears must obtain approval from 51 percent of property owners adjacent to the road and, possibly, nearby property owners who use it as a primary access road to their property.

Chemical Finance Corp.

Proposes NNB Affiliation

Robert B. Bennett, Chairman of CHEMICAL Financial Corporation, announced today that the Boards of Directors of CHEMICAL and the Northern National Bank, Grayling, have entered into an agreement which provides that Northern National Bank will become a wholly-owned subsidiary of CHEMICAL.

Terms of the agreement provide that shareholders of Northern National Bank will exchange shares of common stock of Northern National for shares of CHEMICAL's \$10 par value common stock. The transaction will be structured so as to make the exchange of stock income-tax free. Consummation of the proposed transaction is subject to approval by shareholders of Northern National Bank and to the approval of various regulatory authorities.

Northern National Bank operates its main office in Grayling and a branch office in Roscommon. Total assets of the Grayling Bank as September 30, 1983, were \$12,412,000.

CHEMICAL Financial Corporation is the parent company of Chemical Bank and Trust Company of Midland, as well as Chemical Banks in Albion, Au Gres, Clare, Gladwin County, Lake City, Marshall, Montcalm County and Cass City. CHEMICAL Financial Corporation's nine subsidiary

banks provide banking services through 45 banking offices in 15 counties in lower Michigan. CFC Data Corp, Midland, is a wholly-owned data processing subsidiary of CHEMICAL Financial Corporation.

Does Red Cross Deserve Your Support?

By Harrison Goodhue
For American Red Cross

Under this headline in the previous four issues of The Avalanche we have tried to explain the special services that American Red Cross, and only American Red Cross, provides the people of our great country and to the folks of this county; and, in the process, try to convince you that Red Cross truly deserves your generous financial support.

Your personal response, represented by your contribution, if any, to this Red Cross Chapter October Fund Drive will establish whether the effort has been worthwhile.

Personally, I don't see how the citizens of our, or any other community, can get by without the special services that Red Cross renders! How would we stay alive and healthy without Red Cross Blood Service? What would the victims of Disaster do if Red Cross was

not there with food, clothing and shelter?

Who would help our Servicemen and Servicewomen and their Families in times of emergency if there was no Red Cross?

Who would render First Aid, CPR, and Life Saving work if the millions of qualified Red Cross Safety trained individuals did not exist? And if Red Cross did not have the training programs and trained Volunteer Instructors to teach them?

It takes roughly \$200 million in money to accomplish the Services that Red Cross render the people of this Nation in a typical year, despite the fact that over 96% of the physical work is done by 1,374,579 unpaid Volunteers!

That's about a \$1 for every American!

If each family unit in Crawford County contributed \$1 for each family member this Chapter would have almost \$10,000 a year -

\$80,000 Computer System Donated to C-A Schools

By Jon Thompson

The Michigan Seat Company, of Jackson, will be donating an IBM mini-computer system valued at \$80,000 to the Crawford AuSable School District.

Superintendent Kent Reynolds said there are 70,000 IBM System 34 Central Processing Units in use by businesses across the nation including at least 50 in the Traverse City area.

Reynolds said the school district is looking at providing vocational education in computer accounting and office operation for high school students. School officials are checking with the Michigan Dept. of Education about vocational education matching funding and talking with the COOR Intermediate School District about setting up vocational programs with other schools. Reynolds said students taking vocational training on the IBM System 34 would have an excellent chance of stepping into jobs with businesses already using the system.

The mini-computer system owned by the Jackson company is only two and half years old but the company outgrew it, Reynolds said.

The reason the IBM system is going to a small school district 180 miles north of Jackson is on account of Crawford AuSable school officials talking to another Jackson company who had donated their IBM system to the Jackson Vocational Skill Center. Crawford AuSable officials asked if they knew anyone else who was changing systems, and the Michigan Seat Company, who was in a computer user group with the

other Jackson company, happened to be switching systems. Michigan Seat, like the other Jackson company, found advantages to donating their IBM system rather than selling it.

In other school news, progress of the high school roofing project was reported at the Monday, Oct. 17, school board meeting. Most of the final work on the 100,000 square-foot roof was completed after heavy rains showed roofers where water would be pooling on the new roof. A girl's basketball game had to be switched from the high school to the middle school gym Oct. 13 when a down-pour caused leaks, but roofers were able to complete bonding of a few seams after the rain and install new drains. The new roof is made of lighter material and changed the slope of the roof so workers from the Harrison roofing company waited to install new drains.

Assistant Superintendent Paul Lerg said the school will not make final payment to the roofing company until all work is satisfactorily completed. The school has a ten-year guarantee that all leaks and problems will be repaired at no cost to the district.

Other news from the board meeting included a report from the Michigan Dept. of Treasury showing 1242 taxpayers in the Crawford AuSable School District received \$282,699 in "circuit breaker" tax credits for property taxes paid. The report said during the 1981-82 school year 431 senior citizens, 692 low-income taxpayers, 76 veterans or blind persons, and 41 disabled persons here received the tax credits.

County Committee Studies Alternatives To Landfill

By Jon Thompson

A special four-man committee appointed by the Crawford County Board of Commissioners is studying alternatives to the county's current landfill disposal of solid waste.

One of the most attractive alternatives researched by the committee, composed of Don Welsner, Bud Joyce, Randy Thompson, and Roy Spangler, is incineration.

Spangler, the MSU Co-operative Extension agent for Roscommon and Crawford counties, said there could be large reduction in bulk if waste was burned and there's a valuable sideline to incineration.

"There's a tremendous amount of energy produced from incineration," Spangler said. With sawmill wastes and flammable garbage, there's enough fuel in the area for a 10-megawatt co-generation station, he said.

Several companies in the area already burn plant refuse to supply power. Custom Forest Products supplies most of its own power and Champion and Weyerhaeuser produce a lot of their own power.

If electricity costs go up and technology for building incinerators improves, Spangler says an incinerator could be a

viable solution to waste problems here.

Right now, incineration appears to be too expensive with a plant to handle garbage in this area tagged at \$10 to \$12 million, he said, but landfill costs are higher than what they seem. If landfills have to pay for the state land they're using, they will cost a lot more to operate. Plus they have a lot of hidden costs besides big expenditures for machinery, he said.

"The job of the special committee," Spangler said, "is to study options and report back if something looks good along with possible steps the county can take to check into the alternatives further. If something is uneconomical, we are going to report that too."

He said the rationale behind the study is to gather pertinent data so if something came up in the near future or five years from now, they could dust off the report and still have a lot of information that would be valuable.

The county is seeking alternatives to their landfill operation because costs are increasing, the dump is operating on state land without a land-use permit or operating license, and pollution has been discovered at a monitor well.

Trick-Or-Treats Ok'd This Year, Caution Urged

Local authorities have lifted a ban on Halloween Trick-or-Treating this year, but are cautioning all children and parents to beware of dangerous treats.

Last year the Grayling City Council asked for a halt of all trick-or-treating following a nationwide scare of Tylenol tampering and other product poisoning.

Grayling City Chief of Police Pete Stephan is recommending all trick-or-treating take place from 6 to 8 p.m. Monday, October 31. He asks all area motorists to be exceptionally observant Monday night for young "Goblins" and he says trick-or-treaters must also be careful.

Stephan warns that all masks or material obstructing vision should be removed when crossing streets. Costumes should be made of non-flammable material and light colored for good visibility. Flashlights should be carried after dark and young children should be escorted and confined to their own neighborhood.

All treats should be taken home for inspection before they are eaten, Stephan says. Parents should help children inspect goods and any suspicious items should be reported to local law enforcement officers.

From Our Corner...

We took a sabbatical leave over the weekend and made a trip to Traverse City Saturday afternoon hoping to get in a little color tour along with visiting our T.C. family...for everyone who was around the north Saturday they know it was not a day for a color tour...we drove in rain all the way over and will admit there was some color when you could see it through the raindrops...by doing the aforementioned, we missed our usual time on Sunday afternoon in which we try and work on our next week's turkey...you guessed it, it is Monday and we are right behind the eight ball working on the column while thinking about a dozen other things I could be doing in working on the page layouts...

We learned while in T.C. that we may have a future basketball star in our family...T.J. is in the fourth grade and has made the Junior Varsity basketball team at Traverse Heights Elementary School (the fifth and sixth grades make up the varsity) and plays guard...the players are outfitted in bright Gold and Black uniforms with socks to match...I told T.J. if she practiced real hard she could get to be as good a player like Grayling's Heidi Bendig who carries a 20 point average...

A reward fund has been started for information leading to the arrest and conviction of the person or persons responsible for the slashing of car tires in the City of Grayling...Sources disclosed Monday that there were at least 20 tires slashed last Friday night...Any information should be turned over to the Grayling City Police department, which will be confidential...Friday night's episode was not the first, there have been other tires slashed earlier this year and something has to be done to stop this costly crime...

How about those Vikings...shutting out Boyne City 18-0 last Friday night on the Ramblers' gridiron...just two more away from a very successful season...the Tip of the Derby again to all you guys...go get the Rayders and Cardinals...

Not only do we hope for a late snowfall that is more predominant each year, but after our trip west this past weekend there has to be a road construction company wishing for the same thing...it looked to us that just the preliminary work has been done on the 8 mile stretch from Grayling's city limits to the county line with Kalkaska County and a lot of work has to be done before completion...we don't know the weather requirements for the laying of blacktop, but we are sure it can't be raining or snowing and there must be a temperature cut off...so for the sake of the heavily traveled M-72 West it looks like weather is the big thing to be concerned with right now...it certainly is going to be nice when completed...this stretch of highway has been a bummer for a long time...

How about those gal Vikings with a 10-2 record they also have become the talk of the town and to Coach Tom Mills and his gal cagers a Tip of the Derby from our corner...

Dr. Len Allison dropped the following gem off on Monday and we're going to use it to help this week's turkey...

"Up in the air? Never again if your outhouse has a Cheek-Warmer," notes an information sheet about an item now needed in the cool fall season of the northland. Readers can get information by writing to: Cheek-Warmers, Rt. 1, Box 304-A, Minong, Wis. 54859. The sheet notes, "The perfect gift for people who go outdoors."

This does it for this week, goodnight T.J., Stefany and Amber...and to all of our readers have a nice weekend and remember to turn your clocks back this Sunday and get an extra hour of sleep...just what the ol' fella needs...

Thanks to you...
it works...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago October 27, 1960

Mr. and Mrs. Bill Kinkert arrived home Tuesday of last week, after flying by jet from San Francisco to Lansing, on their way home after attending the 82nd National Guard convention in Honolulu, Oahu, Hawaii. The weather was exceptionally warm, in the 80's, while they were in the Islands. They managed to get in some sightseeing of the interesting places, the museums, the palace, Diamond Head, all the traditionally visited spots. They rented a car one day and made a complete trip around the island, seeing a little more that way. They also visited the neighboring island of Kauai, and as often as possible enjoyed some swimming. Mrs. Kinkert says her most vivid impression of the islands is the ever-present and delightful fragrance of the exotic flowers, and the ever-present Hawaiian music. The two most memorable places they visited were Pearl Harbor and the Punchbowl National Cemetery, where World War II unknown soldiers lie.

Mr. and Mrs. Bob Golinck and family were on vacation October 12th to 16th, during which time they drove to White Pigeon to visit his sister and family, Mr. and Mrs. James McGaffigan and children.

Mrs. Ernest Borchers and son Don took in the Detroit auto show last week, from Sunday to Wednesday, visiting the John Sojka at Rochester while away, Mr. Sojka was here at the Mrs. George Stephan cottage on the AuSable for some hunting that weekend.

Marvin Hallett is on vacation this week and from Sunday to Wednesday he and Mrs. Hallett, Ricky, Sherrie and Scott were in Adrian, visiting his parents, the Arnold Halletts. Marvin did some pheasant hunting. Miss Patricia Hunter was home from Alpena over the weekend visiting her parents, the Bud Hunters.

There was a family gathering Friday night at the Harold Golinck home in celebration of his birthday. Cards were enjoyed during the evening.

Heavy sleet squalls Sunday evening were followed by fat flakes which piled two inches of "the beautiful" by Monday morning. Sunshine melted most of it during the day.

Mr. and Mrs. Robert Knutilla and children of Escanaba arrived last week on Monday to visit her parents, Mr. and Mrs. Harry Souders.

Mr. Robert Bovee received his master of arts degree from Central Michigan University. He was initiated into the national honorary educational society, Phi Delta Kappa, the last of July while in Mt. Pleasant.

46 Years Ago October 28, 1937

Forest Superintendent Max Laage reports that on October 21 while he and his family were enjoying a trip out near Camp AuSable, they spotted something white in the woods, and on further investigation they discovered that it was a fawn which was white with a few yellowish spots. A white deer is a very unusual sight and is the pleasure of few people.
Little Miss Janet

Chappel, who celebrated her third birthday Oct. 20th, entertained a number of her friends that afternoon. Games were played after which the birthday lunch was served at tables decorated in a Halloween scheme. The little lady received many gifts. Miss Bernita Chappel, cousin of Miss Janet, also celebrated her birthday on the same day, and was an honored guest also.

Word from Midland Tuesday brought the news of the birth of a daughter to Mr. and Mrs. George Daniels (Helen May). Mary Ann is the name of the new arrival. The South Branch of the AuSable River recently received 10,000 four to five-inch trout, which were released in the stream by the Huron National Forest from the Pine River Rearing ponds near Glennie. 80,000 trout were received by various streams to close the third successful year of pond operation, which was built by the CCC.

H.L. Heltzel brought in a wild strawberry blossom, Tuesday, which he had found just west of Beaver Creek that day. October that sound like October?

John Bruun is driving a new Plymouth coupe, purchased from Corwin Auto Sales.

Mr. and Mrs. Stanley Flower attended an old-fashioned party and partridge hunt at Alger over the weekend.

Grayling people will be interested in the marriage of Miss Audree Hewitt, granddaughter of Mr. and Mrs. James E. Fletcher of Lansing, to Mr. Arthur Mingus, which took place on October 15 at the First Methodist Church with Rev. Jarrett officiating. Mrs. Mingus spent her childhood days in Grayling and since then has made many visits here, keeping a circle of friends. Congratulations and best wishes are being extended.

69 Years Ago October 28, 1914

Mrs. Paul Ziebell and daughter Helen returned home from Port Huron last Monday after a ten-day visit.

Word was received here Monday that a fine baby boy was born to Mr. and Mrs. Benjamin Jerome of Grand Rapids.

Quite a number from here are duck hunting at Houghton Lake this week. Alfred Olson, Harry Simpson and Holger Schmidt joined the force of nimrods Tuesday.

Miss Bessie McCullough left on Monday afternoon for Detroit to spend a week before getting to Pontiac, where she has accepted a position as dietitian in the Oakland hospital.

Harry Fredman of Milwaukee, who has been on business in Upper Michigan, came to Grayling to spend Sunday with his wife at the home of her parents, Mr. and Mrs. H. Joseph.

Spencer Meilstrup has resigned from the position of superintendent of the R. Hanson and Sons mills and taken stock in the Butler-Langevin Lumber Co. of Lansing, he having purchased the stock shares of Mr. Langevin. In the reorganization Mr. Meilstrup was elected secretary-treasurer of the company.

The Avalanche —
Your Want Ad Paper

The Bible Speaks

From Calvary Baptist Church

WHERE IS ABSOLUTE TRUTH?

A few weeks ago a local educator publicly chided me with the following words: "Your recent advertisement, 'Red or Dead?' is regrettable not only for its obvious lack of perspective on the nuclear arms race, but also for its attack on those who seek to make the world a better and safer place through practicing the highest Christian ideal of non-violence. That you would also invoke the concept of 'truth' is again regrettable, since you proceed by providing no factual information to support your argument."

Any question of my credibility should be proven, since the Grayling community has had over 10 years to evaluate the material in our column. All articles on all subjects are on file and anyone is welcome to challenge or refute anything we have written.

For opposing the pacifism of liberal Humanism, I have been charged with attacking those men who practice, "the highest Christian ideal of non-violence." Schell in his book, "The Fate Of The Earth", characterized the teachings of Socrates and Christ as promoting non-violence. "This refusal to be goaded by evil into evil may be the closest thing to an 'absolute' that there is in their teachings." Page 134. It is regrettable to hear a human pacifist and God used as joint authorities to defend a false presupposition about truth.

It is at most sick to say Jesus Christ taught no absolutes, and the closest thing to an absolute in His teachings is non-violence. Jesus Christ is truth personified. John 14:6. The Bible as God's Holy Word is pure truth. John 17:17. Every single book, chapter and verse in the King James Bible is pure truth from God. Every verse in my Bible is absolute authority from God

to man.

To say non-violence is the closest thing to an absolute taught by Jesus Christ is to plainly deny the clear teachings of the entire Bible. The Old Testament is filled with war between Israel and the surrounding nations. God even ordered Israel to destroy such nations as the Canaanites because of their immorality. The bulk of the last book of the Bible deals with future violence. The last war ending this age will be led by Jesus Christ in person: "And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war." Revelation 19:11. He is identified as "The Word of God" in verse 13. His saints will be the army which follows Him in verse 14. "And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. And He hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS." Revelation 19:15,16. Jesus Christ will not return to this earth as a pacifist, but as a King to conquer and rule. (adv.)

PRAYER TO THE HOLY SPIRIT. Holy Spirit, you who makes me see everything and who shows me the way to reach my ideal, You give me the divine gift to forgive and forget the wrong that is done to me, and You who are in all the instances of my life with me; I in this short dialogue want to thank you for everything and confirm once more that I never want to be separated from you, no matter how great material desires may be, I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love towards me and my loved ones. Persons must pray this prayer, 3 consecutive days without asking your wish. After third day, your wish will be granted, no matter how difficult it may be. Then, promise to publish this dialogue as soon as your favor has been granted. -27-

Lovells News

By Ruth Caid

Mr. and Mrs. Eddie Harwood and daughter Erin of Midland spent the weekend with his mother, Mrs. Margie Harwood.

Mr. Abbott Walker is a patient at Mercy Hospital, his many friends wish him a speedy recovery.

Weekend guests at the home of Ruth Caid were grandson Matt Caid, wife Nancy and son Casey from Three Oaks, also Ruth Holberg and friend from Livonia.

Mr. and Mrs. Bill Baughn visited friends & relatives in Pinckney over the weekend.

Congratulations go out to Lottie Harris who became a great grandmother to Megan Moriah Harris-Rodger on Friday, October 14 at 5:12 a.m. Miss Megan weighed in at 8 pounds, 6 1/2 ounces and was 20 1/2 inches long. She has big blue eyes and brown curly hair. The proud parents are Larry Rodger and Kendra K. Harris-Rodger who are currently living in Overland Park, Kansas. Grandparents are Mr. and Mrs. James Rodger of Owen Sound, Ontario, Canada and James S. and Maxine C. Harris of Bridgeport, Mich. The whole Harris family is anxiously awaiting a visit from this newest addition during the Christmas Holidays.

NOTICE OF PUBLIC HEARING

1. Notice is hereby given that a public hearing will be held by Crawford County Board of Commissioners in the Commissioner's meeting room at the County Courthouse. The hearing will begin at 2:00 p.m. on November 8, 1983 for the purpose of considering a project for which assistance is being sought for the Crawford County Transportation Authority from the Urban Mass Transportation Act of 1964, as amended. The project is generally described as follows:
A. Description of Project: Crawford County Transportation Authority proposes under the application to construct a maintenance/storage facility along with necessary maintenance/office equipment. The facility would consist of approximately 15,300 square feet and would be constructed near the Grayling McNamara Airport site, Crawford County. The project would enable the applicant to house the entire fleet of vehicles and would accommodate a maintenance area that would provide adequate space to perform necessary procedures to assure long vehicle life and safe operation. The project cost includes the new facility, all necessary maintenance and office equipment necessary and is estimated to be \$623,704.99.
B. Relocation: No persons, families or businesses will be displaced by this project.
C. Environment: The project will not have an adverse impact on the environment except that small amounts of noise and air pollution will be temporarily produced during construction.
D. Comprehensive Planning: This project is in conformance with comprehensive land use and transportation planning in the region.

NOTICE SURPLUS EQUIPMENT CRAWFORD CO. ROAD COMMISSION

Cong. Davis' Aide Here Nov. 2nd

Gaylord—Northern Michigan Congressman Bob Davis' District representative, Charles P. Goddard will be in Crawford and Oscoda (Counties) on Wednesday, November 2.

Goddard will be conducting office hours at the Lovells Township Hall from 10:00 a.m. until 11:00 a.m., after which he will have lunch with the Oscoda County Senior Citizens at the Comins Multipurpose Center from Noon until 1:00 p.m.

He will hold office hours at Fairview at the Comins Township Hall from 1:15 p.m. to 2:30 p.m. and return to Crawford County for office hours at the Frederic Township Hall from 3:30 p.m. to 4:30 p.m.

Any person having a problem with the federal government, or wishing to express his or her views on legislation before Congress, is encouraged to visit with Goddard. No appointment is necessary.

For further information, call Goddard at (517) 732-3151 or toll-free (800) 682-8982.

GIVES TALK ON COUNTY HISTORY—Pictured above is Mr. Elmer Fenton, retired principal of the Grayling High School, as he prepares to talk to Mr. Hatfield's fourth graders about Crawford County history.

Mr. Fenton moved to Grayling in 1914 from Calhoun County. He has seen a lot of changes in our town.

It is wonderful to be able to talk to someone who has had the experiences of seeing our town and county change.

It was nice of Mr. Fenton to volunteer his time. We want to thank him and tell him we are looking forward to his next visit to our room. Mr. Hatfield's fourth graders.

Grayling Men Arrested, Coins Held

Three Grayling men were arrested in Bowling Green, Ohio, on October 20 and a large number of silver coins and other currency found in their possession are being held by police.

Dale Wakeley, of Grayling, was arrested for disorderly conduct by Bowling Green police and during a routine inventory of his car, police found Roosevelt dimes and quarters, Mercury dimes, a thousand Yen bill, and wheat pennies. Dwayne Welch & Darryl Wakeley, passengers in the car, were held on parole & probation violations. Neither were supposed to leave Michigan. A fourth passenger, Dick Wakeley, was not held. Police are still investigating the coin collections. Anyone with missing coins in this area can call the sheriff dept. for more information about the coins being held.

Lamaze Childbirth Classes

Lamaze Childbirth classes will begin in the Grayling area Tuesday, November 2, at 7:00 p.m.

There will be six two hour class sessions. By preparing for childbirth, couples learn what to expect in pregnancy, labor, and birth, and learn how to participate and share in the work to be done.

The father learns the skills he can use as a labor coach. The mother learns effective tools to use in pregnancy and childbirth to reduce discomfort.

Couples interested in these classes should call Marilyn Rost, 348-5189, for registration information.

Hospital News

The following were among those admitted to Mercy Hospital during the past week: Merle Dawson, Ralph Woodhull, Thomas Barber, Judy Furman, and Laurie Figley, all of Roscommon and Phillip Mullins and Gail Hunter, both of Grayling.

Those discharged were: Frank Silk of Roscommon and Gail Hunter of Grayling.

Jacob and Laurie Figley of Roscommon are happy to announce the birth of their baby girl, Amanda Leigh, born on October 21, 1983. She weighed in at 7 lbs. 5 ozs.

Dispositions From Circuit Court

Cynthia Jane Maher of Grayling, was sentenced on a charge of Welfare Fraud less than \$500.00 and on a charge of Welfare Fraud by Failing to Inform Less than \$500.00. She received 24 months probation on each charge, 90 days in jail - 50 days forthwith and the remainder held in abeyance pending a satisfactory probationary period. She must also pay \$500.00 costs, \$589.00 in restitution and repay the County for Court appointed attorney fees. She is not allowed to collect ADC during the term of the probationary period unless ordered by the Court.

Barbara Ann Baumgardner of Frederic, was sentenced on a charge of Possession of Marijuana. She received 24 months probation, 90 days in jail - to be held in abeyance day to day. She must also repay the County for Court appointed attorney fees and pay costs of \$300.00.

Dramatic Missionary Film To Be Shown

What happens when two young men want to minister to a foreign land so desperately that they are willing to become slaves just to enter the area?

Find out in the dramatic film "First Fruits" to be shown at the Grayling Free Methodist Church Sunday evening October 30 at 6:00 p.m.

Rated as one of the best productions in recent years by film critics, the seventy minute presentation will bring a fresh challenge to everyone regarding the influence of daily living in our present world.

There will be no admission charge, however a free-will offering will be received. Nursery care for infants will be provided.

Enjoy Trip To West Coast

Mr. and Mrs. Jim Shively and Mrs. Millie Crosby returned September 30th from a trip to the Pacific Northwest and California. They stopped in Glacier National Park and at Mt. Rainier enroute to the home of Mitch Pieknik, former owner of the Arrowhead Inn in Grayling and presently residing in Vancouver, Washington. They spent two days with Mitch, his daughter Nori, her husband Randy Bailey and their daughter Cody. The Shivelys and Millie persuaded Mitch to join them for a trip down the Oregon coast, a tour of San Francisco including dinner at Fisherman's Wharf and a visit to both Yosemite and Sequoia National Parks after which he reluctantly flew back to Vancouver from Bakerfield, California.

The Shivelys and Mrs. Crosby then continued on to San Diego via the Pacific coast to visit the Shively's daughter, Patty Rankin, a senior at San Diego State University majoring in Latin American Studies. They spent two days with Patty and while there visited the University Campus, took a guided tour of the city, Balboa Park, the world famous San Diego Zoo and many historical points of interest.

On the return trip they stopped in Hemet, California to spend a few hours with Rhonda Morningstar, a former Grayling girl, who is an R.N. working in the Intensive Care Unit of Hemet Hospital.

The next leg of the trip took them to the exciting and glamorous city of Las Vegas for one evening prior to touring the six national parks in Utah and the North Rim of the Grand Canyon in Arizona. Continuing east, they drove through Colorado, Nebraska, Iowa and Illinois. Their "last night out" was spent visiting with Michael Rankin and Mr. and Mrs. Jack Rankin and children who reside in Hoffman Estates, Illinois, just north of Chicago. Michael and Jack are sons of the Shivelys.

Fortunately they enjoyed beautiful sunny weather every day which did much to enhance the breathtaking beauty of the giant redwoods, majestic mountains and canyons and the beautiful Pacific ocean. The good weather coupled with trouble free motoring helped to make their vacation a memorable experience, a fantastic trip.

IN MEMORIAM

In loving memory of Bonnie Wakeley who passed away three years ago. God took her home, It was his will. But within our hearts, She liveth still.

Sons and daughters & families.

The New Dream

By Rev. Thomas A. Bruno
 Minister of
 The Congregational Church
 Roscommon

It was during the American Revolution and a small body of men were busy hoisting a huge, heavy log to the top of a blockhouse. The blockhouse had been damaged during the assault and it was the task of the soldiers to repair. Because there were not enough men to do the job, they were having some difficulties. As the men struggled fruitlessly to move the log into place, a man wearing the insignia of a corporal stood aside from the workers shouting instructions to them but without offering to assist them in anyway.

Soon there rode past an officer in plain clothes, who stopping to watch the men, finally asked the corporal why he did not help his fellow soldiers.

The answer was quick and pompous, "I am a corporal!"

"Of course," the other officer replied, "Excuse me for asking." With that the other officer dismounted and without further comment lent a willing hand to finally put the log into place. Then as he wiped the honest sweat from his brow, he turned to the corporal and remarked, "The next time, Mr. Corporal, you have a bit of work like that in hand, and too few men to do it, send for the Commander in Chief, and I'll come again and help you." With that parting remark, General George Washington mounted and rode off on his white steed.

The astounded and humiliated corporal who was more concerned about his pre-eminence than getting the job done, was left to his own reflections.

Republicans Propose Garbage Tax

Warren M. Hoyt, Executive Director, MPA

A series of suggested environmental policies, including a proposal to impose a surtax on waste dumped into landfills, has been unveiled by a House Republican task force.

The proposals, according to task force chair Rep. Vern Ehlers (R-Grand Rapids), are to "provide a framework on a number of issues" that Republicans can use as direction on environmental issues.

House Minority Leader Michael Busch (R-Saginaw) said the caucus feels that Michigan environmental laws "are some of the best in the country," but that the legislators wanted to speak out on areas where they felt improvements could be made either to cut down on excessive regulations that hurts business or strengthen penalties against polluters.

The surcharge on dumping in landfills could go either to an environmental response fund or a perpetual care fund that could do such things as help promote recycling of resources.

Cutting down on the amount of waste dumped is essential to help preserve state lands, the Republican leaders said.

Neither had a definitive idea on how much the surcharge could be, but Ehlers estimated it could be as much as \$1 a ton.

He said such a surcharge should not be considered a tax, but the cost of doing business which would eventually be passed on to the public which generates the trash.

Harsher penalties against polluters and more efficient enforcement methods to help recover the costs of cleanups, are also needed the two said.

In the cleanup of Berlin and Farro, Inc., a toxic dump near Swartz Creek, the state has spent more than \$10 million while the firm was fined only \$250, Ehlers said.

Rep. Charles Mueller (R-Linden)

said the state should consider developing its own toxic waste disposal site - such as an incinerator - to help cut the costs of cleanups.

Mueller said most of the cost in the Berlin and Farro cleanup was in transporting the waste out of the state and noted a state owned facility would not only save state funds but possibly attract businesses which would know a local facility existed to dispose of their wastes.

Registration of Lobbyist Begins

The Department of State is beginning to implement the 1978 lobbyists regulation act by registering lobbyists and lobbying agents and advising them to begin keeping records on financial transactions.

Secretary of State Richard Austin said he was taking the action at the expiration of the time period for filing appeals of the Supreme Court's decision which left intact a lower court ruling upholding most of the law.

Ingham County Circuit Court Judge Robert Holmes Bell, who had original jurisdiction in the case, has scheduled a November 9 hearing to determine when reporting requirements become effective.

Dennis Neuner, assistant to Austin, said alternatives include requiring lobbyists to report financial transactions occurring after January 1, or requiring them to file their first reports January 31 of transactions that have taken place since the September 21 court ruling.

Lobbyists who must register include those who make expenditures (\$1,000 in 12-month period or \$250 on a single official), attempt to influence legislation or administration action and receive reimbursement for those activities.

Agents hired by lobbyists also must register and both agents and lobbyists are required to file two reports a year.

Local Cancer Society Unit Earns Award

The Annual Meeting of the American Cancer Society, Michigan Division, Inc. was attended by Valerie Lehti and Florence Hough Sept. 30 and Oct. 1 at the Sheraton Inn in Lansing. Valerie Lehti, Vice-President of the Crawford Unit, was presented with the Sword of Hope Award by Lem Barney, 1983/84 Crusade Chairman. Forty-four Michigan units received this award which is given to those who achieve their yearly crusade goal. Crawford was also among 32 units who exceeded their goals. This has been an especially successful year as the Michigan Division reached goal for the first time in six years.

An auction was held with items donated by various

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

In the near future the first of several groups will schedule a guided hike for the evening hours. With the days becoming ever shorter, it will be necessary to carry kerosene lanterns to provide light. Despite the glow of light provided by the lanterns, night in the big timber is a time of mystery and adventure. Not always but occasionally, if it isn't too cold, we put the lanterns out when we reach the monarch so we can listen to the sounds around us. It takes a while for the night to become normal again, but it always seems worth the wait. You cannot always be sure about what you hear because a deer can walk like a mouse and then there are times when a mouse makes as much noise as a deer. A falling limb could be the result of porcupine activity or a recent wind having loosened its hold. Only once have we heard a fair-sized tree fall with a crash that makes all the creatures of night quiet for a while. Sometimes an owl asks who we are, sending momentary chills down one's back. The sound of a moving vehicle on the highway usually brings us back to reality and our intended purpose. The night edges back once the lanterns are lit again, but it creeps in on quiet feet to follow us to our destination.

Cub Scout News

Pack 3993

Another busy season has dawned for our local Cub Scouts. During the October Pack Night, family and friends were treated to a "Ghosts and Goblins" skit performed by Den 1. At the meeting, it was mentioned that anyone who has Cub shirts, hats, etc., in good condition and no longer had boys in Scouts, could donate or sell these items to the pack for distribution.

November's "Bright Ideas" theme will be kicked off by the sale of packages of ball point pens, 3 in a pack for \$1.00, and Cyalume Light Sticks for \$2.00. The light sticks are not harmful and can be used in place of flashlights or flares. They're good safety lights for trick-or-treaters, too. These are good values, at a good price for a good cause, so please help your local Scouts when they come to your door.

November is also the month for the annual Cake Bake and auction. The boys and their fathers will bake cakes from scratch and be judged on originality and hopefully not taste! When the judging is complete, the cakes will be auctioned off with proceeds going to the pack.

Pack 3993 officers this year are:

Mike Hettinger - Committee Chairman, Mark Horst - Cub Master, Sharon Neely - Treasurer, Louise Mattson - Activities Chairperson, Susan Medler - Awards Chairperson, Mike Pine - Webelos Leader, Carol Baker - Den 1 Leader, Marie Kamph - Den 2 Leader, Becky Pine - Den 3 Leader.

MICHIGAN DEPARTMENT OF PUBLIC HEALTH

Health Facilities Services Administration

Certification of Need Division

NOTICE OF COMPARATIVE CERTIFICATE OF NEED REVIEW, HEALTH PLANNING SUBAREA #21, KNOWN AS THE "GRAYLING SERVICE AREA"

TO ALL INTERESTED PERSONS:

The Michigan Department of Public Health has received applications for Certificates of Need to construct additional nursing home and home care for the aged beds in Subarea #21, known as the "Grayling Service Area". At this time, a total of 4 Letters of Intent have been filed with the Department which propose an additional 234 nursing care beds and an additional 114 home care for the aged beds for this subarea. These applications and notices have been filed pursuant to Part 221 of 1978 PA 368, as amended, being Section 333.22101 et. seq. of the Michigan Compiled Laws, and Section 1122 of the Federal Social Security Act 42 USC 1320a-1.

Under currently applicable plans, only 87 additional nursing care beds and 112 additional home care for the aged beds are currently needed for this subarea. Approval of any of these applications is likely to adversely affect subsequent applications for nursing home and home care for the aged beds in this subarea.

The Michigan Department of Public Health has been requested to provide a comparative review by one of the applicants and, as a result, will consider the application of every applicant who desires to provide nursing home or home care for the aged care in this subarea for comparative review.

THEREFORE, the following timetable is established for comparative review of Certificate of Need applications for the establishment of nursing home and home care for the aged beds in Subarea #21, known as the "Grayling Service Area".

1. Letters of Intent shall be filed with the Michigan Department of Public Health and East Central Michigan Health Systems Agency, and Northern Michigan Health Systems Agency by 5:00 p.m. on November 18, 1983.

2. Applications shall be filed by 5:00 p.m. on December 29, 1983. Applications submitted will not be available for public review until all applications are deemed complete. As soon as all applications are deemed complete, the review will commence.

If you have any questions or require more information concerning this notice, please contact Ms. Joan E. Lucke, Division of Planning and Construction, Michigan Department of Public Health at (517) 373-7890. Gloria R. Smith, Ph.D., M.P.H., F.A.A.N. Director

Senior Citizens Mexican Night

A Mexican Night is being planned at the Senior Citizens Center on Nov. 3rd. A 5:00 p.m. Dinner will feature make your own Beef and Bean Tostadas, Mexican Corn, Mexican Rice Pudding, and a special treat. Reservations are requested for Dinner by noon on Thursday, please call 348-9314. The program at 5:30 p.m. is a Mexican Auction. Tickets are now available for .25 cents each or 5/\$1.00. Each ticket is dropped into a can in front of the item you wish to bid on, then in the evening the drawings will be held for each successful "bidder". A variety of items are now on display at the Center, and donations are still being accepted.

Following the auction, slides on Mexico will be shown. Don't miss out on this fun filled and educational evening at the Senior Citizens Center, 308 Lawndale in Grayling. Get your tickets early - you may win a valuable item for a quarter. Bid on every item and be sure to win!

Special Speaker at Calvary Baptist

You are invited to hear Dr. Earl E. Little speak at the Sunday morning services of Calvary Baptist Church on October 30, 1983.

Dr. Little has been associated with the Christian Law Association since it was incorporated in 1977. CLA is associated with the Gibbs and Craze Law Firm of Cleveland, Ohio. In the summer of 1981 Brother Little resigned as pastor of Miller Road Baptist Church, Garland, Texas, where he had served for nearly 10 years, to become President of CLA. The Christian Law Association is unique in that it provides a staff of lawyers to defend through Constitutional litigation various Bible-believing churches and Christian individuals whose First Amendment freedom of religion is threatened. CLA is a ministry of helps which, as a servant to churches nationwide, makes no charge for its services.

Dr. Little brings to CLA's leadership a pastor's heart having pastored churches in Texas and Florida since his graduation from Tennessee Temple Seminary in Chattanooga, Tennessee in 1964. Under his leadership the average attendance at Miller Road more than tripled to 1,010 average attendance and over 400 baptisms his highest year. Miller Road Christian Day School grew to nearly 300 students during his ministry.

He was Ordained to the ministry by Evangelist Lester Roloff. In May, 1977, he received a D.D. degree from Hyles-Anderson College in Hammond, Indiana.

4-H News & Highlights

By Kris Williams

The 4-H Club Pledge is:

"I pledge
My HEAD to clearer thinking,
My HEART to greater loyalty,
My HANDS to larger services, and
My HEALTH to better living, for
My club, my community, my country and my world."

The 4-H emblem is the four leaf clover with an "H" on each leaf. These "H"s stand for Head, Heart, Hands, and Health, the training and proper care of which will be the best assets any person can possess.

This is what 4-H is all about. Helping the children and young people of our community to learn, grow, help others as well as themselves, and to someday be the future leaders of our community.

Our leaders have done a fantastic job during this past year to help the 4-H to achieve their goals. I would like to take this opportunity to express our appreciation to all of you for the time, love, and energy you gave.

LEADERS - Diane Tompkins: Council Pres. Personal Grooming; Nancy Hatfield: Vice Pres. Leader Dog for the Blind; JoAnn Yoder: Treas. Bowling; Pat Sloan: Sec. Arts and Crafts; Kris Williams: Sec. co-leader Personal Grooming; Bob Gingerick - Softball; Jerry Hayes - Shooting Sports; Bob Weiman - Woodworking; Kurt Kolka - Literary Arts and Movie Making; Kathy Mobarak - Small Farm Animals; Jan Olson - Horse Club; Jean Schmidt - Swimming; Kathy Timmins - Archery;

Crawford County Library News

Several memorial books have been placed on our library shelves in the past few weeks; from Cornell Insurance and Real Estate "Red Tape Cutter's Handbook" for James Post; "Basic Dictionary of Synonyms and Antonyms" for H.F. Treton; "Play Bridge in Four Hours" for Mary Pettengill; "St. Patrick's Cathedral" for Hilaria Dosch; "The Loggers" for Myrton Burrows; "Complete Car Manual" for Edgar McPherson; "Mr. Bliss" for Gloria Rasmussen; "A Celebration of Soups" for Patricia Duncley; "Book of Great Desserts" for Jeanette Ruby; and "Fields of Little America" for Kenneth Jackson.

Donations from Larry and Maureen McNamara were "Vietnam, a History" for Jack Mason; "The Best of James Herriot" for Myrton Burrows; "Crib Quilts and Other Small Wonders" for Hilaria Dosch; and "A Cry for Help" for Mary Pettengill.

Chuck and Marilyn Fick gave "The Decorating Book" for Mary Pettengill and "Basic Horse Training" for John Dreusman.

Volumes of poetry books given in Bill Sherlock's name were "North of Boston" by Robert Frost and "Selected Poems, 1923-1975" by Robert Warren. These were from Duane, Sandra, Matt and Todd Cory.

For Grandpa James Post from his grandchildren, Jaymie Lopez and Claudine Castanon, "A Very Young Dancer", "Henry Huggins", "Snippy and Snappy" and "The Incredible Journey".

Other memorial books were "The Caner's Handbook" for Hilaria Dosch from the Crawford Co. Library Board of Trustees; "The Archer's Bible" for Jack Mason from Fred Bear; "Antique Furniture Reproduction" for Alfred Young from Bud and Jeanne Joyce; "Lovejoy's College Guide" for Myrton Burrows from Dr. and Mrs. B. Elmore Henig.

Two large print books were presented to the library by the Grayling Lioness Club "A Walk Across America" and "A Walk West" both by Peter Jenkins.

Story hour for community pre-schoolers is held each Tuesday at 2:00 until 3:00 at the library.

Our winter hours are noon to seven weekdays and from ten until two on Saturdays.

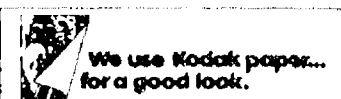

Exercise

A recent study revealed that only 36 percent of Americans follow a regular program of exercise.

American Legion Auxiliary

By Laurie Jensen, P.R. Director

Happy Halloween! Our post will be holding an Adult Halloween Costume Party this Saturday, October 29 from 8:00 p.m. until closing. You don't have to be a member to attend and a costume is up to you! This should be a fun night for all. The price is \$5.00 for members and \$7.00 for non-members, this includes all of your refreshments. Music will be provided by a Disc Jockey.

Another reminder of an upcoming event is our annual Veteran's Day Party on Saturday, November 12, 1983. We will be having a variety band. More details when they become available.

Our Auxiliary will be holding our annual Feather Bingo on Sunday, November 20 from 1:00 p.m. until 5:00 p.m. Ladies we need all of the volunteers to work that we can get to make this event a success. Please come out and show your support for our bingo.

Don't forget ladies that our November Auxiliary meeting is Wednesday the 9th. For you men your regular monthly meeting is the 14th of November. Both of the groups need your support to make them grow and work. Please try to attend these meetings.

Our Post has bingo every Thursday night and they could always use workers. The more volunteers they have the less often everyone has to work. If you would like to volunteer some time give Art Thayer a call at 348-7253. For those of you women who would care to work in our kitchen on bingo nights please give our President Mary Milner a call at 821-9271.

Until next time, Have a Nice Day! Remember it's up to you the Legionnaire or Auxilian to make our club grow.

Grayling Elementary School News

On Monday, October 31, the Grayling Elementary School will be having a Halloween parade. They will parade in front of the hospital and down Michigan Avenue to the traffic light. This event will take place at 1:00 p.m. By Jordan Stancil, 4th grade.

In Mr. Andrus' class they are going to have a scavenger hunt for science this Friday. The class will walk through the woods to look for different kinds of leaves and pine needles. The class will be split into five teams. The team with the most things wins.

They also made a book of animals. Each page has a picture of an animal habitat. Some of them colored the pictures and some of them printed them. They numbered the objects on the picture and named them on a separate piece of paper. By Angie Thompson, 4th grade.

4th Annual Can Food Drive

The Girl Scouts and Pathfinders from Camp AuSable are collecting can goods to put into baskets and give to needy families in Crawford County for Thanksgiving. This yearly event will run for two weeks ending the fourth of November. The members of the two groups collect can goods from relatives and friends.

After the two weeks of collecting the groups will meet for a time of fun and eats at the Michelson Memorial United Methodist Church with the Girl Scouts doing the entertaining this year for the Pathfinders.

If anyone would like to donate cans of food for the food boxes or the name of a needy family that would accept a food box contact Cindy Green at 348-4031 or Jackie Parker at 348-8731 or Linda Johnson at 348-5491.

Sen. Levin's Aide Here Nov. 1st

U.S. Senator Carl Levin (D-Michigan) announced that Kel Smyth of his regional office will be holding constituent service hours in November in the following places:

Tuesday, November 1: Grayling - 2:00 to 3:00 p.m. County Building; Roscommon - 3:30 to 4:30 p.m. County Building Room #25.

"I hope that area residents will take a few minutes to stop by and talk with my aide if they have a problem involving an agency of the Federal government or if they would like to make their views known to me," Senator Levin said.

Area residents who are unable to attend the constituent service hours may wish to contact Senator Levin's regional office in Alpena at the Kane Building, 537 Chisholm Street, Alpena, Michigan 49707, 517/356-6122.

Facts of Law

By
Alton T. Davis
Attorneys & Counsellors at Law

"(Law is a) magic mirror... we see reflected not only our own lives, but the lives of all men that have been!"

— Supreme Court Justice Oliver Wendell Holmes, 1885

SPECIAL DAMAGES can be awarded to reimburse the plaintiff in a lawsuit for any financial loss, such as medical expenses and sacrificed earnings, incurred as the result of a wrongdoing.

A marriage that is legal in the state in which it was performed will be considered legal in every other state, regardless of whether it could have been performed legally in that other state.

An old Boston, Massachusetts, law required a doctor's written prescription for a person to take a bath.

Stand up straight in Clinton County, Ohio. You can be fined there for leaning against a public building.

Presented as a service to the community by Alton T. Davis and William L. Carey, 114 Michigan Ave., Ph. 348-5232/348-2960.

Mercy Hospital Auxiliary News

Since paying off our pledge of \$50,000 toward the addition and renovation of Mercy Hospital, the auxiliary has made several additional donations, such as wheel chairs for the emergency room area and the main lobby area. Now our annual goal will be to furnish two electric beds with the bedside table and the over-the-bed table.

Beginning in November our monthly business meetings will be held in the basement of the County Building. The board meetings will continue to be held in the conference room at Mercy Hospital.

To those who are interested in assisting in the work of the auxiliary - plan to join us.

District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Raymond Middaugh, 17, of Onaway, was bound over to Circuit Court on charges of assault while armed with intent to rob and assault to do great bodily harm less than murder. Bond was set at \$50,000.

Todd Sweeso, 20, of Tower, was bound over to Circuit Court on a charge of armed robbery and assault to do great bodily harm less than murder. Bond was set at \$50,000.

Earl Ruth, 49, of Mio, plead no contest to a charge of disorderly person and was fined \$45 or 10 days. He was cited by city police May 12.

Kenneth Kramer, 22, of Onaway, was bound over to Circuit Court on a charge of assault with intent to rob while armed. Bond was set at \$2,500.

James Forbes, 22, of Grayling, waived preliminary examination of a charge of larceny from an auto of a value more than \$500. Bond was set at \$5000.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case Nos. U-5451-R (1983) and U-6743-R (1983)

NOTICE OF HEARING TO REVISE CONSERVATION SURCHARGES

As more fully described below, if approved, the surcharge revisions sought would increase the gas bills paid by a typical residential heating customer, using 150 Mcf per year, by about \$1.00 annually.

In Case No. U-5451, Michigan Consolidated Gas Company (MichCon) was authorized by the Michigan Public Service Commission (Commission) to engage in its Interest Free Financing (IFF Program) for the conservation of natural gas pursuant to 1978 PA 211 and the Commission's Residential Conservation Standards, R 460.2401 et seq. MichCon was also authorized by this Commission in Case No. U-6743 to implement a conservation program pursuant to the Michigan Residential Conservation Service Plan (RCS Program) to offer certain specific energy conservation services to its residential customers. Under both of those conservation programs, MichCon recovers the costs associated with each program by separate uniform surcharges included in the price of every metered unit of gas sold regardless of the amount of gas consumed by a customer. Also under each of MichCon's above-referenced conservation programs, comprehensive reconciliation proceedings have been established to enable the Commission to adjust, as necessary, the actual costs with surcharge revenues for the preceding surcharge periods and establish new surcharges for the ensuing 12 months. In each case the revised surcharge is netted against any overage or underage for the past surcharge period.

On November 16, 1982, the Commission issued its Order in Case Nos. U-5451-R (1982) and U-6743-R (1982) authorizing MichCon to implement revised surcharges for the RCS Program by a surcharge of \$.00180 per Ccf (\$.00177 per therm), and for the IFF Program, a credit effective through the June 1983 billing cycle of \$.00013 per Ccf or therm. In that Order, the Commission also established scheduling procedures for future surcharge reconciliation proceedings.

On August 12, 1983, MichCon filed its application in Case Nos. U-5451-R (1983) and U-6743-R (1983), requesting authority for reconciliation and adjustment of its surcharges under its IFF and RCS Programs. In addition to the application, MichCon filed consolidated written testimony and exhibits in support of the following:

CASE NO. U-5451-R (1983)

Under the RCS Program MichCon represents that Program costs in excess of Program revenues were \$1,592,247 as of the end of June 1983. MichCon further represents that estimated Program costs of the 12 months ending June 1984 will total \$4,772,000 and estimated audit revenues will be \$360,000.

MichCon estimates that revenues billed prior to a proposed implementation of a revised surcharge in November 1983 will total \$1,087,000. Based on estimated rate schedule sales of natural gas of 270 Bcf for the period from November 1983 through June 1984, MichCon requests that the Commission authorize and approve a surcharge credit of \$.00184 Ccf (\$.00181 per therm) commencing in the November 1983 billing cycle, therefore enabling MichCon to recover the net costs for previously unrecovered Program costs and estimated Program costs for the ensuing Program year ending June 30, 1984.

CASE NO. U-6743-R (1983)

Under the IFF Program MichCon represents that Program costs in excess of Program revenues were

\$108,321 as of the end of June 1983. MichCon further represents that estimated Program costs for the 12 months ending June 1984 will total \$4,845,000 and estimated conservation contracts billed will be \$3,260,000.

MichCon estimates that the rate schedule sales of natural gas will total 270 Bcf for the period November 1983 to June 1984. Based upon the sales and cost estimates, MichCon proposes that the surcharge for the IFF Program be set at \$.00062 per Ccf (\$.00061 per therm) commencing in November 1983 billing cycle, therefore enabling MichCon to recover the net costs of previously unrecovered Program costs and estimated Program costs for the ensuing Program year ending June 30, 1984.

Jurisdiction is pursuant to 1978 PA 211, MCLA 460.6c; 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.; the National Energy Conservation Policy Act, 42 USC 8201 et seq.; and the Energy Security Act, 42 USC 8701 et seq.

NOTICE IS HEREBY GIVEN that:

A. A public hearing will be held at 9:30 a.m. on November 8, 1983 and continue, if necessary, on November 9 and 10, 1983, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of determining the appropriate surcharges to be applied to MichCon's IFF Program and RCS Program. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before November 3, 1983, an original and 12 copies of a petition to intervene, together with proof of service upon MichCon.

Subparagraph (2) of said Rule 11 provides as follows: "A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added.)

The Commission will require strict compliance with the above-quoted rule.

C. THE SURCHARGE ADJUSTMENTS DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER GRANT OR DENY THE REQUESTED ADJUSTMENTS, IN WHOLE OR IN PART, AND MAY GRANT LESSER OR GREATER SURCHARGE ADJUSTMENTS THAN THOSE REQUESTED.

D. Michigan Consolidated Gas Company shall, at least 10 days prior to the hearing on November 8, 1983, have available for inspection at each of its district offices in its gas service area a copy of its application, and the testimony and exhibits of its witnesses.

Vikes Earn 4th Shutout, Whip Boyne City 18 - 0

By Jon Thompson

Grayling recorded its fourth shutout of the season Friday stomping Boyne City 18-0. The Vikings are now 5-2 and face Charlevoix, 4-3, at home Friday as Grayling seeks to equal its best season ever since joining the Michigan Huron Shores Conference.

Head coach Bill Klinger's squad in 1979 went 7-2, the best record for Grayling in football since they joined the rough MHSC in 1972. Grayling has Charlevoix and Onaway remaining on their schedule.

Grayling broke the game open against Boyne City after each team was forced to punt on their opening series. The Vikings in their second possession decided to go for it on a fourth down and one on their own 46.

Klinger said they lined up in a spread formation going for a quarterback sneak instead of punting into a strong wind and it paid off with a 54-yard touchdown run by Jim Stewart.

Boyne City blitzed their linebackers and went after the running backs. Once center Ron Wyman and guards Brian Jacobs and Riley McNamara opened a hole in the line, Stewart went all the

way untouched.

Grayling's extra-points run was stopped short, but Grayling put together a 60-yard drive the next time they had the ball. Darrin White caught two passes for first downs to keep the march going and Rodney Patterson caught a 10-yard touchdown pass from Stewart. The extra-point kick was blocked.

Grayling came right back and scored again with about three minutes left in the half. Passes to White and Mike Hickey helped move the team 45 yards and Jon Nicholas went over from the 3-yard line. Nicholas followed blocks by Stacey Kent, Pete Huss, Todd Whitchee, Barsie Cross, White, and Patterson to complete the scoring for the game.

Stewart had his best passing night hitting 12 of 19 for 96 yards. He was also the leading ground-gainer with 57 yards. Cross netted 38, Patterson 35, and Nicholas 33 yards. White grabbed 5 passes for 52 yards, Hickey 4 for 25 yards, Greg Burns 2 for 29 yards, and Patterson 1 for 10 yards.

Klinger credited his offensive line for leading runners to 191 yards on the ground.

Senior Citizens Center Menu

Thurs., Nov. 3 - Mexican Dinner, make your own Beef and Bean Tostadas.

Fri., Nov. 4 - Apple Juice, Cole Slaw, Baked Chicken & Dressing, Buttered Peas, Roll, Fruit Cocktail.

and giving the quarterback plenty of time to throw.

Patterson led the defense in tackles as they notched their fourth shutout, the most whitewashes since 1979. Greg Helsel, Cross, White, and Gary Gugin were other leaders in tackles in a game the entire Viking squad got to play in.

Grayling is 4-2 in the league and tied for first in the Class C standing with Charlevoix and St. Ignace.

The Grayling J.V. exploded in their last home game of the season blasting Boyne City 53-0. Everyone on the team played as the J.V.'s earned their first win of the season.

Bits O'Talk

By Fay Bovee

Bette Thomson is home again after having spent the summer in Fallbrook, California, with Dr. and Mrs. William Diedrich and daughters, Cathy and Sue. The Diedrich girls have both returned to the University of Michigan where Cathy is a sophomore and Sue is a junior.

Many thanks go to Grayling Floor Covering (M-72 West) for the carpet piece they donated to the COOR ISD Occupational Therapy Dept. The carpet was used by Janet Dice, OTR for a platform swing in the Grayling Elementary building.

Recent guests of Mrs. Ruth Robertson were her son and his wife, Rev. and Mrs. Joe Robertson of Pt. Huron. They were accompanied by Rev. and Mrs. William Omsnick of St. Charles. They were here to attend a meeting at the Holiday Inn.

Also visiting Mrs. Robertson were her daughter and husband, Mr. and Mrs. Gerald Krausz of Portland. John and Cathy Krausz spent four days in Las Vegas on a merchandising trip and while there had the opportunity to attend one of the shows.

Don and Dorothy Sorenson and her mother, Mrs. Bea Smith, returned last Friday from a three-week trip in which they drove to Sequim, Washington, to visit their daughter and husband, Mark and Marie Howe. They also visited Mark's parents, Mr. and Mrs. Elmer Howe in Yakima, and his brother, Robert Howe in Seattle. Don and Mark went deep-sea fishing and Don caught two very large salmon. Another day they spent crabbing and had a picnic on the beach.

ABWA Elect Instal Officers

The Grayling Chapter of the American Business Women's Association elected and installed new officers at the October meeting. The new officers are: Donna Maskier, President; Pat Best, Vice President; Connie Kahn, Treasurer; Maxine Geiss, Recording Secretary and Ruth Ann Frederick, Corresponding Secretary.

Guest speaker for the evening was Cheri LeTaert of Monarch Travel Agency in Prudenville, who demonstrated some helpful hints on packing and discussed various aspects of air travel.

Connie Kahn, co-owner of the A & W was vocational speaker. She discussed her various positions in accounting before moving to the Grayling area.

Treva Ward and Carol Ralph were honored for perfect attendance for the past year.

Jane VanderLey was presented with a special award for eleven years of perfect attendance with ABWA from the Delta Alpha Chapter in Lansing and the Grayling Chapter.

The diamond Hand of Friendship award was given to Betty Bennett, Margie Mathers and Jane VanderLey. This award is presented to members who have sponsored at least eleven new members in the organization.

The November meeting will be held at Doran's on Tuesday, November 15 at 6:30 p.m.

Grayling Township Board

Regular Meeting — October 11 & 12, 1983

Members present: J. Bonkowski, E. Gardiner, M. Hallett, M. Ashton, B. Fowler.

Guests: Fran Hanson, Rose Keusch, Lee Crowell, Shelly Leal, Tom Brooks, Sean Linkhart, Donald Bentley, Howard Guyette, Bob Chappel, Barb Sojka, Cal & Sue Brenner, Mary E. Harland.

Supervisor Fowler called the meeting to order at 7:30 p.m. Motion by Bonkowski, supported by Hallett that minutes of the Sept. 13, 1983 regular meeting and the Sept. 26, 1983 Special meeting be approved as presented. Ayes - Four, Nays - None, Abstain - one. Motion carried.

Motion by Bonkowski, supported by Ashton, to approve the Treasurer's report as presented. All ayes, motion carried.

Supervisor informed the Board that as of the first week of October the Township had received all of its State Revenue Sharing for 1983.

Correspondence:

1. Notification from C.F.C. Data Corp. of an approximate 3% increase in cost for 1984 processing of the tax roll.

2. News release from Michigan Townships Association that they support House Concurrent Resolution 452. The legislation would impose a one year moratorium on the issuance of construction permits for solid waste landfills and hazardous waste facilities.

3. Public notice from U.S. Army Corp of Engineers, District, Detroit that it intends to re-issue a Regional Permit for minor work and structures in navigable waters within the State of Michigan. Notice is on file at the Township Office.

4. Crawford County Sheriff's Dept. August activities report was summarized and placed on file.

5. Report received from Department of Natural Resources Commissioner Snell regarding Department of Military Affairs proposed land transfer. Report is on file at the Township Office.

Also received Summary of House Bill 4851 which would increase State Payment in Lieu of Taxes to \$1.50 per acre.

6. Petition from property owners abutting Karen Road, or using same for access, regarding blacktopping.

Motion by Bonkowski, supported by Gardiner, to authorize Supervisor to pursue blacktopping project for Karen Road and possibly other roads in the subdivision. All ayes, motion carried.

7. Notification from the Dept. of Commerce that Raymond R. Schuster has applied for a new SDM License to be located at M-93, P.O. Box 765, Grayling Township.

8. Advertisement of Assessor's position open in the Township appeared in the October Michigan Townships Association News and Michigan Assessor's Magazine.

9. Motion by Hallett, supported by Gardiner to recommend to the Crawford County Road Commission to approve abandonment of an alley in Block 5, 2nd Addition Portage Lake Park, Grayling Township. All ayes, motion carried.

10. A recommendation by the Grayling Township Planning Commission was submitted to the Grayling Township Board that the proposed Grayling Township Zoning Ordinance include warehousing as a conditional use in Section 12.0 (C-1) General Commercial District by a special use permit with Board approval and a site plan. Roll call: Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

Motion by Bonkowski, supported by Hallett to include warehousing as a conditional use in Section 12.0 (C-1) General Commercial District of the proposed Grayling Township Zoning Ordinance by a special use permit with Board approval and a site plan. Roll call: Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

Employment Policy:

11. Motion by Bonkowski, supported by Hallett that Grayling Township Employment Policy be amended to reduce the probationary period for new employees from six months to ninety days in all pertaining sections. Roll Call: Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

12. Motion by Bonkowski, supported by Hallett that the Friday following Thanksgiving be added to the Grayling Township Employment Policy as a paid holiday. Roll call: Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

13. Motion by Gardiner, supported by Bonkowski, to amend last sentence of Section 20 of the Grayling Township Employment Policy to read as follows: To be eligible for a paid holiday, an employee must have worked the entire last scheduled work day preceding the holiday, unless otherwise excused by employee's supervisor. All ayes, motion carried.

Business:

14. Motion by Hallett, supported by Bonkowski to accept the bid of Michigan Apparatus, Inc., Kalkaska, Michigan to repair, remanufacture and refinish the Howe Fire Truck, excluding item No. 4. Roll call: Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

15. The Township has received post audit refunds from the 1982-83 Cemetery Operations Budget of \$3913.37 and from the 1982-83 Fire Protection Budget in the amount of \$2387.87.

16. Building and Ordinance report was read and placed on file.

17. All electrical systems at the compactor have been reworked and adjusted. All hydraulic controls were checked and replaced or adjusted.

18. Assessing report was read and placed on file.

19. Supervisor Fowler made the announcement that he will not be running for re-election in 1984.

20. Supervisor Fowler informed the Board that three road projects recently finished had been estimated to cost \$25,500.00. Actual cost was \$20,893.62. These were Circle Court, Woodleaf Drive, and Sherwood Forest.

21. Board acknowledges receipt of Clerk's 1983-84 first quarter report.

Motion by Gardiner, supported by Hallett to approve payment of vouchers No. 6521 thru 6524 and 6532 thru 6567 in the amount of \$27,112.91. All ayes, motion carried.

Motion by Hallett, supported by Bonkowski, to recess until 5:00 p.m. October 12, 1983. All ayes, motion carried.

Regular meeting of the Grayling Township Board reconvened on October 12, 1983. Supervisor Fowler called the meeting to order at 5:00 p.m.

Members present: J. Bonkowski, E. Gardiner, M. Hallett, M. Ashton, B. Fowler.

Guests: Bob Chappel, Barb Sojka, Mary, Ann and Jason Harland.

22. A recommendation by the Grayling Township Planning Commission to the Grayling Township Board to include the following described property in Section 12.0 (C-1) General Commercial District of the proposed Grayling Township Zoning Ordinance.

A part of the SE 1/4 of Section 8, T26N, R3W, of Grayling Township in Crawford County, being the S 1/2 485 feet of the SE 1/4 of the E 1/4 of the W 1/2 of the SE 1/4 and also the S 1/2 485 feet of the SE 1/4 of the SE 1/4 lying west of a line described as being 400 feet west of the Shellenbarger Creek.

Motion by Bonkowski, supported by Hallett to extend Section 12.0 (C-1) General Commercial District of the proposed Grayling Township Zoning Ordinance to include the following described property:

A part of the SE 1/4 of Section 8, T26N, R3W, of Grayling Township in Crawford County, being the S 1/2 485 feet of the SE 1/4 of the E 1/4 of the W 1/2 of the SE 1/4 and also the S 1/2 485 feet of the SE 1/4 of the SE 1/4 lying west of a line described as being 400 feet west of Shellenbarger Creek.

Roll call: Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

23. Motion by Gardiner, supported by Bonkowski, to adopt the proposed Grayling Township Zoning Ordinance, hereafter also known as Grayling Township Zoning Ordinance No. 83-4. This Ordinance to take immediate effect. Roll call: Bonkowski - aye, Hallett - aye, Gardiner - aye, Ashton - aye, Fowler - aye. All ayes, motion carried.

The complete Grayling Township Zoning Ordinance No. 83-4 is published as an insert in the October 27, 1983 issue of the Crawford County Avalanche. Copies are available at the Grayling Township Offices M-72 West Plaza, Grayling, MI.

24. Bob Chappel reported that the Operations Agreement for Grayling McNamara Airport has been signed by the County of Crawford and the Crawford County Transportation Authority.

Motion by Bonkowski, supported by Hallett, meeting be adjourned. All ayes, motion carried.

Respectfully submitted,

Monica S. Ashton, Clerk

Bits O'Talk

By Fay Bovee

Mr. and Mrs. Don McCurdy of Sarasota, Florida, are spending a week in Grayling visiting their son and family, the Bob McCurdys. They also visited her sister in Beulah, Mi.

The RLDS church group held a Hayloft party on Wednesday, October 12th at the home of Foster and Eleanor McCool. About 30 members enjoyed the evenings potluck supper and guitar music.

Rosie Hoffman, daughter of Dr. and Mrs. Ralph Hoffman is a recent graduate of Michigan State University. On September 2, 1983, she received her B.A. degree in Business Administration with majors in Accounting and Personnel Administration.

Dr. and Mrs. Len Allison have returned from a five-week trip to Glendive, Montana, where they visited their son and family, Mr. and Mrs. Newt Allison. They stopped in Longmont, Colorado, to see their daughter and granddaughter, Mrs. Caroline Andree and Suzie.

In Casper, Wyoming, they saw Jerry Myers, a Gaylord resident.

Bob and Fay Bovee spent eight days in Arizona; first going to Yuma to visit Irv and June Pallack. June and Fay were roommates at Central Michigan and had not seen each other in 25 years. In Phoenix they visited Dick and Phyllis Cox, also former Mt. Pleasant residents. They attended the Association of Community College Trustees conference for four days before returning home. Fay talked to Marge Hildebrand in Sun City and Marge sends along a hello to all of her friends.

Cadette Troop Forms

Crawford County has a Cadette Girl Scout Troop now in the area. Seven girls from the 7th, 8th and 9th grades met with Marge Len and Lee Dann to come together to see about them becoming a Cadette Troop.

After a time of learning about each other through introductions and question times, each girl drew a number belonging to a pumpkin. The pumpkins were then turned into jack-o-lanterns before being sent home to wait for Halloween. A good time was had by the new Cadettes and their new leaders. Congratulations to all of you and have a great year in the world of scouting through Cadettes!

Grayling Runs Wild, Notches 10th Victory

By Jon Thompson

Grayling ran its record to 10-2 using aggressive defense and a fast-breaking offense to thump Petoskey 59-40 last Thursday at Petoskey.

"It might have been the best game we've played all year," head coach Tom Mills said.

Mills had been expecting a close game after Grayling squeaked by Petoskey with a four-point win here Sept. 27. But Grayling took command of the game within two minutes of the opening jump ball and raced to the win.

"Things went our way early and that gave us more confidence," Mills said.

Mills moved his guards out

Parents Group To Organize

An organizational meeting for the new Crawford-AuSable-AuSable Parents group will be held Wednesday, October 26, at 7:30 p.m. in the Grayling Elementary School.

This group is being formed to create new opportunities for young people to develop their knowledge and skills, and to provide a means for effective communication among home, school and community.

All parents of students in the Crawford-AuSable School District are invited to participate. Other interested persons are also welcome. No dues are required for participation in this parents' group.

For further information contact Marilyn Rosi or Ann Stephenson, 348-9678 or 348-5189.

to pressure Petoskey at half-court to prevent them from setting up their strong inside game, and Heidi Bendig and Karyn Reynolds responded by collecting 8 steals apiece.

Grayling didn't allow a field goal in the first period as they took a 10-3 lead. At half time they had 21 steals and a 33-17 lead.

"Everyone played well," Mills said. "I think our bench has been the key to our success all year long."

Mills brought his guards back inside to sag on Petoskey's two six-foot players, and then Petoskey's guards couldn't hit the outside shot. Grayling continued to build a lead, 45-28 at the three quarter's mark, and coasted home.

Bendig threw in 19 points despite a box and one defense played against her after she hit three straight buckets in the second quarter. Kris Laudenslager added 13 points and 14 rebounds. Karyn Reynolds hit for 12 points and Heidi Derenzy contributed 8 points and 9 rebounds. Erin Jones scored 6, Lisa LaMotte 1, and Michelle Barber had 8 rebounds.

Grayling pulled out a 51-47 win over Rogers City Tuesday on the road even though three players fouled out, two players had 4 fouls, and one starter was out with an injury.

Rogers City jumped on the Vikings for a 14-6 lead after one period and a 22-19 lead at half. Grayling finally went ahead 34-31 after the third quarter and hung on in the last period as fouls caught up with them.

"We didn't play well. We were sluggish," Mills said. "We stood around on defense and didn't shoot well."

Bendig hit for 15 points, Laudenslager 14, and Reynolds 12 as the trio remained in the top ten for scoring in the league. Shelly Trenary and Heidi Derenzy added 4 and Erin Jones scored 2.

Grayling played Boyne City at home Tuesday and then meets Cheboygan there Thursday and entertains Gaylord Tuesday in two games that will help decide the league champion. Gaylord is 8-0, Cheboygan 7-1, and Grayling 6-2 in the league. The Vikings two losses were by a total of five points to Gaylord and Cheboygan.

Home Is Where the Table Is

By
Rev. Richard H. Wadsworth

TEEN! Have you ever called your parents stupid? I hope not! If you did, I sure hope you apologized. All over town there are scores of twosomes called parents who are smart people with so much love in their hearts for their teenagers that they will never tell you. Let's face it, they are the only two people in the world who love you in spite of all they know about you.

Here are a few reasons I've been given for calling parents stupid:

1. They are too old-fashioned and out of touch.
2. They don't understand

me.

3. I'm tired of hearing of the good old days when they trudged to school twenty miles every day barefoot in the snow.

4. I'm tired of seeing all their report cards with those high grades. What about the ones they don't show me?

5. I'm tired of hearing, "Based on my experience..."

6. They're too suspicious. They always imagine the worst. They're always giving me the third degree.

Are these real hangups? Sure they are, but they don't make your parents stupid. Let's find out how smart they really are.

"Hey, Mom, this theme is

due tomorrow, and I need help on the research."

"Dad, I get my driver's permit tomorrow. Don't forget you have to go with me."

Why should anyone want a stupid person to help with research or an idiot adult to go along to meet the driving examiner?

"Remind me to get the hamburger buns for the picnic, Mom, and oh, would you please bring my clarinet to school? You've got to; I forgot it."

"Mom, be sure to have dinner early so Dad can drive me to the game. And I need money." (Money, money — sounds like a broken record.)

How in the wide world can a set of stupid parents take care of all these things? But they will, because that is the kind of stuff they are made of. You get my point, don't you? Your parents are the

sole owners and underpaid operators of the "Stupid Parents' Taxi Service." It sure is nice to be needed.

Seriously, all this stuff about their report cards and their being old-fashioned may be true, but your parents are worth more than you will ever be able to pay them. Their love is deep. Their concern is genuine.

Get smart! Appreciate and love those folks early. Get into practice now, so there will be no days of regret in the years ahead.

"Honour thy father and mother...that it may be well with thee" (Ephesians 6:2-3).

(Sponsored by the Grayling Church of the Nazarene)

BPW Prepares for Santa's Visit

The Grayling Business and Professional Women's Club is busily preparing for Santa's visit to Crawford County's less privileged children this Christmas. This is a handful of dedicated ladies who work on this project for an entire year, to ensure that no child in our community is overlooked.

By Christmas Eve about 200 families (that have requested or have been referred for this extra assistance) will receive food baskets, toys for each child, hand-knitted caps and mittens, and either pajamas or gowns for each child.

Although help is being provided, through RSVP and others, to make these various items, it is a very costly endeavor to provide the materials, to buy the toys and games, and to purchase the canned foods, fruits, fresh vegetables and fowl which each family will receive.

Any individual, business, or organization desiring to assist in this worthy cause, may address their contribution to Crawford County Community Services, c/o Grayling B.P.W., P.O. Box 290, Grayling, MI 49738. Your help will be gratefully appreciated.

Crawford County Board of Commissioners

SYNOPSIS

October 11th Regular Meeting

The October 11, 1983 meeting of the Crawford County Board of Commissioners commenced at 9:30 a.m. with all Commissioners present but Welser and Joyce. Welser arrived at 10:05 a.m., and ten visitors attended at various times. The minutes of the September 9th regular meeting and the October 4th Public Hearing were accepted as presented, and nineteen pieces of correspondence were reviewed and placed on file. Actions resulting from these communications included:

Support for a Marquette County Resolution opposing placement of a nuclear waste repository in the Upper Peninsula.

Discussion of wages, revenue sources and expenditures for the Crawford County Library. The library receives no General Fund revenues, and is supported primarily with penal fines. Wages are set by the Library Board.

Discussion of a new Friend of the Court policy regarding telephone calls and appointments. Level of service to Crawford County clients is a concern of Commissioners, and will be addressed at an up-coming Judicial Committee meeting.

IN MATTERS RELATED TO FINANCE, the Board:

Authorized payment of General Fund vouchers in the amount of \$28,112.55. Fish Hatchery Fund bills of \$344.48 and Airport Fund expenditures totalling \$307.12.

Approved Commissioners' salary, per diem and expense vouchers respectively as follows: Kitchen: \$200.00, \$280.00 and none. Harland: \$150.00, \$170.00 and \$15.40. Neilson: \$150.00, \$230.00 and \$39.16. Mattie: \$150.00, \$330.00 and \$518.87. Joyce: \$150.00, \$230.00, \$110.80. Welser: \$150.00, \$350.00 and \$8.58.

Adopted a new funding formula for North Central Mental Health Services. Crawford's 1984 share of the consolidated allocation will be \$50,859.00, which will include all payments presently made separately to State Hospitals.

Authorized the expenditure of \$3,830.00 as Crawford's share of the \$10 thousand needed to repair the road at the landfill. The present condition of the road is causing a revenue loss, since haulers are refusing to dump at the site until improvements are made.

Upon recommendation of the Treasurer, amended the 1983 budget to reflect an increase in revenues of \$23 thousand and a revenue decrease of \$59,300.00, for a net revenue reduction of \$36,300.00. Expenses were decreased \$86,700.00. Anticipated expense increases are still being calculated, so the net change in the expenditure side of the budget has not yet been determined.

COMMITTEE REPORTS INCLUDED:

ROAD & BRIDGES: Beaver Creek Township residents have filed a petition for improvements to Billman Road.

DISTRICT HEALTH: Flu shots will be available for senior citizens at the end of October. The position of Crawford AuSable Schools relative to hearing and vision screening was also discussed.

SOIL CONSERVATION: Summer JTPA programs are being completed.

SOLID WASTE ALTERNATIVES: A recent meeting with a DNR Resource Recovery representative revealed that cost to construct an incinerator capable of handling 150 tons of solid waste per day runs \$10 to \$12 million. On the average, incineration reduces volume of solid waste by 90%. Federal funding possibilities were discussed, and further facts on solid waste alternatives will be reviewed at a meeting in Lansing on December 7th.

ADDRESSING THE BOARD WERE:

TOM SCHANS of Schans Plumbing & Heating Supply, who requested a clarification of the bids on water closets for the jail. After determining that bids had not specifically addressed replacement of faucets, the Board authorized such replacement on the four units being installed at a cost of \$135.00 each, with old units to be retained for spare parts.

EQUALIZATION DIRECTOR HUNTER & TREASURER WAKELEY, who reviewed the Apportionment Report. The report was prepared on the full levy set by the Allocation Board, and included the .14 additional millage for County Operational, Public Transit and Commission on Aging. The Board then set

1983 millage rates as follows:

Crawford County: 8.11 - which includes 6.50 allocated, .36 building debt, .75 Public Transit and .50 Commission on Aging. (The latter two are voted millage.)

Crawford AuSable Schools: 26.32 - which includes 7.20 allocated, 16.90 voted operational and 2.22 debt retirement.

Gerrish-Higgins Schools: 22.60 - which includes 8.60 allocated, 12.00 voted operational, and 2.00 debt retirement.

Kirtland College: 1.40 - including 1.00 voted operational and .40 debt retirement.

COOR Intermediate: 1.50 - including .30 allocated operational and .75 voted.

Beaver Creek Township: 2.30 - including 1.00 allocated and 1.30 voted special assessment.

Frederic Township: 2.97633 - which includes .99211 allocated and 1.98422 voted for fire protection.

Grayling Township: 1.00 allocated.

Lovells Township: 2.48233 - which includes .99293 allocated, .99293 voted for fire protection and .49647 voted for landfill.

Maple Forest Township: 1.77238 - which includes .88619 allocated and .88619 voted for fire protection.

South Branch Township: 4.00 - which includes 1.00 allocated, 1.00 voted operational and 2.00 voted for fire protection.

This apportionment on county, townships, schools, Kirtland and COOR will result in each taxing unit levying the following millage:

Beaver Creek Township: 39.18 mills for those in the Crawford AuSable School District, and 35.46 mills for those in the Gerrish Higgins School District.

Frederic Township: 39.85633 mills.

Grayling Township: 37.88 mills.

Lovells Township: 39.36233 mills.

Maple Forest Township: 38.65238 mills.

South Branch Township: 37.16 mills.

City of Grayling: 36.88 mills, plus 12.73753 City Operating and .25 Bonds for a total of 49.62753 mills.

NOTE: One half of the Crawford AuSable School millage has already been collected from affected residents in the July summer tax collection, and will be deducted from winter tax bills.

ANNOUNCEMENTS WERE MADE RELATIVE TO:

HB 4627, which would require that interest be paid to local units on delayed Revenue Sharing Payments.

Commissioner Mattie having been appointed by the Governor to a special tax committee which will deal with use of, or disposal of, public lands.

IN OTHER BUSINESS, the Board:

Further discussed the insurance request from the Grayling Recreation Authority, and expects cost estimates prior to the next meeting.

Responded to an inquiring citizen that the county's notices on Truth in Taxation were published according to legal requirements. It was further noted that the Hearing was also given media coverage, and that copies of Commission proceedings are available in the Clerk's Office on the 8th business day following any meeting.

Adopted a resolution opposing the creation of any more national holidays.

Appointed Howard Guyette to a four year term as Democratic Party Representative on the County Canvas Board.

Further discussed a Universal Numbering System, and will contact Grayling and Frederic Postmasters of the Board's intent to pursue the system.

Meeting adjourned at 4:37 p.m.

Full text of official minutes is available in the office of the Crawford County Clerk.

Jeanette J. Kitchen, Chairperson

Crawford County Board of Commissioners

Elizabeth H. Wieland, Clerk/Register
County of Crawford

Crawford AuSable School District Crawford, Kalkaska and Otsego Counties Grayling, Michigan 1983 - 84

The Crawford AuSable School District is composed of Crawford County with the exception of South Branch Township and a small part of Beaver Creek Township but does include eight sections in Bear Lake Township, Kalkaska County, and six and one half sections in Otsego Lake Township, Otsego County. The school district contains 464 square miles.

District instructional sites are as follows:

Grayling Elementary School: Main building - 20 classrooms, 1 all purpose room including cafeteria, 2 portable buildings.

Frederic Elementary School: 12 classrooms, 1 library, 1 cafeteria, 1 all purpose room.

Grayling Middle School: 12 classrooms.

Middle School Gymnasium: Physical Education, 1 classroom and cafeteria.

Grayling High School: 39 classrooms, 1 cafeteria, 1 auditorium, 1 instructional media center.

In 1982-83 the school budget was based on 24.1 mills for operation (7.2 mills allocated and 16.9 mills extra-voted). Debt retirement millage was 2.22 mills. The combined rate was 26.32 mills.

In 1983-84, the school budget is based on 24.1 mills for operation (7.2 mills allocated and 16.9 mills extra-voted). Debt retirement millage is 2.22 mills. The combined rate is 26.32 mills.

In 1982-83 there were 1797 students. In 1983-84 there are 1814 students.

Services Held For Beulah Moore, 78

Beulah B. Moore, 78, of Grayling, died at her residence on Monday, October 17, 1983. Funeral services were held on Friday, October 21, 1983 at the Michelson Memorial Methodist Church at 1:00 p.m. with the Rev. Jeffery Regan officiating. Burial was in Elmwood Cemetery.

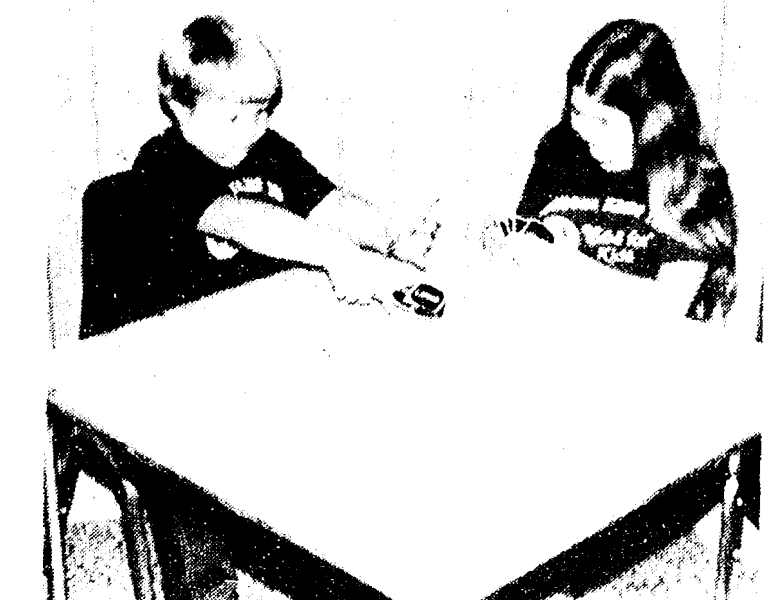

Mrs. Moore was born in Grayling on December 26, 1904 to James and Harriet Collen. She was a Judge of Probate for Crawford County for ten years. Mrs. Moore was a member of Michelson Memorial Methodist Church and a member of the Mary Martha Circle.

Survivors include one son, Thomas Douglas of Traverse City, one step-daughter, Gloria Alef of Grayling, seven grandchildren and 11 great grandchildren.

Palbearers were Thomas Douglas, Steven Douglas, Jerome Douglas, John Alef II, Thomas Zamoyiski, and Scott Trudeauau.

The family suggests Memorial Contributions be directed to Mercy Hospital in Grayling.

The Avalanche — Your Want Ad Paper

"SOMEONE NEEDS YOU"—Pictured above are Necia Gilbert and Raymond Hill, ("Jr.") playing a game of Uno. They are just 2 of the approximately 18 kids currently signed up with the Sibs program.

"Jr." is currently matched with Gary Pepsin as his big brother and Necia is waiting for a replacement for her big sister who can no longer be a part of the program.

If you have one hour a week and a desire to share a part of yourself with some child call today and obtain more information about being a big brother or big sister. Call 348-2841 ext. 282 or stop by the office, located on M-72 West. We are located in the green and white building next to the IGA store.

Don't forget - as you give to United Way — You Give to Sibs for kids. Helen I. Campbell Director, Sibs for Kids

La Leche League Meeting Notice

If you have considered breastfeeding your baby, but have questions about this womanly art, contact the Grayling-Roscommon La Leche League. This month's meeting, "The Art of Breastfeeding and Overcoming Difficulties," will be held on Thursday, November 3 at 7:30 p.m. at 130 Fulton Street, Grayling.

La Leche League tells a simple story about a simple, natural function. Emphasizing the joys of breastfeeding, it is designed to encourage and inform mothers who desire to nurse their babies.

The meeting discussions include the latest medical research, as well as personal experience.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

CARD OF THANKS

We would like to express our thanks to all of our friends and relatives for cards and visits during our recent time of sadness.

The family of
Kenneth R. Jackson

Expectant Parent Classes at Mercy

Expectant Parent classes, sponsored by Mercy Hospital, Grayling, will be held for five weeks, beginning Wednesday, November 2. These classes will meet in the Doctors Dining Room at Mercy Hospital from 7 to 9 p.m.

Topics to be covered include stages of labor, Lamaze techniques, maternal nutrition, breast feeding, exercises and infant development. The class will also include a talk by Brian W. Fox, M.D., Obstetrician/Gynecologist and a tour of the Obstetrics Department and Birthing Room.

The classes are free of charge, and no pre-registration is necessary. Persons are asked to bring their spouse or coach to each class.

For more information, contact the Obstetrics Dept. or Education Office at 348-5461.

Cong. Albosta's Aide Here Nov. 9th

Congressman Don Albosta has announced that his Congressional staff liaison will be in Kalkaska from 10 a.m. to 12 noon at Kalkaska Governmental Center on November 9, 1983 and the Crawford County Courthouse, Grayling, 1:30 - 2:30 on November 9th.

Albosta said that the staff liaison is coming to this area to assist persons who have problems with the Federal government, and to give everyone an opportunity to discuss issues of importance.

Albosta advised that constituents should bring all of the pertinent information or documents relating to their case to the meeting.

Those who find they cannot come at the scheduled time, may write Albosta's District office, 4001 US 31 South, Traverse City, Michigan 49684, call the office, at 616/943-8700, or call Albosta's Action Line... 1/800-292-4255.

Bits O'Talk

By Fay Boeve

Mrs. Gordon Pond and Mrs. Marie Post just returned from a twelve day New England Color Tour that covered all of the New England states, the Thousand Islands and Niagara Falls, Ontario.

On Friday, October 21, twenty seven Bethlehem Lutheran Church seniors traveled by church bus from Traverse City combining a color tour and pot luck luncheon at the Wilfred Ziegler's home in Grayling. Pastor Fred Overdier traveled with the group and led a sing-along after lunch. They also visited St. John Lutheran Church in Grayling and traveled back by way of Frederic over the hill country.

Don and Marge Smith enjoyed a two and one-half week trip to Europe where they visited England, Netherlands, Austria, Germany, Italy, Monaco, Switzerland and France. Since their return their daughter Mrs. Nancy Wilson and her son, Jacob, of Tucson, Arizona, flew home to spend a week visiting. They also visited relatives in Flint while she was here.

Palbearers for the Glenn Bunker funeral on October 19, 1983, were: Jim Kinsman, Fred Schaibly, Bill Pulgini, Jim Spencer, John Mau, Jack Burden.

Mt. Hope Christmas Bazaar

Mt. Hope Lutheran Church will be having its annual Christmas Bazaar on Oct. 28 & 29th. We have many new items in our beautiful selection of quality handcrafted originals. Now is the time to shop for those hard to buy for people on your shopping list. Also, decorate your home or Christmas tree with unique ornaments and wall hangings.

Take your time and browse through, we'll be serving lunch on Friday, Oct. 28th, from 11 - 2. You'll love our homemade soups, sandwiches and desserts, plus a large selection of baked goods.

You'll find something for everyone at any price range from that special youngster to teachers and friends to grandma & grandpas!

Hope to see you Friday, Oct. 28 from 10 - 5, Saturday, October 29th from 9 until noon. Remember, lunch will be served Friday from 11 - 2.

IN MEMORIAM

In memory of Norman Johnston who passed away Oct. 28, 1964.

It's not the tears shed at the time,

That tells of hearts that are broken,

It's the lonesome tears in the afteryears, When our loved ones name is spoken.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-7777

NOTICE OF GAS COST RECOVERY HEARING

On September 20, 1983, Michigan Consolidated Gas Company (MichCon) filed with the Michigan Public Service Commission an Application for Approval of Gas Cost Recovery Factors for Calendar Year 1984 (Case No. U-7777), seeking authority to reflect in its monthly billings to its retail gas customers gas cost recovery factors commencing with the January 1984 billing month and continuing through the December 1984 billing month. As defined in 1982 PA 304; MCLA 460.6h(1), a "gas cost recovery factor" is "that element of the rates to be charged for gas service to reflect gas supply costs incurred by a gas utility and made pursuant to a gas cost recovery clause incorporated in the rates or rate schedule of a gas utility." Such a clause has been incorporated in MichCon's rate schedule as Rule No. 30 following the Commission's order in Case No. U-7479 dated September 20, 1983 authorizing the clause.

MichCon represents that the proposed Gas Cost Recovery Factors are designed to recover an average of \$4.87 per Mcf attributable to the cost of gas during 1984; (the monthly factors proposed are set forth in the chart below) and MichCon further represents that, based upon its 1983 estimated average gas costs of \$4.43 per Mcf, approval of the proposed 1984 factors would raise the annual bill paid during 1984 by an average residential customer using 150 Mcf by approximately \$66 per year.

PROPOSED GCR FACTORS FOR CALENDAR YEAR 1984

Month	Maximum GCR Factor (Per Mcf)	Maximum GCR Factor (Per Dth)
January	\$4.6556	\$4.5733
February	\$4.6964	\$4.6134
March	\$4.7372	\$4.6534
April	\$4.7780	\$4.6935
May	\$4.8188	\$4.7336
June	\$4.8596	\$4.7737
July	\$4.9004	\$4.8138
August	\$4.9412	\$4.8538
September	\$4.9820	\$4.8939
October	\$5.0228	\$4.9340
November	\$5.0636	\$4.9741
December	\$5.1044	\$5.0141

In support of this Application, MichCon has filed testimony and exhibits with the Commission giving details of its Gas Cost Recovery Plan, including descriptions of the major contracts and gas arrangements entered into for the purpose of providing gas service during the calendar year 1984. In addition, MichCon has filed testimony and exhibits describing its 5-year forecast of the gas supply requirements of its customers, its anticipated sources of supply and projections of gas supply costs in light of its existing sources of gas supplies. That 5-year forecast includes a description of relevant major contracts and gas supply arrangements entered into or contemplated by MichCon.

MichCon's filing, including its testimony and exhibits, is available for inspection at the offices of the Commission Secretary, 6545 Mercantile Way, Lansing, Michigan 48910, and at the offices of Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226.

A Utility Consumer Representation Fund has been created for the purpose of aiding the representation of residential utility customers in energy proceedings. Further information may be obtained from the Director of the Energy Administration, 6520 Mercantile Way, Ste. 1, P.O. Box 30228, Lansing, Michigan 48909.

NOTICE IS HEREBY GIVEN THAT:

A. The initial hearing in this matter will be held at 9:30 a.m. on November 14, 1983 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, which hearing will be in the nature

of a prehearing conference and will be held for the purpose of exploring and, if possible, agreeing upon matters which will expedite this proceeding including, but not limited to, the following:

1. Determining the parties to this proceeding, the nature of their appearances and the positions they are taking in this proceeding, as well as the facts they intend to controvert or give evidence of, all in accordance with the provisions of Rule 11 of the Rules of Practice and Procedure Before the Commission.
2. Establishing a time schedule for the filing of pleadings and motions, as well as for the filing of the testimony and exhibits of the Staff and/or intervenors.
3. Simplifying and defining the issues in this proceeding.
4. Obtaining admissions as to, and stipulations of, facts not remaining in dispute, the authenticity of documents, and matters of public record.
5. Determining the number and identity of witnesses.
6. Specifying the schedule for the exchange of proposed exhibits and written testimony, and the reduction of oral testimony to written form.
7. Establishing procedures for the hearing.
8. Specifying a further schedule of dates of hearing.
9. Considering any other matters which may aid in the orderly conduct of the hearing and the disposition of the proceeding.
10. Establishing procedures and a schedule for the conduct and completion of discovery. All persons are encouraged to commence informal discovery as soon as possible.

B. Any person seeking to intervene in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before November 9, 1983, an original and 12 copies of a petition to intervene, together with proof of service upon Michigan Consolidated Gas Company, Office of General Counsel, 500 Griswold Street, Detroit, Michigan 48226.

Subparagraph (2) of said Rule 11 provides as follows: "(2) a petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted" (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

C. THE GAS COST RECOVERY FACTORS DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY APPROVE, REJECT OR AMEND THOSE FACTORS.

D. Michigan Consolidated Gas Company shall, on or before November 14, 1983, serve upon each person who has petitioned to intervene in accordance with Rule 11, a copy of the written direct testimony of its proposed witnesses and the proposed exhibits as filed with the Commission.

E. Jurisdiction in this matter is pursuant to Sections 1, 2, 6, 7 and 8 of the 1909 PA 106, as amended, MCLA 460.551 et seq.; 1909 PA 300, as amended, MCLA 462.2 et seq.; Sections 3 and 4 of 1919 PA 419, as amended, MCLA 460.51 et seq.; Sections 4, 6 and 6a of the 1939 PA 3, as amended, MCLA 460.1 et seq.; 1982 PA 304, MCLA 460.6a, 460.6b, 460.6h, 460.6i, 460.6j, 460.6k, 460.6l and 460.6n; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R. 460.11 et seq.

MICHIGAN CONSOLIDATED GAS COMPANY

Chamber Chatter

By Joyce Kolka

The annual banquet of the Grayling Regional Chamber of Commerce will be held Thursday night, October 27 at the Grayling Holiday Inn. Cost of the affair will be \$10 per person and tickets must be purchased prior to the dinner so that an accurate count can be provided to the inn. They may be obtained from any board member or from the chamber office. Music will be provided by Fred Hinkle and will include a mixture of old and modern selections for dancing. The traditional drawings will be held for delicious beverages and the main course at the dinner will be stuffed pork chops.

The chamber board has appropriated the necessary funds to have an exhibit at the Winter Sports Show at the Fashion Square Mall in Saginaw on November 4-6. Howard Taylor and others connected with the Hanson Hills Ski Park will handle the booth.

The board indicated that most of the shows the chamber has planned on attending are aimed at the summer traffic. They agreed to sponsor the booth in November in an attempt to encourage visitors for winter recreation.

Final details for the newly reorganized Orange Coat Roundup were finalized last week. It was decided to award a \$50 savings bond to the first 10 hunters to bring in a buck on the first two days of the season. The committee emphasized that all of the prizes except the grand prize will be awarded each day not just on opening day as in previous years. Other prizes will be awarded to the successful oldest hunter, youngest hunter, female hunter and the first buck hung. The grand prize for the largest rack will be a deer rifle and scope. The racks will be measured according to the Boone and Crockett measuring system.

Badges will be available supporting the roundup in the near future. The committee noted that another change from last year is that advance purchase of a badge is not necessary for entering the contest. Contest headquarters will be Skip's Sport Shop where a new buck pole has already been constructed.

The Crawford County Snowmobile Council will meet on November 7 at the Holiday Inn to elect officers and appoint committees. The meeting will begin at 7:30 p.m.

Can you spare a \$1.00? Word from the Grayling Recreation Authority is that because of little snow last year Hanson Park lost \$12,000.00 for operating costs. If everyone in Crawford County would send in at least \$1.00, it would wipe out last year's loss. We cannot afford to lose Hanson Park. Remember, that's where you and your family learned to ski and where our children and our families are still playing together. Won't you as a concerned citizen send in your tax deductible donation to: Grayling Recreation Authority, P.O. Box 361, Grayling, MI 49738.

Your Week Ahead Horoscope

Forecast Period: 10/30 - 11/5/83

- ARIES**
Mar. 21-Apr. 19
Fortunate aspects are present for mutual financial interests. Prospects for success are excellent, especially at the new moon on Friday.
- TAURUS**
Apr. 20-May 20
Partnership matters are the big issue this week. Stay alert to market trends, as there could be a surprise development.
- GEMINI**
May 21-June 20
Working conditions and the health of co-workers are vital factors in maintaining your own well being.
- CANCER**
June 21-July 22
Let people know how much you care. Friday's new moon sets the pace for a romantic encounter.
- LEO**
July 23-Aug. 22
Home improvements result in an offer you can hardly refuse. Now to convince the rest of the family.
- VIRGO**
Aug. 23-Sept. 22
Unexpected developments at home create quite a stir, with you coming and going at all hours trying to get everything done.
- LIBRA**
Sept. 23-Oct. 22
You find a real treasure while visiting a garage sale. Its value to you is priceless.
- SCORPIO**
Oct. 23-Nov. 21
Just be your charming self and watch your admirers fall under your spell. Capitalize on the advantage.
- SAGITTARIUS**
Nov. 22-Dec. 21
Confidential matters must be handled with discretion. Try not to let word get around of what you are up to.
- CAPRICORN**
Dec. 22-Jan. 19
Your social life picks up. In fact, you are developing a reputation for being quite a "live wire!"
- AQUARIUS**
Jan. 20-Feb. 18
Some very important people look to you for answers. New career possibilities present themselves and the future looks rosy.
- PISCES**
Feb. 19-Mar. 20
You are on the go and loving every minute of it. A working relationship takes on romantic tones.

TRUTH IN TAXATION

SYNOPSIS

October 4, 1983 Public Hearing

The Public hearing held pursuant to P.A. 5 of 1982, Truth In Taxation, convened at 7:00 p.m. with six commissioners and eleven citizens present. Purpose of the hearing was to receive testimony and discuss the levy of an additional millage rate of .14 mills for fiscal year 1984, as advertised. Hearing rules of procedure were adopted, after which handouts comparing 1982 and 1983 tax revenues were distributed.

Equalization Director Hunter reviewed the procedure necessary for the county to levy the full millage received from the Allocation Board. It was explained that the additional .14 millage rate resulting from the increase in S.E.V. would generate \$17,876.00 for the County, \$2,063.00 for Public Transit and \$1,375.00 for the Commission on Aging. Commissioner Welsor of the Finance Committee explained that even with the collection of the additional millage, \$137 thousand would have to be cut from the proposed 1984 budget.

Commissioner Mattis spoke to the problem of declining revenues, rising costs and the difficulty in budgeting uncontrollable expenditures in areas such as board of prisoners, state hospitals and court costs.

OTHER COMMENTS & QUESTIONS:

The budget should be cut to match revenues. The Board concurred.

Discussion of commissioners' attendance at conferences. Clarification of the fact that the County Commissioners are not responsible for the Road Commission budget.

Explanation that the county is not presently broke, but is struggling to head off a possible year-end deficit by cutting expenditures.

Layoffs are not contemplated at this time, because county services must be provided.

The percentage of increase in new valuation for 1983 is up only three quarters of one percent.

1984 courthouse heating bills alone are projected at \$30 thousand.

A citizen's opinion that, in light of the possible 1983 deficit a token millage rollback worth only a one dollar savings to the average taxpayer is not worth jeopardizing local services.

A concern of the Commission over the need to insulate and do repairs to the courthouse, as well as to replace some office equipment.

An opinion by the Equalization Director that increased state assessments on state-owned property are comparable with those on private land.

Following no response to a last call for questions and comments, the hearing adjourned at 8:05 p.m.

Full text of official minutes is available in the office of the Crawford County Clerk.

CRAYON CATHEDRAL

This is just one of the masterpieces completed during "project time" in Mrs. Emrich's class last Sunday. On the back was the artist's own signature: "Glenn J."

You may never again see a work of art by Glenn. But you know something about this young artist that is tremendously important.

He isn't sent to Sunday School, or dropped off at the church with his sister. Glenn is one of those fortunate youngsters who belongs to a church-going family.

It shows now in crayon.

It should be increasingly evident in life.

Game, Fish Fund Troubles Jeopardize Outdoor Programs

By TIM PICKETT

Jackson Citizen Patriot Outdoor Writer
The Game and Fish Protection Fund is in trouble.

Support of Michigan's hunting and fishing program comes from the fund and from leases on fund-acquired lands, oil and gas royalties, timber sales, interest and miscellaneous income.

Eighty percent of the GFP Fund comes from hunting and fishing license fees, but the money generated, plus other revenues, is not enough to keep up with the business of outdoor recreation.

A projected \$1.9 million deficit in the general purpose portion of the GFP Fund is expected by the end of fiscal year 1983-84. The deficit will occur after a recent \$2 million cut to the DNR Wildlife, Fisheries and Law Enforcement divisions.

Wildlife division programs that already have been cut are:

- The put-take pheasant program, which is in its last season;

- Farming operations and managed hunting on waterfowl wetland program areas throughout the state;

- A reduction of clearing operations in the Forest Wildlife programs, which benefit the elk, grouse and turkey programs.

These cuts, along with other in-house expenditure cuts, add up to a cut of \$850,000 in the Wildlife Division alone.

\$800,000 has been cut from the Fisheries Division, resulting in:

- A reduction in funds by \$155,000 for land and facility maintenance, lake and stream treatments, and habitat improvement;

- A loss of three habitat biologists from districts 5, 6 and 7;

- A loss of one maintenance person from the Platte River Hatchery and the elimination of two biologists and one research boat at the Marquette Great Lakes station;

- Elimination of the Wolf Lake research unit, which does the research on production and the stocking of walleye, northern pike and tiger muskies;

- The indefinite deferral of a Great Lakes trout and salmon tagging program that would determine optimum geographical distribution of fish throughout the lakes.

The Law Enforcement division's \$225,000 reduction affected all field employees and their work patterns through a 2,270-mile reduction in travel allotments. Division office travel for training purposes also was reduced.

In addition to the cuts already made, 1983-84 budget reductions will result in a loss of four staff positions in the Wildlife Division, a \$200,000 reduction in the equipment replacement budget, a loss of the Mason Game Farm and its pheasant hatchery and rearing facility and goose propagation facility, and a switch from Game and Fish Funds to the Pittman-Robertson Funds, which would mean a large loss of field survey and study programs in the Wildlife and Forest Program.

The change also would affect the Wetland/Waterfowl program and the acquisition of new lands would be eliminated.

Proposed cuts in the 84-86 budget would call for:

- A curtailment of the ruffed grouse management activities in region 3, and curtailment of forest habitat improvement for deer, turkey, snowshoe hares and non-game wildlife;

- Elimination of the Houghton Lake Wildlife Research station, which has provided facts on winter deer losses and other pertinent information on the whitetail population;

- Curtailment of the proposed pheasant restoration plan, private wetland development programs and waterfowl management programs;

- A loss of Wildlife supervisory personnel;

- Elimination of the Alpena Fisheries Station, along with the Saginaw Bay management and development plan;

- A reduction in inland fisheries programs, resulting in the elimination of three fisheries districts — Crystal Falls, Jackson and Clare;

- Elimination of the river basin planning staff in Lansing, along with research projects to evaluate inland stocking practices;

- The elimination of an assistant division chief in the Fisheries Division;

- Closing of the Oden Hatchery, which produces 500,000 rainbow, brook and brown trout per year;

- Closing of the Thompson Hatchery, which has a hatching capacity of 18 million walleye fry and 1 million rainbow, brown trout, steelhead and chinook salmon;

- The total cuts in personnel in the Fisheries

Division would be 46.

Law Enforcement would be reduced by 40 staff employees, most of whom would be conservation officers, almost completely eliminating response to citizen complaints.

An advisory committee was formed to seek solutions to the GFP Fund dilemma, either through license fee increases of non-traditional revenue sources.

The recommendations of the committee are (proposed revenue implications in parentheses):

1. Create a game & fish trust fund to receive all oil and gas revenues, using only interest for program (\$500,000 plus);

2. Further study on creation of a lifetime hunting, fishing, and combination hunting and fishing license. Assumed fees would be \$350 for hunting, \$150 fishing and \$450 combination (\$2 million per year);

3. Seek general fund support for 50 percent of the payment in lieu of taxes on game fish fund lands (save \$2.4 million in GFP funds in 1983-84);

4. Create a five percent surcharge on hides, pelts and furs offered to fur buyers by trappers (\$750,000 each year);

5. Increase monetary value of certain game and fish illegally taken or killed (\$100,000 per year);

6. Change duck stamp revenue to include waterfowl and wetlands management and waterfowl surveys (broader usage);

7. Eliminate the public access stamp and retain the program funding through earmarking for the program;

8. Additional gun deer license and archery kill tag for bucks only; fee would be the same as the first license (\$150,000 per year);

9. Non-refundable charge of \$3 for hunter's choice deer permits and managed waterfowl hunting area reservations (\$1.1 million per year);

10. Eliminate the senior citizen license, same price for all adults (\$1,450,000);

11. Lower firearm deer license from 14 to 12 years of age (\$300,000 per year);

12. Eliminate junior archery deer and junior archery small game licenses (\$250,000);

13. Eliminate free fishing for spouse (\$2.1 million annually);

14. Eliminate husband-wife combination license for non-residents (\$400,000 annually);

15. Lower fishing license age from 17 to 16 years (\$170,000 per year);

16. Impose commercial fee on licensed fishing to cover cost of managing the commercial fishery (\$250,000 each year);

17. Increase license fees for wholesale fish and wholesale and retail minnow dealers to cover license administration costs (\$50,000);

18. Establish license to catch minnows for other than personal use (\$10,000 per year);

19. Replace daily fishing license with a three-day license to reduce problems and costs;

20. Charge license purchases \$1 for each passbook obtained (\$1.8 million per year);

21. Increase all license fees each year based on the average of the Detroit Consumer Price Index and pay raise for DNR employees (at 6%, \$29 million);

22. Give Natural Resources Commission the authority to approve license increases rather than the Legislature.

It is apparent that many of these recommendations will be very unpopular.

Passage of the license increase package would allow for program expansions through 1989. Proposed expansions are:

1. Extension program regarding wildlife habitat improvement for private landowners;

2. Ruffed grouse habitat improvement;

3. Sharp-tailed grouse habitat management;

4. Micro-computers for storage, summary and analysis programs;

5. Trapper education with a mandatory trapper education program for first-time trappers. Implementing legislation will be needed;

6. Reintroduction and establishment of wild turkeys.

Fisheries Division:

1. Construction of salmon weirs;

2. Development of inland fisheries management facilities;

3. Development of fish passage for spawning runs.

Law Enforcement Division:

1. Hiring of 30 conservation officers.

A more detailed report on each proposal is available by writing Dennis R. Adams, Chief, Office of Budget and Federal Aid, P.O. Box 30028, Steven T. Mason Bldg., 6th Floor, Lansing, MI 48909.

Petitions in Grayling are at Old AuSable Sporting Goods, Skip's Sport Shop.

High Series: M. Goddard 472, B. Brown 381, R. Montgomery 345.	

Jr. Pro Signup

Registrations will be held on Saturday, October 29, from 11:00 a.m. to 1:00 p.m. at the R & H Sports Center for all boys and girls in grades 3 thru 6 wishing to play organized basketball this winter. There will be a \$6.00 participation fee and you must bring a parent or guardian with you to sign up.

Over 140 boys and girls participated in the league last year, and a large group is expected this year. Something new has been added to the league, games this year will be played Saturday morning at the Middle School gym instead of the High School gym to help out on the transportation of the players.

ORDINANCE
GRAYLING TOWNSHIP ZONING ORDINANCE
CRAWFORD COUNTY, MICHIGAN

AN ORDINANCE to repeal the July 1966 Zoning Ordinance (and all amendments) and adopt a new Zoning Ordinance which would establish zoning districts and provisions governing the unincorporated portions of Grayling Township, Crawford County, Michigan; enacted to promote the public health, safety and general welfare in accordance with the provisions of Act 184 of the Public Acts of Michigan, the Township Rural Zoning Act, as amended; to provide for classes of and regulations governing non-conforming uses and structures; to provide for a Zoning Administrator; to provide for a Board of Zoning Appeals and its powers and duties; to provide for the powers and duties of the Township Planning Commission concerning zoning; to provide for permits and the collection of fees; to provide penalties for the violation of this Ordinance; and to provide for coordination with other ordinances or regulations.

THE TOWNSHIP BOARD OF GRAYLING TOWNSHIP,
CRAWFORD COUNTY, STATE OF MICHIGAN, HEREBY
ORDAINS:

1.0 SECTION 1: PURPOSE

The primary purpose of this Ordinance is to promote the public health, safety, convenience, and general welfare of the inhabitants of the Township, and to protect the lands and resources of the Township, and an Ordinance enacted in compliance with all of the requirements of the Township Rural Zoning Act.

SECTION 2.0: SHORT TITLE

2.0 This Ordinance shall be known and may be cited as the Grayling Township Zoning Ordinance.

3.0 SECTION 3.0: DEFINITIONS

For the purpose of this ordinance certain terms, or words used herein shall be interpreted as follows: all words used in the present tense shall include the future; all words in the singular number include the plural number and all words in the plural number include the singular number. The word "building" includes the word "structure" and "dwelling" includes "residence", the word "person" includes "corporation", "co-partnership", as well as an "individual"; the word "shall" is mandatory and not merely directory and the word "may" is permissive. Terms not herein defined shall have the meaning customarily assigned to them.

Abutting: Having property or district line in common. **Accessory use:** (Customary) A use naturally and normally incidental and subordinate to the permitted use of the premises.

Agriculture: The art and science of cultivating the ground for the purpose of raising crops (including forestry) but not including the raising or keeping of livestock and/or farm animals or fowl.

Alterations: Any change, addition or modification to a structure or type of occupancy or use of structure or land or any change in the structural members of a building, such as walls or partitions, columns, beams or girders, the consummated act of which may be referred to herein as "altered" or "reconstructed" or "changed".

B.O.C.A. CODE: Refers to Michigan State Construction Code, P.A. 1972, No. 230, being MCL 125.1591 et. seq. as it may be from time to time amended.

Buffer Strip: A strip of land located within a transitional yard which is established to protect one type of land use from another with which it is incompatible. This strip is permanently landscaped and screened.

Building: A structure, whether site-built or pre-manufactured, enclosed within exterior walls, built, erected, and framed of component parts designed for the housing, shelter or enclosure of individuals, animals, or property of any kind.

Building, Accessory: A subordinate building, the use of which is clearly incidental to that of the main building or to the use of the land that may be used for a permitted use or a customary accessory use.

Building, height of: The elevation measured from the average finished lot grade at the front of the building to the highest point of the roof.

Building(s) Main: a) Any individual structure, on a lot or site, which contains one or more principle or conditional uses. b) The separate structures on a single site, in which one or more principle or conditional uses are located.

Building - Non-Conforming: Any structure, the construction of which was lawfully established prior to the passage of this ordinance (or any amendments thereto), which for any reason does not meet all of the applicable regulations contained in this ordinance (or its amendments).

Club: An organization catering exclusively to members and their guests on premises and buildings for recreational, artistic, political or social purposes which are not conducted primarily for financial gain and which do not provide merchandise, vending, or commercial activities, except as required incidentally for the membership and purpose of such club.

District: A portion of the Township within which certain regulations and requirements or various combinations thereof apply uniformly under the provisions of this ordinance.

Dwelling Unit: One or more rooms connected together but structurally divided from all other rooms in the same structure, constituting separate living quarters, designed for permanent residential occupancy by a single family. Individual bathrooms and complete kitchen facilities, permanently installed, shall always be included for each dwelling unit. This definition does not include travel trailers or tents.

Dwelling Duplex: A building containing not more than two units designed for residential use, complying with the standard set forth in Section 20.0M, Schedule of General Regulations.

Dwelling, Multiple Family: A building containing three or more dwelling units designed for residential use and conforming in all other respects to the standards set forth in Section 20.0M, Schedule of General Regulations.

Dwelling, Single Family: A building containing not more than one dwelling unit designed for residential use, complying with the standards set forth in Section 20.0M, Schedule of General Regulations.

Essential Services: Means the erection, construction, alteration or maintenance by public utilities or municipal departments or commissions of overhead, surface, or underground, gas, electrical, steam, fuel, or water transmission or distribution systems, collection, communication, supply or disposal systems, including towers, poles, wires, mains, drains, hydrants, and similar accessories in connection therewith, but not including buildings over (250) square feet in area necessary for the furnishing of such services.

Family: One or more persons occupying a single dwelling unit, provided that unless all members are related by blood or marriage, no such family shall contain over four persons, but further provided that domestic servants employed and housed on the premises shall not be counted as a family or families.

Farm: A tract of land, not less than five acres in size, substantially devoted to agriculture and/or the raising or keeping of livestock, farm animals or fowl.

Fence, Screening: A structure of definite height and location, maintained to allow (20) percent passage of light and to screen and separate a use from adjacent property. A screening fence shall be an obscuring fence not less than (4) feet in height.

Floor Area: The total gross area of all floors, as measured to the outside surfaces of exterior walls.

Garage: A detached accessory building or portion of the main building used for parking or storage of not more than (3) motor vehicles, in connection with the permitted use of the main building.

Grade Level: A reference plane representing the average of finished ground level adjoining the building at all exterior walls.

Guest House: An accessory dwelling unit which is on the same lot or building site as the principle dwelling, and is used for the accommodation of guests of the occupants of the principle dwelling.

Home Occupation: An occupation or profession, carried on in a dwelling unit by members of the immediate family residing

on the premises which are clearly incidental or secondary to the use of the dwelling for dwelling purposes.

Kennels: Any lot or premises on which animals are either permanently or temporarily boarded as a commercial enterprise.

Lakes: Any large standing body of water primarily used for recreational and residential use. Shellenbarger Lake, Wakeley Lake, Kneff Lake, Simpson Lake, Barker Lake, Staley Lake, Lake Margerthe, Frog Lakes, Kyle Lake, Duck Lake, Hartwick Lake, Karen Lake, Glory Lake, Bright Lake and Dollar Lake are the lakes in Grayling Township.

Loading Space: An off-street space or designated on-street space on the same lot with a building, or group of buildings, for temporary parking of a commercial vehicle while loading and unloading merchandise or materials.

Lot: The word "lot" shall include a plot or parcel of land of at least sufficient size to meet minimum zoning requirements for use, coverage, and area to provide such yards and other open spaces as are herein required. Such a lot shall have its front line abutting a public street or a private street meeting the standards of an approved PUD and may consist of: 1) A single lot of record; 2) A portion of a lot of record; 3) A combination of complete lots of record, complete lots of record and portions of lots of record, or of portions of lots of record; or 4) a parcel of land described by metes and bounds.

Lot, corner: Any lot having frontage on two intersecting streets or upon two portions of a turning street where the angle of an intersection is less than 145 degrees.

Lot Depth: The horizontal distance between the front lot line and the rear lot line with the measurement taken along a line that is equal distance between the two side lot lines.

Lot, interior: Any lot other than a corner lot.

Lot Lines: The line abounding a lot as defined herein: 1) Lot line, Front: That line separating the lot from the right-of-way, in the case of a through lot, the lines separating the lot from each right-of-way; in the case of a corner lot one such front line may be designated as a side lot line. 2) Lot line, Rear: A lot line which is opposite the front lot line. In the case of a corner lot, the rear lot line shall be opposite either front lot line, but there shall only be one rear lot line. 3) Lot line, Side: any lot line not a front lot line or not a rear lot line. Where the lot borders the water, the water front shall be considered the front lot line.

Lot, Non-Conforming: A lot, the size, width or other characteristic of which fails to meet requirements of the Zoning District in which it is located and which was conforming ("of record") prior to enactment of this ordinance.

Lot of Record: A lot which is part of a plat or a lot or parcel described by metes and bounds recorded in the office of the County Register of Deeds at the time of adoption of this ordinance.

Lot Width: The horizontal distance between the side lot lines, measured at the interior front yard lines, that do not have a common corner. The Zoning Administrator may elect to take the average horizontal distance between the side lot lines measured at the interior front and rear yard lines in order to determine lot width.

Mixed Occupance: A dwelling, located to the rear or attached to a commercial building, occupied by the commercial enterprises personnel only.

Major Street: Any street designated as a major street pursuant to Act 51 of the Public Acts of 1951.

Minor Streets: Any street designated as a minor street pursuant to Act 51 of the Public Acts of 1951.

Mobile Home: Any vehicle or structure designed, used, or so constructed as to permit its being used as a conveyance upon the public streets or highways and duly licensable as such, and constructed in such a manner as will permit occupancy thereof as a dwelling or sleeping place for one or more persons, but not meeting one or more of the requirements of a single family dwelling.

Mobile Home Park: A plot of land with designated rental spaces for individual mobile homes, as defined above.

Mobile Home Subdivision: A platted subdivision with privately owned lots for individual permanently located mobile homes.

Motel: A series of rental units, each containing at least a bedroom and bathroom, provided for compensation to the traveling public for overnight lodging.

Motor Vehicle Sales: Open area used for the display, sale or rental of new or used motor vehicles or trailers in operable condition, and where repair work is incidental to the sales or rental enterprise.

Non-Conforming: Refer to buildings, non-conforming; lots, non-conforming; and uses, non-conforming. See, also, Section 25.0 for non-conforming uses and non-conforming structures. See Section 26.0 for non-conforming lots.

Occupancy: Being present in any manner or form. Includes the meaning of intent, design, or arrangement for the use, or inhabitation of.

Open Air Wall: A concrete structure of definite height and location maintained to allow (20) percent passage of light and air and to screen and separate a use from adjacent property. An open air wall shall not be less than (6) feet in height.

Open Space: Any area of a site which is not covered by a structure is not included in required parking area, and is available for use by residents and visitors.

Parking Lot: A hard-surfaced, dust-free area with well-defined entrances and exits and lanes for unencumbered access to individual parking spaces.

Parking Spaces: A defined area of at least (10) feet x (20) feet for the storage or parking of a single permitted vehicle. This area is to be exclusive of drives, driveways, isles or entrances giving access to the space for the public right-of-way.

Permit, Building: Authorization granted by the building official to erect, alter, enlarge, or relocate a structure.

Planned Unit Development (PUD): A form of development usually characterized by a unified site design for a number of housing units, clustering buildings and providing common open space, density increases and a mix of building types and land uses. This development must meet all requirements placed upon it by the Planning Commission.

Public Utilities: Any person, firm or corporation, municipal department, board of commission duly authorized to furnish and furnishing under Federal, State or Municipal regulations to the public, gas, steam, electricity, sewage disposal, communication, telegraph, transportation, or water.

Recreational Structures, Temporary: Any vehicle, structure or shelter with a design orientation toward leisure or recreational use not having a permanent or fixed foundation.

Retail Business: A business which sells commodities or goods in small quantities to the ultimate consumer.

Run-off: Water from rain or melting snow that flows over the surface of the ground and eventually draws into nearby water bodies.

Set Back: In this ordinance, the term setback is only used in the PUD Section, and as such, represents the distance that is established in like manner as that for yard.

Sign: Means a name, identification, image, description, display or illustration which is affixed to, printed, or represented directly or indirectly upon a building, or piece of land, and which directs attention to an object, product, event, or attraction, person, institution, organization, or business and which is visible from any street, right-of-way, sidewalk, alley, park or other public property.

Structure: Anything constructed or erected, the use of which requires location on the ground or attachment to something having location on the ground, including commercial advertising signs.

Salvage Yard: A location where new or used materials, including waste, surplus, discarded or salvaged parts thereof are bought, sold, exchanged, stored, baled, cleaned, packed, disassembled or handled, also including house wrecking and structural steel materials and equipment.

Transitional Yard: A yard that must be provided on a lot where a more intensive land use is located adjacent to either an existing or planned use of a less intensive nature. Its intent is to act as a buffer zone, enabling adjacent uses to be developed so that they are compatible with one another.

Travel Trailer: A vehicle built on a chassis and designed to be used for temporary occupancy for travel, recreational or

vacation use.

Travel Trailer Park: A plot of land with designed rental spaces for individual travel trailers.

Use, non-conforming: Any structure, use of a structure or land use which was lawfully established prior to the time of passage of this ordinance (or any amendments thereto) and which does not conform to all of the applicable regulations contained in the ordinance (or its amendments).

Use, permitted: A use by right which is specifically authorized in a particular zoning district.

Use, principal: The main use of land or structures as distinguished from a secondary or accessory use.

Yard: Required open space, on the same lot as a main building, unoccupied and unobstructed from the ground upward.

Yard, front: The minimum open space extending across the full width of the lot, the depth of which is the distance between the front lot line and the nearest point of the building.

Yard, rear: The minimum open space extending across the full width of the lot, the depth of which is the distance between the rear lot line and the permissible location for the rear wall of the main building. In the case of a corner lot, the rear yard may be opposite either street frontage, but there shall only be one rear yard.

Yard, side: The minimum open space between the main building and the side lotline, extending from the front yard to the rear yard. The width of the required side yard shall be measured from the nearest point of the side lotline toward the nearest part of the main building.

Zone: Refer to district.

Zoning Variance: A modification of the literal provisions of the Zoning Ordinance granted by the Board of Zoning Appeals when in its judgement the strict enforcement of the Zoning Ordinance would cause undue hardship owing to circumstances unique to the individual property on which the variance is granted.

4.0 SECTION 4: SEVERABILITY

This Ordinance and the various parts, sections, subsections, and clauses thereof, are hereby declared to be severable. If any part, sentence, paragraph, subsection, section, or clause is adjudged unconstitutional or invalid as applied to a particular property, building, or other structure, it is hereby provided that the application of such portion of the Ordinance to other property, buildings, or structures shall not be affected thereby. Whenever any condition or limitation is included in an order authorizing a planned unit development or any conditional use permit, variance, zoning compliance permit, site plan approval or designation of Class A non-conformance, it shall be conclusively presumed that the authorizing officer or body considered such condition or limitation necessary to carry out the spirit and purpose of this Ordinance or the requirement of some provision thereof, and to protect the public health, safety, and welfare, and that the officer of the board would not have granted the authorization to which the condition or limitation pertains except in the belief that the condition or limitation was lawful.

5.0 SECTION 5.0: EFFECTIVE DATE AND REPEAL OR PRIOR ORDINANCE

This Ordinance shall take effect immediately upon approval by the Grayling Township Board. The Zoning Ordinance adopted by the Township Board on the eleventh day of July, 1966, and all amendments thereto are hereby repealed as of the effective date of this Ordinance. The repeal of the above Ordinance does not affect or impair any act done, offense committed, or right occurring, accrued or acquired, or liability penalty forfeiture or punishment incurred prior to the time enforced, prosecuted, or inflicted.

SECTION 6.0: RELATIONSHIP TO OTHER LAWS

Whenever regulation or restrictions imposed by this Ordinance are either more or less restrictive than regulations or restrictions imposed by any governmental authority through legislation, rule, or regulations, the regulations, restrictions, or rules which are most restrictive or which impose higher standards or requirements shall govern regardless of any other provisions of this Ordinance. No land shall be used and no structure erected or maintained in violation of any state or federal pollution control or environmental protection or regulation.

SECTION 7.0: AMENDMENT PROCEDURE

The Township Board, the Planning Commission or the property owner may at any time originate a petition to amend or change district boundaries, or regulations contained herein, pursuant to the authority and procedure established by Act 184 of Public Acts of 1943 as amended.

1. Procedure:

- Each petition by one or more persons for an amendment shall be submitted to the Zoning Administrator. Documents to support the application may be filed with the Zoning Administrator. A fee, as established by the Township Board shall accompany each petition, except those originated by the Planning Commission or Township Board.
- The Planning Commission shall set a time and date for a public hearing.
- Notice of the Public Hearing shall be given as in Section 32.5. Any person may appear or be represented by duly authorized agent or attorney.
- The Planning Commission may refuse to schedule a hearing on a petition for rezoning which includes any portion of a site considered for rezoning in the previous six months.
- Following the public hearing, the Planning Commission shall either make a recommendation to the Township Board or deny the petition.
- The Township Board upon recommendation shall act on the amendment or schedule a public hearing, and must grant a public hearing on a proposed amendment provision to a property owner who by certified mail addressed to the clerk of the township board requests a hearing. This hearing shall be advertised in a general circulation newspaper.
- Amendments shall take effect immediately upon adoption by the Township Board.

8.0 SECTION 8.0: APPLICATION OF THIS ORDINANCE

No structure, or part thereof, shall be constructed, erected, placed, altered, or maintained, and no land use commenced or continued within Grayling Township, except as specifically, or by necessary implication authorized by this ordinance. Within each zoning district no structure or use of any structure or land shall be lawful except the Principle Uses and Conditional Uses provided for in this ordinance. Conditional Uses are allowed on permit granted by the Township Planning Commission. Where a lot is devoted to a Principle Use, customary accessory use and structures are authorized except as prohibited specifically or by necessary implication.

9.0 SECTION 9.0: CLASSIFICATION OF DISTRICTS

To achieve the purpose set forth in the preamble, the unincorporated area of Grayling Township, Crawford County, Michigan is hereby divided into the following zoning districts as named and described in Sections 10.0 through 18.17:

- Single Family Residential Districts, R-1
- General Residential Districts, R-2
- General Commercial Districts, C-1
- Heavy Commercial Districts, C-2
- Industrial Districts, I
- Green Belt Districts, G-B
- Recreational-Forest Zone Districts, R-F
- Deferred Development Districts, D-D
- Planned Unit Development Districts, PUD

9.1 Boundaries

The boundaries of said districts are hereby established as shown on the Official Zoning Map.

9.2 Official Zoning Map

- The locations of the areas included in each said district are depicted upon the Zoning Map of Grayling Township, Crawford County, Michigan, which accompany this Ordinance, and which maps with all notations, references, and other information shown thereon, is incorporated herein, and is as much a part of the Ordinance as if fully described and set forth herein.

- The Official Zoning Map shall be identified by the signature of the Supervisor and Township Clerk.
- The Official Zoning Map shall be kept in the office of the Zoning Administrator whose responsibility it shall be to enter on the map all amendments adopted by the Township Board.

B. Unless otherwise shown the boundaries of said districts shall be interpreted as follows:

- Boundaries approximately following public, railroad, utility, or other rights-of-way, streams, rivers, or canals, shall be construed to follow the center lines of such features.
- Boundaries approximating platted lot lines, or the Township limits shall be construed as following these lines.

C. Projections from the shoreline into unzoned water areas shall be subject to the regulations of the Zoning District of the land at the shoreline.

10.0 SECTION 10.0: M(R-1) SINGLE FAMILY RESIDENTIAL DISTRICT

10.1 **INTENT.** To establish and preserve quiet desirable neighborhoods of detached single family dwellings with a low to medium density. This district shall be free from other uses except those which are both compatible with and convenient to the residents of the Single Family Residential District.

10.2 Permitted Principle Uses.

- Detached Single Family Dwelling Unit. (See Section 20.0).
- Customary Accessory Detached uses and Structures. (See Section 20.1-B).

10.3 Requirements for Principle Uses.

- No more than one single family dwelling unit may be located on a lot.

10.4 Conditional Uses. (Requires Planning Commission Approval). (See Section 27.0).

- Schools, churches, cemeteries.
- Recreational facilities compatible with the intent of this district.
- Public utility substations.
- Home occupations.
- Family day care, group day care.
- Customary accessory uses and structures.

11.0 SECTION 11.0: (R-2) GENERAL RESIDENTIAL DISTRICT

11.1 **INTENT.** To establish and preserve medium density residential neighborhoods, free from other uses except those which are both compatible with and convenient to the residents of this district.

11.2 Permitted Principle Uses.

- Detached Single Family Dwelling Unit. (See Section 20.0).
- Duplex Dwelling Units (2 family). (See Section 20.1-C).
- Churches
- Customary Accessory Detached uses and Structures. (See Section 20.1-B).

11.3 Requirements for Principle Uses.

- No more than one main building containing one or two family units may be located on a lot.

11.4 Conditional Uses (Requires Planning Commission Approval). See Section 27.0).

- Schools, cemeteries.
- Recreational facilities compatible with the intent of this district.
- Public Utility Substations.
- Home occupations.
- Family day care, group day care.
- Multi-family units from up to (35) feet in height.
- Customary accessory detached uses and structures.

11.5 Native Protection Strip.

Where those lands border a body of water, there shall be a strip parallel with the water's edge and (30) feet deep which shall be strictly maintained in its natural state, except trees or shrubs may be planted to protect the shoreline from eroding or to improve the aesthetics. Trees, shrubs, and undergrowth in a space (50) feet wide within this native strip may be trimmed and pruned for a view of the water and for locating a dock.

12.0 SECTION 12.0: (C-1) GENERAL COMMERCIAL DISTRICT

12.1 **INTENT.** To establish and preserve a general commercial zone containing uses which include the retail sale or combination retail/wholesale of commodities catering to the entire community and the needs of highway and tourist traffic.

12.2 Permitted Principle Uses. (See Section 20.0 also see Sec. 23.2)

- The retail sale or combination retail/wholesale of commodities such as: foods, florist shops, pharmaceutical allied products, clothing and dry goods, hardware, furniture and household appliances, shops and stores for conducting businesses such as: electrical supplies, fixtures and accessories, and for carrying on the trade of electricians, decorators, painters, photographers, plumbers, similar artisans and advertisement.
- The retail sale of petroleum products and the servicing of motor vehicles. (See Section 20.1-G).
- Professional services, such as: doctors, lawyers, dentists, engineers, architects and insurance and real estate sales offices.
- Personal service shops such as: beauty parlors, barber shops, tailor shops, shoe repair, and the like.

- Tourist facilities, such as: restaurants, delicatessens, other dispensaries of food products, motels and hotels, and recreational sales and service.
- Motor vehicle sales, service, and rental; construction and farm equipment sales, sales of mobile homes, campers, recreational vehicles, and boats.

12.3 Conditional Uses (Requires Planning Commission Approval). See Section 27.0).

- Establishments selling alcoholic beverages for consumption on the premises.
- Private for profit recreational facilities, such as: theaters, recreational amusement centers, bowling alleys, and billiard halls.
- Governmental, Civic center.
- Customary accessory detached uses and structures.
- Warehousing.

13.0 SECTION 13.0: (C-2) HEAVY COMMERCIAL DISTRICT

13.1 **INTENT.** To establish and preserve a district for light industrial use along with those commercial uses which are more compatible with light industrial than with other commercial uses.

13.2 Permitted Principle Uses. (See Sec. 20.0 also see 23.2)

- Mercantile establishments involved in the sale of all kinds of goods, wares, and merchandise at wholesale.
- Wholesale and storage uses, food packaging and bottle works, commercial printing and newspaper offices, contractor's yards and shops, laundry cleaning plants, warehousing, and the manufacture and sale of monuments.

13.3 Conditional Uses.

- None

14.0 SECTION 14.0: (I) INDUSTRIAL DISTRICT

14.1 **INTENT.** To establish and preserve a zone for necessary industrial and related uses to serve the general industrial needs of the community provided that the industry will be isolated from other types of land uses and not causing undesirable emissions and/or offensive odors.

14.2 Permitted Principle Uses. (See Section 20.0).

- Manufacturing, extractive processing, and other industrial uses.

14.3 *Requirements For Principle Uses.*

- A. Uses other than for storage within this district shall be conducted within a completely enclosed building.
- 14.4 *Conditional Uses* (Requires Planning Commission Approval). (See Section 27.0).
- A. Manufacturing, extractive, processing, salvage and other industrial uses that are conducted outside of an enclosed structure, including salvage yards.
- B. Major repair, maintenance, processing and packaging operations.

15.0 *SECTION 15.0: (G-B) GREEN BELT DISTRICT*

- 15.1 *INTENT.* This district is intended to establish and promote the proper use and conservation of water adapted to residential and recreational use for those areas with frontage on inland lakes and rivers and associated tributaries, so as to preserve the natural and aesthetic quality of the rivers and lakes and prevent further environmental deterioration. The Green Belt District is (400) feet from the water's edge on both sides of the AuSable River and all tributaries, and some lakes in Grayling Township, as defined on the zoning map.

15.2 *Permitted Principle Uses.* (See Section 20.0)

- A. Detached Single Family Dwelling Unit.
- B. Customary accessory detached uses, structures, and guest houses.

15.3 *Requirements For Principle Uses.*

- A. No more than one single family dwelling unit may be located on a lot.
- B. Require topography to be maintained in its present state unless changes are approved by the zoning administrator.
- C. Because of the potentially severe adverse effects on waterfront vegetation, fish, wildlife and water quality from improper use of even small amounts of pesticides, herbicides and fertilizers, their use on lands within the Green Belt area is strongly discouraged except where utilized in accord with the advice and supervision of qualified specialists.
- D. Require protection of existing and potential historical-archeological sites.

15.4 *Conditional Uses.* (Requires Planning Commission Approval). (See Section 27.0).

- A. Home Occupations.

15.5 *Native Protection Strip.*

A strip parallel with the water's edge and (30) feet deep shall be strictly maintained in its natural state, except trees or shrubs may be planted to protect the banks from eroding or to improve the aesthetics. Trees and shrubs in a space (50) feet wide within this native strip may be trimmed and pruned for a view of the water and for locating a dock.

15.6 *Requirements for Accessory Buildings.*

- A. Accessory buildings shall be subject to the following regulations:
- Where the accessory building is structurally attached to a main building, it shall be subject to, and must conform to, all yard regulations applicable to principle structures.
 - In no instance shall more than two accessory buildings be located on a lot, excepting guest houses.
 - Accessory building(s), excepting guest houses, may occupy not more than (25) percent of a required rear yard provided that in no instance shall the ground floor area of the accessory building(s) exceed twice the ground floor area of the main structure.
 - No detached accessory building shall be located closer than (15) feet to any main structure. An accessory building shall not be located closer than (20) feet from a side or rear lotline, except corner lots where minimum side yard setback along the street is (50) feet.
 - No detached accessory building shall exceed (15) feet in height, except a private garage which in no case shall exceed (25) feet in height.
 - Guest houses will be permitted as follows:
 - On lots containing (90,000) square feet with (150) feet of frontage, guest houses must be constructed to the rear of the principle building.
 - On lots containing (90,000) square feet with (300) feet of frontage the guest house must meet the lot and yard regulations for a principle structure, with the exception that the guest house must be a minimum of (60) feet from the principle structure.

16.0 *SECTION 16.0: (R-F) RECREATIONAL-FOREST DISTRICT*

- 16.1 *INTENT.* To establish and promote the proper use, enjoyment and conservation of the forest, water and land particularly adapted for agricultural, recreational, low density, single family residential and other specialized rural uses requiring large tracts of land.

16.2 *Permitted Principle Uses.* (See Section 20.0).

- A. Detached single family dwelling.
- B. Duplex dwelling units (2-family).
- C. Churches.
- D. Customary accessory detached uses and structures.
- E. Temporary Recreational Structures.
- F. Farms for both general and specialized farming together with residential dwellings, buildings, and other installations useful to such farms, provided that no livestock, farm animals or fowl shall be allowed within 150 feet of any lot line.

16.3 *Requirements for Principle Use.*

- A. No more than one single family or duplex dwelling unit may be located on a lot.
- B. No more than one recreational structure may be located on a lot for more than a total time period of (21) days per year, with due regard to lot and yard regulations. (See Section 20.0). Open storage of not more than one unoccupied recreational structure parked in a rear yard with due regard to the side and rear yard requirements for accessory buildings (See Section 20.1, B.4.) may occur. At no time shall there be more than (1) recreational structure located on a lot.

16.4 *Conditional Uses* (Requires Planning Commission Approval). (See Section 27.0).

- A. Community centers and facilities there in, owned and operated by a non-profit neighborhood group.
- B. Travel trailer parks and mobile home parks constructed in accordance with the Michigan Department of Health requirements.
- C. Extractive industries, such as: minerals, gravel and sand.
- D. Kennels for the boarding of not more than (15) animals.
- E. Recreational facilities compatible with the intent of this district: riding stables, golf courses and athletic fields.
- F. Archery and shooting ranges.
- G. Forest industries and production of forest products.
- H. Customary accessory detached uses and structures.
1. Home Occupations.

16.5 *Plat Requirements.*

A registered plat shall have a minimum lot size of (60,000) sq ft with a minimum lot width of (150) feet. The maximum depth in a registered plat shall not exceed (3) times the width of the lot and yard regulations of this district shall apply to any approved plat.

17.0 *SECTION 17.0: (DD) DEFERRED DEVELOPMENT DISTRICT*

- 17.1 *INTENT.* To reserve large undeveloped areas of the town for future development by prohibiting unplanned, scattered development which would tend to divide these areas into smaller, more developed parcels. It is also the intent of this district to delay development until utilities and services can be provided.

17.2 *Principal Uses.* (See Section 20.0)

- A. Agriculture, (including forestry), restricted to agricultural growth, management, and cultivation, but not including the keeping of livestock, farm animals or fowl.
- B. Land, water, and wildlife conservation and education operations.

17.3 *Conditional Uses.* (Requires Planning Commission Approval). (See Section 27.0).17.4 *Native Protection Strip.*

Where those lands border a body of water, there shall be a strip parallel with the water's edge and (400) feet deep which shall be strictly maintained in its natural state, except trees or shrubs may be planted to protect the banks from eroding or to improve the aesthetics. (See Section 28.0.P).

18.0 *SECTION 18.0: (PUD) PLANNED UNIT DEVELOPMENT DISTRICT*

- 18.1 *INTENT.* To permit more flexibility and consequently encourage a greater imaginative and creative use and design of structures and land than is allowable under the other districts of this ordinance, where such modifications will not be contrary to the intent of this ordinance or significantly inconsistent with the Master Plan upon which it is based. It is further intended to promote more efficient and economical use of the land, while providing a harmonious variety of housing choices, a higher level of urban amenities, the preservation of natural scenic qualities of open space and to give the developer reasonable assurances of ultimate approval before expending complete design monies while providing township officials with assurances that the project will retain the character envisioned at the time of concurrence.

18.2 *Regulations Establishing Permitted Uses.*

- A. Permitted uses are restricted to the following standards:

- Residential Uses.* Dwelling units in detached, semi-detached, attached, or multiple family dwellings or any combination thereof, along with customary accessory detached uses and structures are permitted in a PUD.

- Non Residential Development.* Commercial uses, limited to those set forth in the C-1 Districts of the Grayling Township Zoning Ordinance and specifically approved by the Planning Commission are permitted in the PUD, provided that such uses are designed to serve primarily the residents of the PUD and are compatible and harmoniously incorporated into the unitary design of the PUD. Commercial floor space in a PUD shall be limited to (3) percent of the total gross acreage of the tract.
- B. Other non-residential uses. Non-residential uses of a religious, cultural, or recreational character are permitted in a PUD provided that such uses are designed to serve primarily the residents of the PUD and are compatible and harmoniously incorporated into the unitary design of the PUD.
- C. Development not associated with residential uses. A PUD may exclude residential development and allow other uses if the applicant can demonstrate that the proposed PUD is of such a scale, and is sufficiently well designed to accomplish the intent of this ordinance with respect to adjoining land uses both existing and anticipated.
- D. Permitted uses shall be in conformance with a specific and precise final development plan pursuant to the procedural and regulatory provisions hereinafter set forth.

18.3 *Parcel Size.*

The provisions of this district may be applied upon application of the owner, to any lot (2 1/2) acres in size, or greater.

18.4 *Lot and Yard Regulations.*

- A. Minimum requirements set forth by the original district in which the proposed PUD is located shall act as general guideline for the lot and yard regulations. Consideration shall be given to lot and yard regulations in the following manner:

- Front yard - Where the applicant provides privacy by reducing traffic flow through street layout such as cul-de-sacs, or by screening or planting, or by facing the structure toward open space or a pedestrian way, or through the room layout of front elevation, it is possible to reduce the front yard requirements. At a minimum, all buildings and structures shall be set back (50) feet from the centerline or (25) feet from the property line (whichever is greater) from any street within the PUD.
- Lot width and side yard - Where the design is such that light, air, and privacy can be provided, especially for living spaces and bedrooms, a narrower lot width and side yard regulations may be permitted.
- Rear yard - Except where it can be demonstrated to the Planning Commission that a lesser rear yard requirement is justified, the rear yard shall be equal to or greater than the rear yard requirement of the original district.
- Building spacing - Building spacing may be reduced when adequate privacy, light, and air is provided to each unit. At a minimum, spacing between the sides of buildings shall be at least (15) feet.

18.5 *Open Space Requirements.*

- A. Required open space shall comprise at least (40) percent of the total gross area.
- B. Not less than (50) percent of the net area of the property shall be open space devoted to planting, patios, walkways, and recreational areas, but excluding areas covered by dwelling units, garages, carports, parking areas, or driveways. Net area is defined as the site area less all land covered by buildings, streets, parking lots or stalls, driveways, and all other paved vehicular ways and facilities.
- C. At least (20) percent of the total area shall be devoted to such properly planned permanent usable open space. Common open space shall comprise at least (25) percent of the gross area of the planned unit development to be used for recreational, park, or environmental amenity for collective enjoyment by occupants of the development but shall not include public or private streets, driveways, or utility easements, provided however, that up to (50) percent of the required open space may be composed of open space on privately owned properties dedicated by easement to assure that the open space will be permanent.
- D. Recreation facilities or structures and their accessory uses located in common recreation areas shall be considered open spaces as long as total impervious surface (paving, roofs, etc.) constitute no more than (5) percent of the total open space.

18.6 *Insuring Open Space Integrity.*

All land shown on the final development plan as common open space must be conveyed under one of the following options:

- It may be conveyed to a public agency which will agree to maintain the common open space and any buildings, structures, or improvements which have been placed on it.
- It may be conveyed to trustees provided in an indenture establishing an association or similar organization for the maintenance of the planned development. The common open space must be conveyed to the trustees subject to covenants to be approved by the Planning Commission which re-

stricts the common open space to the uses specified on the final development plan, and which provide for the maintenance of the common open space in a manner which assures its continuing use for its intended purposes.

18.7 *Open Space Restriction.*

No common open space may be put to any use not specified in the final development plan unless the Final Development Plan has been amended to permit that use under amendment procedures of this ordinance. However, no authorized change of use may be considered as a waiver of any of the covenants limiting the use of common open space areas.

18.8 *Open Space Enforcement.*

If the common open space is not conveyed to a public agency, either one of the following methods of enforcement shall be provided:

- The legal right to develop the common open space for the uses not specified in the final development plan must be conveyed to public agency.

- The restrictions governing the use, improvement, and maintenance of the common open space must be stated as conditions to the conveyance of the common open space, the fee title to the common open space to vest in a public agency in the event of a substantial default in the stated conditions.

18.9 *Private Covenants Enforcement.*

If the common open space is not conveyed to a public agency, the covenants governing the use, improvement, and maintenance of the common open space may authorize a public agency to enforce their provisions.

18.10 *Homeowners' Associations.*

If the Common Open Space is declared to Homeowners' Association, the applicant shall file a declaration of covenants and restrictions that will govern the association, to be submitted with the application for the pre-application conference. The provisions shall include, but not be limited to, the following:

- The Homeowners' Association must be established before the units are sold.
- Membership must be mandatory for each home buyer and any successive buyer.
- The Open Space restrictions must be permanent, not just for a period of years.
- The Association must be responsible for liability insurance, local taxes, and the maintenance of recreational and other facilities.
- Homeowners must pay their pro rata share of the cost; the assessment levied by the association can become a lien on the property.
- The Association must be able to adjust the assessment to meet changed needs.

18.11 *Failure to Maintain Open Space.*

In the event that the organization to own and maintain common open space, or any successor organization, shall at any time after establishment of the planned unit development fail to maintain the common open space in reasonable order and condition in accordance with the plan, the Planning Commission may serve written notice upon such organization or upon the residents of the planned unit development setting forth the manner in which the organization has failed to maintain the common open space in reasonable condition, and said notice shall include a demand that such deficiencies of maintenance be remedied within (30) days thereof, and shall state the date and place of a hearing thereon, which shall be held within (14) days of the notice. At such hearing the Planning Commission may modify the terms of the original notice as to the deficiencies and may give an extension of time within which they shall be remedied. If the deficiencies set forth in the original notice or in the modifications thereof shall not be remedied within said (30) days or any extension thereof, the Township, in order to preserve the taxable values of the properties within the planned unit development and to prevent the common open space from becoming a public nuisance, may enter upon said common open space and maintain the same for a period of (1) year. Said entry and maintenance shall not vest in the public any right to use the common open space except when the same is voluntarily dedicated to the public by the owners. Before the expiration of the organization theretofore responsible for the maintenance of the common open space, a public hearing shall be scheduled upon notice to such organization or to the residents of the planned unit development, to be held by the Planning Commission, at which hearing such organization or the residents of the planned unit development shall show cause why such maintenance by the township shall not, at the election of the Planning Commission continue for a succeeding year. If the Planning Commission shall determine that such organization is not ready or willing or able to maintain the common open space in a good, clean, and safe condition the Township Board, in its discretion, continue to maintain said space, subject to a similar hearing and determination in the next succeeding year thereafter. The cost of such maintenance by the Township shall be assessed pro-rata against the properties within the planned unit development that have a right of enjoyment of the common open space and shall become a tax lien on said properties. The township at the time of entering upon said common open space for the purposes of maintenance, shall file a notice of such lien in the office of the county recorder upon the properties affected by such lien within the planned unit development.

18.12 *Environmental Standards*

- Environmental design criteria in PUD District shall include the following: the preservation of trees, groves, waterways, scenic points, historic spots, and other community assets and landmarks.
- The Township Zoning Administrator may require a "grading plan" which will confine excavation, earthmoving procedures, and other changes to the landscape in order to insure preservation and prevent despoilation of the character of the area to be retained as common open space. All manufactured slopes, other than those constructed in rock, shall be of a character so as to cause the slope to blend with the surrounding terrain and development. The developer shall provide for maintenance of the planting until growth is established.
- Native Protection Strip - Where those lands border a body of water, there shall be a strip parallel with the water's edge and (30) feet deep which shall be strictly maintained in its natural state, except trees or shrubs may be planted to protect the shoreline from eroding or to improve the aesthetics. Trees, shrubs and undergrowth in a space (50) feet wide for every (300) feet of shoreline within this native strip may be trimmed and pruned for a view of the water and for locating a dock.

18.13 *Traffic Circulation*

- Principle vehicular access points shall be designed to permit smooth traffic flow with controlled turning movements and minimum hazards to vehicular or pedestrian traffic. Minor streets within PUD's shall not be connected to streets outside the development in such a way as to encourage their use by through traffic.

A part of every residential building shall not be farther than (60) feet from an access roadway or drive providing vehicular access from a public street, and not farther than (500) feet, measured along the route of vehicular access, from a public street.

All nonresidential land uses within a PUD should have direct access to a collector or primary street, especially where large parking areas are included.

- The pedestrian circulation system and its related walkways should be insulated completely and as reasonably as possible from the vehicular street system in order to provide separation of pedestrian and vehicular movement. This shall include, when deemed to be necessary by the Planning Commission, pedestrian underpass or overpass or in the vicinity of schools, playgrounds, local shopping areas, and other neighborhood uses which generate a considerable amount of pedestrian traffic.

18.14 *Streets.*

- Standards of design and construction for roadways, both public and private, within planned residential

development may be modified as is deemed appropriate by the Planning Commission, especially where it is found that the plan for PUD provides for the separation of vehicular and pedestrian circulation patterns and provides for adequate off-street parking facilities.

If the PUD owners in the future should convey the private streets to the county, the owners do fully agree that, before acceptance of such streets by the county, the owners will bear full expense of reconstruction or any other action necessary to make the streets meet county road standards, prior to dedication and acceptance. Finally, the owners also agree that these streets shall be dedicated to public use without compensation to the owners and without the owners' expense in making such streets conform to the requirements applicable at that time for public streets if, at some future date, a local governing body so requests.

- The name of the PUD and new street names shall not duplicate or closely approximate phonetically the name of any other subdivision or street in Grayling Township.

18.15 *Parking Standards.*

The following is the parking criteria for PUD's:

- For each dwelling unit, there shall be (2) off-street parking spaces consisting of not less than (200) square feet each.
- Parking areas shall be arranged so as to prevent through traffic to other parking areas.
- Parking areas shall be screened from adjacent structures, roads, and traffic arteries with hedges, dense planting, earth berms, changes in grade or walls.
- No more than (30) parking spaces shall be accommodated in any single residential parking area.
- All streets and any off-street loading area shall be paved, and the design thereof approved by the Planning Commission. All areas shall be marked so as to provide for orderly and safe loading, parking, and storage.
- Parking for nonresidential purposes shall be provided appropriate to the type of nonresidential use and shall follow the guidelines for parking set forth by the commercial and industrial districts with changes made as deemed necessary by the Planning Commission.
- All parking areas shall be adequately lighted. All such lighting shall be so arranged as to direct the light away from adjoining residences.
- All parking areas and off-street loading areas shall be graded and drained so as to dispose of all surface water without erosion, flooding and other inconveniences.

18.16 *PUD Transitional Yard Regulations.*

To insure that there is an appropriate relationship to the surrounding area there must be a minimum (30) foot transitional yard along the perimeter of the PUD District. This buffer zone must be kept free of buildings or structures and must be landscaped, screened, or protected by natural features.

18.17 *PUD Application Procedure.*A. *Ownership Requirements.*

- An application for approval of a PUD may be filed by a person having an interest in the property to be included in the planned unit. The PUD application shall be filed in the name or names of the recorded owner or owners of property included in the development. However, the application may be filed by holder(s) of an equitable interest in such property. Full ownership interest in the land - legal title of the execution of a binding sales agreement must be in evidence before the final approval of the plan. The PUD shall be in single ownership by the time the final development plan approved.

B. *Pre Application Conference.*

- The applicant shall meet informally with the Zoning Administrator, the Township Supervisor and the Chairperson of the Planning Commission in connection with the preparation of the planned unit development application. It shall be the responsibility of the Zoning Administrator to contact and invite these township officials. The general outlines of the proposal, and sketch plans are to be offered by the applicant at this pre-application conference. Thereafter, the Zoning Administrator shall furnish the applicant with written comments regarding such conference, including appropriate recommendations to inform and assist the applicant prior to the preparation of the planned unit development application.
- The applicant shall submit a Preliminary Development Plan with a petition for rezoning to PUD District. The following written and graphic documents shall be submitted:
 - A legal description of the total site proposed for development including the present and proposed ownership of all or parts of the development.
 - A written statement of the nature and character of the proposed development, and the methods to be used in achieving these goals.
 - A written schedule of the approximate date, or dates, if the development is to be divided into stages, when construction will begin and be completed.
 - Quantitative data for the following: total number and type of dwelling and non-residential units, the proposed floor area, ground coverage, outdoor livability and open space ratios, the proposed gross residential density of any separate stages, the number of parking spaces for each use proposed, and any feasibility studies the applicant wishes to submit in support of the plan.
 - A graphic plan at scale of 1:1200 (1 inch = 100 ft.) showing the existing site conditions including contours at an interval no greater than (5) feet waterways or bodies, unique natural features, rock outcroppings and vegetative cover.
 - A preliminary plat meeting the requirements of the Subdivision Control Act (MCL A 560.10 et Seq.) if the land is to be platted.
 - A site plan or plans at a scale of 1:1200 showing the location and floor area and use of all existing and proposed buildings, structures, and improvements, including maximum heights, the location and size of all areas to be conveyed, dedicated, or reserved as outdoor livability space, recreation areas, school sites, and similar public or semipublic uses, the proposed circulation system, including private and public streets, parking and loading areas, pedestrian ways, and access to existing and planned streets outside of the development, the existing and proposed utilities including sanitary and storm systems, and water, gas, electric, telephone, and television cable lines, and a preliminary landscape plan.
 - A plan at an appropriate scale showing land areas adjacent to the proposed development, their uses, zoning, and general character, and the effects of the

proposed development on such land including the treatment of the perimeter areas of the PUD.

- i. Such additional material as may be required by the Planning Commission.
3. Within (60) days following the submission of a Preliminary Development Plan, the Planning Commission shall hold a public hearing on the Plan, and vote to approve, approve with modifications or disapprove the Plan. If the Planning Commission action is for approval or approval subject to modifications, a recommendation for similar action shall be made to the Township Board which shall then act within (30) days. Failure of either the Planning Commission or the Township Board to act within the specified time shall constitute disapproval of the Plan.

4. If the Preliminary Development Plan (PDP) is approved, with or without modifications, by the Township Board, the official zoning map shall be changed to so signify. Such a change shall not constitute final approval of a plat, or authorization to issue building permits. The Township Board may approve the PDP, with or without modifications, notwithstanding the nature of approval given by the Planning Commission.

C. Final Development Plan.

1. Within (9) months following approval of the preliminary development plan, the applicant shall submit to the Planning Commission a final development plan containing in a final detailed form the information required in Section 30.0 site plans. At its discretion and for good cause the Planning Commission may extend for (6) months the period for filing the final development plan.
2. If the developer fails to submit a final development plan for any reason, within the time allowed, the tentative rezoning shall be revoked and all the area within the development for which final approval has not been given shall be subject to the original zoning.
3. If the Final Development Plan is in substantial compliance with the Preliminary Development Plan, it shall be approved by the Planning Commission within (30) days. Notice of such approval shall then be given to the Township Board which shall approve the final development plan, and the plat or plats involved, if any, within (30) days; providing that such approval shall not be given until a performance bond of an amount equal to one-half the cost of the entire

implementation and construction costs of the PUD be provided to the township. The Township Board may waive this last requirement.

4. If compliance with the preliminary development plan is not established, submission of the final development plan shall follow the procedure for approval of a preliminary development plan as specified in Section 18.17 before final approval may be given.
- a. If, subsequent to the start of construction, it becomes necessary to modify the final development plan, the Zoning Administrator may do so at his or her discretion to the limits established in the PUD guidelines. If greater modifications are requested by the developer, they shall be subject to the approval by the Planning Commission which shall not act so as to substantially change the character or nature of the final development plan.
- b. If construction has not started within (18) months of approval of the final development plan, said approval shall lapse. The Planning Commission may extend this period by (6) months upon showing of good cause by the applicant. If the construction of the entire development or established stages is not significantly complete within the time limits imposed by the construction schedule, the Planning Commission shall review the PUD and may recommend to the Township Board that the time for completion be extended, that the final approval of the PUD be revoked, or that the final development plan be amended. If final approval of all or portions of the development plan is withdrawn, that area of the PUD shall be subject to the original zoning.

19.0 SECTION 19.0: RESERVED FOR FUTURE USE

20.0 SECTION 20.0: SCHEDULE OF GENERAL REGULATIONS

- A. Scope of regulations to limit height, bulk, density, area and placement by district.

1. Except as otherwise specifically provided in this ordinance, no building or structure or part thereof shall hereafter be erected, constructed, altered, or maintained, of any building, structure or land, or part thereof, except in conformity with the provisions of this ordinance.

SCHEDULE OF REGULATIONS
(See Sec. 20.1 For Footnotes)

(See also Sec. 20.1F - Schedule of District Boundary Transitional Yard Requirements)

And 20.1G - Energy Regulations)

DISTRICT GO TO I	MINIMUM LOT SIZE	MINIMUM LOT WIDTH	MINIMUM YARD REQUIREMENTS			MINIMUM FLOOR AREA	MAXIMUM HEIGHT
			Front	Each Side	Rear		
R-1 Single Family Residential (B,D,M)	15,500 sq. ft.	100 ft.	35 ft.	10 ft.	50 ft.	720 sq. ft.	35 ft.
R-2 General Residential (B,C,D,I,J,K,M)	12,000 sq. ft.	80 ft.	30 ft.	10 ft.	50 ft.	720 sq. ft.	35 ft.
G-B Green Belt (D,I,J,K,M)	60,000 sq. ft.	150 ft.	50 ft.	40 ft.	50 ft.	720 sq. ft.	35 ft.
R-F Recreation Forest (B,D,M)	2 1/2 acres	165 ft.	50 ft.	35 ft.	50 ft.	720 sq. ft.	35 ft.
C-1 General Commercial (F,H)	12,000 sq. ft.	60 ft.	75 ft.	15 ft.	25 ft.	-----	35 ft.
C-2 Heavy Commercial (F,H)	30,000 sq. ft.	150 ft.	50 ft.	10 ft.	25 ft.	-----	35 ft.
I-Industry (F,H)	30,000 sq. ft.	150 ft.	50 ft.	50 ft.	25 ft.	-----	35 ft.
D-D Deferred Development	-----	-----	50 ft.	50 ft.	50 ft.	-----	35 ft.

20.1 Footnotes to Schedule.

- A. Where a side yard abuts a street, and where there is a common rear yard, the minimum side yard shall be:
- 35 ft. for R-1
30 ft. for R-2
50 ft. for G-B
35 ft. for C-1
35 ft. for C-2

In the case of a rear yard abutting the side yard of an adjacent lot, the side yard abutting the street shall not be less than the required rear yard of that district.

- B. Accessory buildings in the Single Family General Residential and Recreational Forest (R-1, R-2, R-F) shall be subject to the following regulations:

1. Where the accessory building is structurally attached to a main building, it shall be subject to, and must conform to, all yard regulations applicable to principal structures.
2. In no instance shall more than (2) accessory buildings be located on a lot.
3. Any accessory building(s) may occupy not more than (25) percent of a required rear yard, plus (20) percent of any non required rear yard provided that in no instance shall the ground floor area of the accessory building(s) exceed the ground floor of the main structure.
4. No detached accessory building(s) shall be located closer than (6) feet to any main structure. An accessory building shall not be located closer than (10) feet from a side or rear lotline, except corner lots where minimum side yard setback along the street is (35) feet.
5. No detached accessory building shall exceed (15) feet in height except a private garage which in no case shall exceed (35) feet in height.

6. Accessory buildings shall not be erected in the required front yard.

C. The requirements for duplexes:

1. Duplex (two-family) units in the General Residential Districts (R-2) shall have a minimum lot width of (100) feet, and a minimum lot area of (15,000) sq. ft.

- D. The depth of any lot in the Single Family, General Residential, and Green Belt Districts, (R-1, R-2, and G-B) shall not exceed (3) times the width of the lot. The depth of any lot in the Recreational Forest Districts (R-F) shall not exceed (4) times the width of the lot.

- E. There shall be no height restriction on chimneys, flag poles, public monuments, church spires, and wireless transmission wind mills or reception towers except when they occur within the boundary surrounding an airport as identified on the zoning map, or otherwise interfere with air traffic or are part of a conditional use. Exceptions to this may be granted by the Zoning Administrator whose decision shall conform to Michigan Aeronautics Commission rules and regulations of November, 1967 as amended and part 77 of the Federal Aviation Regulations, and the Crawford County Airport Zoning Ordinance.

- F. 1. To provide suitable transitional yards for the purpose of reducing the impact of the conflicts between incompatible land uses abutting non residential district boundaries, the following transitional yards are required.
2. No structure, building, or part thereof located in any (C-1), (C-2), or (I) District abutting the district boundaries and land uses of (R-1), (R-2), (G-B), (I-D), and (R-F) shall hereafter be erected, constructed altered or maintained closer to the district boundary line than specified below:

derground whenever possible.

- a. Substations shall be adequately fenced with a fence at least (8) feet high, set back from the property line (10) feet along any public way. No set-back is required when abutting other property. Such equipment shall be exempt from height regulations and may be located in any zoning district except in the G-B District.

6. Telephone and other electronic communications shall be underground whenever possible.

7. Wind-powered energy generators and converters may be erected in any zoning district. Maximum height and set-back requirements of the several districts are hereby waived for such equipment; however, such equipment shall be erected so that there is a minimum clearance between the blades and any adjacent structure equal to the radius of the circle of rotation calculated spherically. The blades shall not encroach on adjoining property during rotation. (See Section 20.1F).

8. Solar powered energy equipment may be located in any district without due regard to set back requirements.

- H. Open storage of any equipment, vehicles and all materials including wastes shall be screened from

public view, from public streets and from adjoining properties by an enclosure consisting of a wall or an obscuring fence of a height of not less than (6) feet to obscure such stored materials. (See also, Section 24.0). (Landscaping Regulations).

1. Pumphouses will be permitted if no more than (9) square feet in area and not more than (3) feet in height.

- J. River docks may be constructed parallel to the river bank and may not exceed (8) feet in width or more than (24) feet in length with no more than (5) feet of the dock into the water. Lake docks may be constructed not to exceed (8) feet in width or to extend into water that exceeds (4) feet in depth.

- K. Sanitary waste systems - Absorption systems and septic tanks shall be not less than (100) feet from the water's edge. Sub-soil drainage systems - septic or absorption systems shall not be nearer than (40) feet to any sub-soil drainage system (footing drains) emptying directly into the water.

- L. Permanent storage and/or disposal of toxic or nuclear waste is strictly prohibited.

- M. Single Family Dwellings must comply with the following standards:

1. It has a floor area of not less than 720 square feet.
2. It has a minimum width across any front, side or rear elevation of (12) feet and complies in all respects with Michigan State Construction Code (P.A. 1972, No. 230, being MCL 125.1501 et seq.) as it may be amended from time to time, adopted by this Township, including minimum heights for habitable rooms. Where a dwelling is required by law to comply with any federal or state standards or regulations for construction and where such standards or regulations for construction are different than those imposed by the Michigan State Construction Code, then and in that event such federal or state standard or regulation shall apply.
3. It is firmly attached to a permanent foundation constructed on the site in accordance with the Michigan State Construction Code and shall have a wall of the same perimeter dimensions of the dwelling and constructed of such materials and type as required in the applicable building code for single-family dwellings. In the event that the dwelling is a mobile home, as defined herein, such dwelling shall, in addition thereto, be installed pursuant to the manufacturer's setup instructions and shall be secured to the premises by an anchoring system or device complying with the rules and regulations of the Michigan Mobile Home Commission.
4. In the event that a dwelling is a mobile home as defined herein, each mobile home shall be installed with the wheels removed. Additionally, no dwelling shall have exposed towing mechanism, undercarriage or chassis.
5. The dwelling is connected to a public sewer and water supply or to such private facilities approved by the local health department.
6. The dwelling contains a storage capability

area in a basement located under the dwelling, in an attic area, or in a separate or attached structure of standard construction which storage area shall be equal to 10% of the square footage of the dwelling or 100 square feet, whichever shall be less.

7. The dwelling contains no additions or rooms or other areas which are not constructed with similar quality workmanship as the original structure, including permanent attachment of the principal structure and construction of a foundation as required herein.

8. The dwelling complies with all pertinent building and fire codes. In the case of a mobile home, all construction and all plumbing, electrical apparatus, and insulation within and connected to said mobile home shall be of a type and quality conforming to the "Mobile Home Construction and Safety Standards" as promulgated by the United States department of Housing and Urban Development being 24 CFR 3280.

- N. The requirements for churches and religious facilities are as follows:

- a. Churches and religious facilities shall be located so that the site has direct ingress from and egress to a major street or a minor street no more than (400) feet from its intersection with a major street.

- b. No building for a church use shall be located closer than (30) feet to a lot line.

- c. Service entrances shall be screened from the view of adjacent residential property.

21.0 SECTION 21.0: BUFFER STRIP REGULATIONS

Immediately upon occupancy or within (6) months, depending on reasonable conditions, and whenever premises in the (C-1, C-2, or I) Districts are subject to the transitional yard requirements, there shall be an area of land set aside for a buffer strip (See Section 20.1F). This buffer strip shall be landscaped with plantings as well as with a fence or open air wall that will provide effective screening at all seasons of the year. All buffer strips shall be kept neat, in repair, and free from any use other than that specified in this section. Twenty percent of any required transitional yard (in a shape running the length of said yard) shall be established and maintained as the Buffer Strip.

22.0 SECTION 22.0: RESERVED FOR FUTURE USE

23.0 SECTION 23.0: OFF STREET PARKING AND LOADING ZONE REQUIREMENTS

- 23.1 INTENT It is hereby determined that the provision of off-street parking spaces is necessary to reduce traffic hazards and the congestion of streets. It is also determined that regulation of location, design, maintenance, and other features of off street parking lots is in the interest of public safety and welfare.

23.2 Parking

- A. Required Parking. In all districts off street parking space with adequate access to all such spaces shall be provided and maintained on the same lot as the principle structure at the time of erection or enlargement of any structure for the parking of vehicles in proportions no less than shown in the following table:

Parking Requirements

	Minimum # of Spaces per unit
1. Residential	
a. Single family, two family, and multiple family units.	2 spaces per dwelling unit.
b. Hotels, motels	1 space per rental unit.
c. Housing for the elderly	1 for each three units.
2. Educational and Religious	
a. Public and private schools	1 for each employee plus 1 for every 10 driving age students.
b. Churches	1 for each three seats in the main unit of worship.
3. Cultural and Recreational	
a. Places of public gatherings, recreational facilities	1 for every 3 capacity occupants.
b. Libraries, museums, art galleries.	0.4 per 100 square feet of floor area.
c. Private clubs, lodges, and or dance halls	1 for each 100 square feet of useable floor area.
4. Health Facilities	
a. Medical and dental clinics, doctors' and dentists' offices	1 for each 100 square feet of useable floor area and not less than 4 spaces, whichever is greater.
b. Convalescent and nursing homes for the aged and hospitals	1 for each 4 beds, and 1 for each 2 employees/staff members.
5. Industrial	
a. Production or processing of materials goods, or products for every 3 employees	
b. Testing, repairing, cleaning, or servicing of materials, goods or products.	3 spaces plus 1 for every 3 employees
c. Warehousing and wholesaling	0.1 for every 100 sq. ft. of floor area plus 0.001 for every sq.ft. of outdoor storage or sales area.
6. Professional Services.	
a. Banks, business offices of architects, engineers, lawyers and similar professions.	1 for each 400 sq. ft. of useable space.
7. Personal Services.	
a. Barber and beauty shops	2 spaces for each beauty or barber shop chair.
b. Laundromats	2 spaces for every 100 sq.ft. of useable floor space.
c. Restaurants and similar establishments for sale and service of food and drinks, with liquor.	1 for each 100 sq.ft. of useable floor space.
d. Restaurants and similar establishments for sale and service of food and drinks, with liquor.	1 for each 75 sq.ft. of useable floor area.
8. Retail & Commercial.	
a. Stores, selling retail goods	1 for each 150 sq.ft. of useable floor space.

B. Parking Regulations.

1. For those uses not specifically mentioned, the requirements for off-street parking facilities shall be in accord with a use which the Zoning Administrator considers as similar in type.
2. Where calculation of parking requirements with the foregoing list results in a fraction of a space, a full space shall be provided.
3. Two or more buildings or uses may collectively provide the required off-street parking in which case the required number of parking spaces shall not be less than the sum of the requirements, for the several individual uses computed separately. In the instance of dual function of off-street parking spaces where operating hours of the buildings or uses do not overlap, the Board of Appeals may grant exception to the number of parking spaces required.
4. Any area once designated as a required off-street parking lot shall not be changed to another use unless and until equal facilities are provided elsewhere subject to the Zoning Administrator's recommendation and Planning Commission approval.
5. For residential uses, off street parking shall be provided and maintained on the same lot with the principle structure.
6. For non-residential uses, off street parking space with adequate access to all such spaces shall be provided and maintained on the same lot as the principle structure at the time of erection or enlargement of any structure for the parking, loading and unloading of vehicles.
7. These parking requirements must be met:
- a. At the time of construction of any new

building or structure or at the time of commencement of use of any land.

- b. If any alterations are made in a building or structure which would require additional parking.

- c. If the use of any building, structure, or land is altered.

- C. Parking layout, design, construction and maintenance. All off-street parking lots shall be laid out, constructed and maintained according to the following standards and regulations:

1. Required parking spaces for one and two family residential uses shall be in the dimension of (10) feet x (20) feet, shall be on a hard surfaced driveway or in a garage, shall not be located in a required front yard, and shall not be closer than two feet from a side lot line and shall be adequately drained to eliminate water accumulation and to prohibit run-off on adjacent or abutting property. Said residential spaces shall be exempt from the following standards and regulations, stated in Section 23.2-C, 2 through 14.

2. All spaces shall be laid out in the dimension of (10) feet x (20) feet, exclusive of maneuvering lanes.
3. An area equivalent to (10) percent of the required parking stall area shall be provided for snow storage. The snow storage area shall be landscaped and shall be located within any fence bounding the parking lot.

4. Plans for the layout of the parking lot shall show the dimensions of the total lot, and show the location and dimension of all parking spaces, maneuvering lanes, entrances, exits, and yards. One of the following various patterns shall be used:

PARKING ANGLE	STALL WIDTH	MANEUVERING LANES	PARKING STALL LENGTH
0° to 15°	10 ft.	12 ft.	23 ft.
16° to 37°	10 ft.	12 ft.	23 ft.
38° to 57°	10 ft.	15 ft.	20 ft.
58° to 74°	10 ft.	18 ft.	20 ft.
75° to 90°	10 ft.	24 ft.	20 ft.

5. All spaces shall be provided adequate access by means of a maneuvering lane. Backing directly onto a street is prohibited.
6. All maneuvering lane widths, with the exception of the (75) to (90) degree pattern, shall be for one way traffic movement. These widths shall be increased to (24) feet to permit two way movement of traffic.
7. Adequate ingress and egress to the parking lot by means of clearly limited and defined drives shall be provided for all vehicles. There shall be a minimum of (50) feet between curb cuts or cuts and intersections.
8. Each exit and entrance to and from any off-street parking lot located in an area zoned for other than single family and general residential (R-1 and R-2) shall be at least (25) feet from any adjacent property located in a single family or general residential district.
9. The entire parking lot including parking spaces and maneuvering lanes required under this section, shall be provided with a paved surface, and shall be adequately drained to eliminate water accumulation and prohibit run-off on adjacent or abutting property.
10. All parking spaces shall be clearly defined by use of car wheel or bumper stops and/or painted lines.
11. An off-street parking lot abutting an R-1, R-2, G-B, D-D, or R-F District shall be provided with a continuous and screening fence. This screening fence shall be provided on all sides where the abutting zoning district is designated as a residential district.
12. All lighting used to illuminate any off-street parking area shall be confined within and directed onto the parking lot only. In no case may the source of light exceed (20) feet in overall height above ground level.
13. Maintenance. The off-street parking lot, required borders and landscaped areas shall be maintained in a litter free condition. All plantings shall be in a healthy growing condition neat and orderly in appearance. Snow shall be removed as necessary to permit use of all required parking spaces.
14. A (2) foot border shall be created between a parking lot, and the adjacent buildings and/or property lines. This border shall be landscaped or paved, and may be included in the required snow storage area.

D. Limitations on Use of all parking lots except for residential uses.

1. The repair of vehicles, and the storage of merchandise, motor vehicles, or trucks is prohibited.
2. No signs of any kind other than signs designating entrances, exits and conditions of use shall be erected within the parking lot.

23.3 Off-Street Loading Zones.

- A. On the same site with every building or structure in the commercial and industrial districts (C-1, C-2, and I) there shall be provided and maintained a minimum of one space for standing, loading and unloading of delivery vehicles in order to prevent interference with public use of a dedicated right-of-way.

1. Two or more adjacent buildings or structures may jointly share off-street loading facilities provided that adequate access to the individual uses is provided.
2. Loading dock approaches shall be provided with a pavement having an asphaltic or cement binder so as to provide a permanent, durable and dust free surface.

24.0 SECTION 24.0: LANDSCAPING REGULATIONS

- A. Wherever in this ordinance a yard, or open area is created, such area shall be landscaped immediately or within (6) months, (depending upon seasonal conditions), from the date of occupancy and shall thereafter be reasonably maintained.
- B. Landscaping shall include ground covering material, of sufficient density to prevent the washing, blowing or shifting of soil.
- C. The use of vegetative material is also encouraged in conjunction with required screening fences.

25.0 SECTION 25.0: NON-CONFORMING USES AND STRUCTURES

25.1 Definition and classification of non-conforming uses and structures.

- A. Non-conforming uses and structures are those which do not conform to a provision or requirement of this ordinance but were lawfully established prior to the time of this applicability.

Class A non-conforming uses or structures are those which have been so designated by the Planning Commission after application by an interested person of the Zoning Administrator, upon finding that:

1. Continuance thereof would not be contrary to the public health, the safety, or welfare, or to the intent of this ordinance.
2. The use or structure does not and is not likely to significantly depress the value of nearby properties.
3. The use or structure was lawful at the time of inception.
4. No useful purpose would be served by strict application of the provisions or requirement set forth by this ordinance with which the use or structure does not conform.

All non-conforming uses and structures not designated as Class A are Class B non-conforming uses or structures.

25.2 Procedure for obtaining Class A designation, conditions.

A written application shall be filed setting forth name and address of the applicant, giving a legal description of the property to which the application pertains, and including such other information as may be necessary to enable the Planning Commission to make a determination of the matter. The Planning Commission may require furnishing of such additional information as it considers necessary. The notice and hearing procedure before the Planning Commission shall be the same as in the case of application for a variance. The decision shall be in writing and shall set forth the findings and reasons on which it is based. Conditions shall be attached, including any time limit, where necessary to assure that the use or structure does not become contrary to the public health, safety, or welfare or the intent and purpose of this ordinance. No vested interest shall arise out of a Class A designation.

25.3 Revocation of Class A designation.

- A. Any Class A designation shall be revoked, following the same procedure required for designation, upon a finding that as a result of any change of conditions or circumstances the use or structure no longer qualifies for Class A designation.

Regulations pertaining to Class A non-conforming uses and structures.

- B. No Class A non-conforming use shall be resumed if it has been discontinued for a continuous period of at

least (18) months or if it has been changed to a conforming use for any period. No Class A structure shall be used, altered, or enlarged in violation of any condition imposed in its designation.

Regulations pertaining to Class B non-conforming uses and structures.

1. It is a purpose of this ordinance to eliminate Class B non-conforming uses and structures as rapidly as is permitted by law without payment of compensation.
 - a. Exceptions. One and two family structures which are non-conforming on the basis of yard or height requirements may be maintained, repaired, altered, or added to as long as they remain otherwise conforming. Additions or alterations to the exterior of the structure shall conform to all requirements of this ordinance.
2. No Class B non-conforming use shall be resumed if it has been discontinued for a continuous period of at least (6) months or if it has been changed to conforming use for any period, or if the structure in which such use is conducted, is damaged by fire or other casualty to the extent that the cost of reconstruction or repair exceeds the assessed value of the structure as indicated on the current tax roll.
3. No Class B non-conforming use shall be changed to a substantially different non-conforming use nor enlarged so as to make use of more land area than used at the time of becoming non-conforming.
4. No Class B non-conforming structure shall be enlarged or structurally altered, nor shall it be repaired or reconstructed if damaged by fire or other casualty to the extent that the cost of reconstruction or repair exceeds the assessed value of the structure as indicated on the current tax roll. Any such repair or reconstruction shall conform to all requirements of this ordinance.
5. For the purposes of maintaining health and safety, Class B non-conforming structures and buildings, may be repaired and maintained. Such repair and maintenance shall not increase the non-conformity of the structure, building, or uses therein, nor shall such repair and maintenance total more than (20) percent of the current assessed value of the structure, and or building in any (12) month period.
6. In the case of mineral removal operations, existing holes or shafts may be worked and enlarged on the land which constituted the site on which operations were conducted at the time of becoming non-conforming, but no new holes or shafts shall be established.
7. No Class B non-conforming use or structure shall be permitted to continue in existence if it was unlawful at the time of its inception.

26.0 SECTION 26.0: NON-CONFORMING LOTS (refer to definition of lot, non-conforming).

- 26.1 A. DESCRIPTION. All lots or parcels of land shall conform to the requirements of this ordinance and the district in which they are located.

- B. A non-conforming lot may not be used except as permitted in Section 26.2.

1. Contiguous, non-conforming lots simultaneously under the same ownership are considered, under the terms of this ordinance, to have been combined as necessary to eliminate the non-conformity. If all non-conformity cannot be eliminated, the non-conformity shall be reduced as much as possible.

26.2 Exceptions to Sections 26.1

- A. Structures or uses which were lawful prior to the adoption of this ordinance existing on non-conforming lots, may be used for any of the permitted uses in the districts in which they are located providing all other requirements of this ordinance are met.

26.3 Exceptions and Exemptions.

- A. The location of railroad tracks and yards, and the location of essential services are exempt from regulation under this ordinance.

27.0 SECTION 27.0: CONDITIONAL USE PERMIT.

- 27.1 INTENT. This section of the ordinance shall govern the permitting of conditional uses which may be located in specific districts when particular or unique problems and all objectionable facets of the use have been overcome and eliminated by consideration of proper planning techniques. It is the purpose of this section to maintain adequate provision for the security of the health, safety, convenience and general welfare of the inhabitants and uses of the zoning district and adjoining districts.

- 27.2 PROCEDURE. No conditional use shall be established in any zoning district except upon permit issued by the Planning Commission. The Commission shall be guided in making a decision by the standards set forth in this ordinance in Section 27.3 and 27.4. The Commission shall hear and decide only such conditional uses as specifically authorized by district and by the terms of this ordinance.

- A. Any application for a conditional use permit shall be submitted to the Zoning Administrator and shall be accompanied by such fees as set by the Township Board.

- B. Any person seeking a conditional use permit shall provide the Planning Commission with all information required for site review (Section 28.0) and additional information as the Commission may reasonably require to determine whether the granting of the permit is consistent with the intent of this ordinance.

- C. A public hearing shall be held on all requests for a conditional use permit.

1. Notice shall be given at least (10) days in advance of public hearing. The owner of the property in question and owners of property within (300) feet of the property shall be notified by mail. The current tax roll shall be used to determine ownership.
2. Notice shall be posted in a newspaper of general circulation at least (10) days in advance of the public hearing.
3. Any party may appear in person or by duly authorized agent or attorney to comment on any aspect of the conditional use. Written comments may be submitted prior to the hearing.

- D. The Commission shall hold the public hearing and consider all requests for a conditional use permit within (5) weeks of receipt of the application and all required materials. The Commission shall take final action within (3) months of the receipt of the required materials.

- E. In permitting conditional use, the Commission shall make a finding that the conditional use will be in compliance with the general purpose of the ordinance and the intent of the district in which it is located and will not be injurious to the spirit of this ordinance and intent of the district, and will not be injurious to the neighborhood, or otherwise detrimental to the public health and welfare.

In permitting any conditional use, the Commission may prescribe appropriate conditions and safeguards. Violation of any conditions or safeguards, made a part of the terms of the permit, shall be deemed a violation of this ordinance, and shall be punishable under Section 33.2 of this ordinance. Permits issued on the basis of false information shall be void and continuance of the use shall be deemed a violation of

this ordinance.

- G. No conditional use may be commenced until all conditions have been met. A performance bond acceptable to the Zoning Administrator may be required by the Planning Commission.
- H. Any conditional use permit may be reviewed at the discretion of the Commission. A public hearing shall be held prior to alteration of conditions or revocation of a permit. The permit holder and adjacent property owners shall be notified of the public hearing as specified in Section 26.2.
- I. The Township Board may at its own initiative or on appeal, within (2) months of the Planning Commission's final determination and after a public hearing, overturn that decision by a majority vote of its membership.

General Guidelines.

- A. The Commission shall be guided by administrative standards in Section 28.0.
- B. The Commission shall require sufficient site area to prevent nuisance to neighboring uses and to allow for reasonable anticipated expansion of the use.

27.4 Required Conditions.

- A. Residential Districts (R-1, R-2, G-B).

All lighting shall be directed away from residential uses.

1. Conditional uses in the (R-1) and (R-2) residential districts shall be permitted only on lots fronting on and with principle driveway access to a street with paving at least (24) feet in width, and so located and designed as to avoid undue traffic, noise, or other nuisances or dangers.
2. Customary accessory uses and structures for conditional uses in the (R-1) and (R-2) districts shall meet all the requirements of Section 20.1.
3. Home Occupations. The purpose of the Home Occupation conditional use provision is to permit the conduct of a part-time business for supplemental income purposes in the residential districts. Home occupations are limited to those uses which may be conducted within a residential dwelling without in any way changing the appearance or condition of the residence. The following criteria shall be employed by the Planning Commission to determine a valid home occupation:
 - a. Shall not employ more than one person who is not a member of the household.
 - b. The structures on the property shall show no external indication of such home occupation, nor any change in the appearance of the building or premises from a dwelling, except that a non-illuminated sign not exceeding (300) square inches in area may be attached flat on the front wall of the dwelling to advertise the activity.
 - c. Shall not be conducted in an accessory building.
 - d. Shall not constitute a retail store such as those permitted in the (C-1) and/or (C-2) Districts.
 - e. Shall not necessitate the use of heavy commercial vehicles.
 - f. The use shall not generate pedestrian or vehicular traffic beyond the normal to the residential district.
 - g. Not more than (6) cubic feet of space within the home may be utilized for storage of materials and supplies related to the home occupation. No outdoor storage permitted.
 - h. No more than (1) room in the dwelling shall be employed for the home occupation.
 - i. No space outside of the main building shall be used for home occupational purposes.
 - j. In no way shall the appearance of the structure be altered or the occupation within the residence be conducted in a manner which would cause the premises to differ from its residential character either by the use of colors, materials, construction, lighting, or the emission of sounds, noises or vibrations.
 - k. There shall be no use of utilities or community facilities beyond that normal to the use of the property for residential purposes.
 - l. The display of goods produced or services performed on the premises shall not be evident from the outside.

4. Group day care facilities shall be licensed as either a group day care home or a day care center by the Michigan Department of Social Services prior to commencement of the use. Adult foster homes shall be licensed by the State of Michigan or a state authorized agency prior to commencement of the use. Customary accessory uses for multiple family residential.
 - a. No detached accessory building may exceed (15) feet in height.
 - b. Attached accessory buildings shall meet the yard requirements of the Schedule of General Regulations (Sec. 20.1). Detached accessory buildings shall be located (10) feet from the side and rear property lines. No detached accessory use shall be located in a front yard.
 - c. Outdoor swimming pools shall not be located closer than (10) feet to any building or lot line. The pool area shall be enclosed with a (6) foot fence approved by the Zoning Administrator. Access to the pool shall be regulated by a gate.

7. Colleges, universities and institutions of higher learning.

- a. All ingress and egress from the site shall be onto a major street having a right-of-way of at least (66) feet.
- b. No building or other use of land except landscaped passive areas or parking shall be situated within (30) feet of the lot line.
- c. Cemeteries, convalescent homes and extended care facilities.
 - a. Shall be located so that the site has direct ingress from and egress to a major street or a minor street no more than (400) feet from its intersection with a major street.
 - b. No buildings shall be located closer than (30) feet of a lot line.
 - c. Service entrances shall be screened from the view of adjacent residential property.

9. Public recreational facilities.

- a. Shall be located so that the site has direct ingress from and egress to a major street or a minor street no more than (400) feet from its intersection with a major street.

- b. The Planning Commission may require additional safeguards to meet the intent of the district in which the proposed conditional use is located.

9. Schools.

- a. A required yard of (30) feet shall be required for all buildings.
- b. Off street passenger loading zones shall be provided for school buses and private vehicles.
- c. Parking other than in structures shall not occupy more than (40) percent of the lot area.

B. Commercial Districts (C-1, C-2)

1. Establishments selling alcoholic beverages for consumption on the premises shall maintain a transitional yard as stipulated in Section 21.0, and provide (1) parking space for every (75) sq. ft. of useable floor area and may be located no closer than (1,000) feet to a school or church. Establishments selling alcoholic beverages must be separated by at least (400) feet.

C. Industrial District (I)

1. All conditional uses.

- a. Notice of intent to build or expand must be given to the Zoning Administrator at the same time application is made to federal or state agencies which may require permits.
- b. Prior to final approval of a conditional use permit each applicant shall obtain the necessary state and federal permits, including permits or waiver of permits from the Michigan Air Pollution Control Commission and the Water Resources Commission. The applicant shall, upon Commission request, forward all reports and findings from the state and federal agencies to the Zoning Administrator, along with site plans as described in Section 30.0.
- c. The Commission shall take action on the request for industrial conditional use permit within (4) weeks of receiving the required materials. The Commission shall consider the employment potential, economic benefits, and environmental costs which may be created by the industry.
- d. The Commission may require additional safeguards to meet the intent of the industrial district and to assure opportunity for additional industrial uses and for growth within each area of the township which is zoned industrial.
- f. The open storage of equipment, vehicles and all materials, including wastes shall be screened by a fence or open air wall not less than (6) feet in height to obscure such stored material from public view.

D. Recreational - Forest Districts (R-F)

1. Land intensive recreational uses.

- a. No loud speakers or public address systems shall be used except by approval of the Commission which shall determine that no public nuisance or disturbance will be established.
- b. No structures other than fencing shall be located closer than the yards specified in the Schedule of Regulations (Section 20.0). A landscaped buffer strip of at least (25) feet shall be located between any recreational use and any contiguous residential district.
- c. All lighting shall be shielded from adjacent districts.
- d. Customary accessory commercial uses shall be located on the same site as the main recreational use and shall be clearly secondary to the main use.

2. Extractive and forest industries and associated products.

- a. Same requirements as in Section 27.4-C.

3. Kennels.

- a. Kennels for the boarding of not more than (15) dogs and or cats with not more than (3) outside exercise runs are permitted. The kennel and runs must be located a minimum of (150) feet from both side lot lines and (180) feet from an adjoining residence. There shall be a rear yard of at least (150) feet. A visual barrier between the kennel area and adjoining property must be maintained. The sale of pet supplies is allowed provided it is clearly incidental and subordinate to the kennel. One non-illuminated on-building sign not to exceed (18) inches by (36) inches in size is permitted. The kennel must be operated in conjunction with a single family dwelling occupied by the owner.

4. Home Occupations.

- a. Same requirements as in Section 27.4-A, 3.

5. Stables

- a. Consideration shall be given to the lot area and availability of property for stable related use, as well as compatibility of that use to adjoining property.

6. Travel Trailer Parks.

- a. Must be constructed in accordance with the Michigan Department of Health Requirements.

28.0 SECTION 28.0: ADMINISTRATIVE STANDARDS.

For the purpose of administering this ordinance, the Zoning Administrator, the Planning Commission, the Board of Zoning Appeals and any other reviewing body or official shall consider each case as an individual case. Consideration shall be given to the location, size, and character of a use to determine if the use will be in harmony with the intent and appropriate and orderly development of the district in which it is situated and will not be detrimental to the orderly development of adjacent districts. Consideration shall be given to the following:

- A. Intent of the Zoning District.
- B. Current use of adjacent lands and neighborhood.
- C. Physical appearance of existing or proposed structures (location, height, bulk of building as well as construction materials).
- D. The suitability of the proposed landscaping in providing ground cover, screening and decoration on the site.
- E. The nature and intensity of operations involved in or conducted in connection with the proposed use.
- G. The time of use, the physical and economic relationship of one type of use to another.
- H. The assembly of persons or employees, which may be hazardous to the neighborhood or incongruous or conflict with normal traffic in the vicinity.
- I. Vehicular and pedestrian traffic volumes and patterns, particularly of children, as well as vehicular turning movements in relation to traffic flows, intersections and site distances.

- J. The physical characteristics of the site such as: area, drainage, topography, open space, landscaping, and access to minor and or major streets.
- K. Demands upon public services such as electricity, police, and fire protection, schools, and refuse disposal.
- L. The type and amount of litter, waste, noise, dust, traffic, fumes, glare and vibration which may be generated by such use.
- M. Area requirements for the proposed use and the potential for the use or its area requirements to expand.
- N. Other factors necessary to maintain property values in the neighborhood and guarantee safety, light, air and privacy to the principal uses in the district.
- O. Compliance with the Comprehensive Plan.
- P. If any property within a Deferred Development District (D-D) having a required native protection strip is petitioned for rezoning, there must be a condition for such rezoning, be required a native protection strip that is at a minimum as restrictive as that found in Section 15.5 of this ordinance.

29.0 SECTION 29.0: FEES.

Fees for any appeal to the Board of Zoning Appeals or petitions for Planning Commission consideration of Zoning Ordinance amendments (rezonings), conditional use permits or planned unit development review, shall be established by resolution of the Township Board. No activity on such request or appeal shall commence until said fee has been paid. Said fees are waived for actions initiated by the Township Board or the Planning Commission.

30.0 SECTION 30.0: SITE PLANS.

- A. Exclusions from Site Plan requirements. The erection, enlargement, or placement of one or two family dwellings or structures customarily accessory to such dwellings, on individual lots shall not require site plans other than those sufficient to meet building permit application requirements.
- B. Submission of Site Plans required. No person shall commence or change any use or erect or enlarge any structure without first obtaining the Zoning Administrator's approval of a site plan, and no use shall be carried on, no structure erected or enlarged, and no other improvement or construction undertaken except as shown upon an approved site plan.
- C. Required form of and information on Site Plans.
 - 1. Site plans shall be submitted to the Zoning Administrator with a building permit application. If a building permit is not required to accomplish the commencement or change in use, structure, or building, the site plan may consist of the minimum information in Section 4 that the Zoning Administrator requires to determine compliance with this ordinance.
 - 2. Three identical copies of a site plan shall be submitted, each on a separate sheet of paper not exceeding (36) inches x (36) inches.
 - 3. Each site plan shall be drawn to a scale of not less than 1:480 (1 inch to 40 feet) and shall be certified by a registered land surveyor, registered professional engineer, or registered architect.
 - 4. The information shown on the site plan shall include:
 - a. The boundary lines of the area included in the site plan including angles, dimensions, and reference to a section corner, quarter corner, or point on a recorded plat, an arrow pointing north, and the lot area of the land included in the site plan.
 - b. Contour lines at intervals not exceeding (5) feet showing existing and proposed grades and drainage systems and structures.
 - c. The shape, size, use, location, height, floor area and exterior architectural design of all structures, the floor area and ground coverage ratios of residential structures and the finished ground and basement floor grades.
 - d. Natural features such as woodlots, streams, rivers, tributaries, lakes or ponds, rock outcrops, and manmade features such as existing roads and structures, with indication as to which are to be retained and which are to be removed or altered.
 - e. Proposed streets, driveways, parking spaces, loading spaces and sidewalks with indication of direction of travel for one way streets and drives and inside radii of all curves. The width of streets, driveways and sidewalks and the total number of parking spaces shall be shown.
 - f. The size and location of all existing and proposed public and private utilities and all required and proposed landscaping.
 - g. A vicinity sketch showing the location of the site in relation to the surrounding street system.
 - h. A legal description of the land included in the site plan, the name, address, and telephone number of the owner, developer, and designer.
 - i. Any other information necessary to establish compliance with this and other ordinances.
 - 5. Site plans and building plans submitted with a building permit application may be used if these requirements are complied with.
- D. Review Procedure. Upon receipt of any site plan, the Zoning Administrator shall review it to determine whether it is in proper form, contains all of the required information, shows compliance with this ordinance. Upon demand by the applicant the Zoning Administrator shall, within (10) days, approve it in writing or deny approval in writing, setting forth in detail, the reasons, which shall be limited to any defect in form or required information, any violation of any provision of this ordinance, and any changes which would make the plan acceptable. In determining compliance with this ordinance, the Zoning Administrator shall take into consideration the administrative standards set forth in Section 28.0. In cases where compliance with these standards is not demonstrated, the Zoning Administrator shall deny approval of the site plan. The applicant may appeal any denial to the Board of Zoning Appeals.

31.0 SECTION 31.0: THE ZONING ADMINISTRATOR.

- A. Establishment. The office of Zoning Administrator is hereby established. The Zoning Administrator shall be appointed by the Township Board. He/she shall receive such compensation as the Township Board may determine.

He/she may be provided with the assistance of such other persons as the Township Board may direct.
- B. Duties.
 - 1. Administration of ordinance. He/she shall administer the provisions of this ordinance and shall have all administrative powers in connection therewith which are not specifically assigned to some other officer or body. The Zoning Administrator shall be guided by the standards set forth in Section 27.0.

- 2. Certificate of Zoning Compliance. The Zoning Administrator shall review all building permits and site plans for compliance with the provision of this ordinance, or any written order from the Board of Appeals or Planning Commission.

- a. He/she shall have no power to vary or waive ordinance requirements, but will have discretion where provided.
- b. The Zoning Administrator shall not issue a statement of Zoning Compliance where it appears that any land area required to conform to any provision of this ordinance is also required as a part of any adjoining property to keep the development or use thereof in conformity with this ordinance, or to keep it from becoming more non-conforming if such land area was, at any time, subsequent to the commencement of development or use of such adjoining property, in common ownership with such adjoining property.

- 3. Certificate of Occupancy. The Zoning Administrator or his designee shall determine that the certificate of zoning compliance has been complied with prior to the issuance of a certificate of occupancy. Said approval shall not be granted if compliance is not demonstrated. Approval may be waived by the Zoning Administrator for one or two family residences. The Zoning Administrator shall have (10) days to determine compliance. A temporary certificate for a period of no more than (180) days may be issued at the discretion of the Zoning Administrator.

- 4. Special Zoning Orders Book and Map. The Zoning Administrator shall keep in his/her office, a book, to be known as the Special Zoning Orders Book, in which he/she shall list, with brief description, all variances, conditional use permits, authorizations for planned unit developments, designations of Class A non-conformance and terminations of any of them. Each item shall be assigned a number when entered. The Zoning Administrator shall also keep a map of the Township, to be known as the special zoning orders map, on which he/she shall record the numbers in the special zoning orders book to indicate the locations affected by the items in the book. The Special Zoning Orders Book and Map shall be open to public inspection.

- 5. The Zoning Administrator shall keep records of all official actions, all of which shall be a public record.
- 6. The Zoning Administrator shall maintain and make available for public inspection, the official zoning map.
- 7. The Zoning Administrator shall have the power to make his/her inspections of buildings and premises necessary to carry out duties in the enforcement of this ordinance.

- 8. If the Zoning Administrator shall find that any of the provisions of this ordinance are being violated he/she shall notify in writing the person responsible for such violation, indicating the nature and location of the violation, and ordering the action necessary to correct it. He/she shall order discontinuance of illegal additions, alterations, or structural changes; discontinuance of any illegal use; or shall take any other action authorized by this ordinance to ensure compliance with or to prevent violation of the provisions of this ordinance.
- 9. Reports and Recommendations. The Zoning Administrator shall review all requests for administrative or legislative action. He/she shall forward an analysis of site factors and other information pertaining to the request to the appropriate body. The analysis may include a recommendation for action.

32.0 SECTION 32.0: BOARD OF APPEALS.

- 32.1 *INTENT.* It is the intent of this ordinance that all questions of interpretation and enforcement of this ordinance shall be first presented to the Zoning Administrator. Such questions shall be presented to the Board of Zoning Appeals only on appeal from the decision of the Administrator. Recourse from decisions of the Board of Appeals shall be to the courts as provided by law and particularly by Section 23a, Act 184 of 1943 as amended.

32.2 Establishment.

Establishment. A Board of Appeals is hereby established, which shall consist of (5) members to be appointed by the Township Board each for a term of (3) years. Members of the Board of Appeals must meet eligibility requirements established by the Township Board. Members of the present Board of Appeals shall continue in office until the expiration of their terms. The Township Board shall appoint as necessary persons to fill vacant positions for varying terms so that not more than (3) terms expire in any given year. One member of the Board of Appeals shall be a member of the Planning Commission.

Members of the Board of Appeals may be removed from office by the Township Board for cause upon written charges and after a public hearing.

32.3 Procedure.

- A. Proceedings. The Board of Appeals shall adopt rules necessary to conduct of its affairs and in keeping with the provisions of this ordinance. Meetings shall be held at the call of the chairperson and at such other times as the Board may determine. The chairperson, or in his/her absence the acting chairperson, may administer oaths and compel the attendance of witnesses. All meetings shall be open to the public.

The Board of Appeals shall keep minutes of its proceedings showing the vote of each member upon each question, or if absent or failing to vote indicating such fact, and shall keep records of its examinations, all of which shall be a public record and be immediately filed in the office of the Zoning Administrator.

- B. Appeals. Appeals to the Board of Appeals concerning interpretation or administration of this ordinance may be filed by any person aggrieved or any officer or bureau of the governing body of the township affected by any decision of the Zoning Administrator. Such appeals shall be filed within a reasonable time, not to exceed (60) days or such lesser period as may be provided by the rules of the Board, by filing with the Zoning Administrator a written notice of appeal specifying the grounds thereof. The Zoning Administrator shall transmit to the Board all papers and records regarding the appeal. The Board of Appeals shall fix a reasonable time for the hearing of the appeal as specified in Section 32.4.

- C. Stay of Proceedings. An appeal stays all proceedings in furtherance of the action appealed from unless the Zoning Administrator certifies to the Board of Appeals after the notice of appeal is filed with him/her that by reason of facts stated in the certificate, a stay would, in his/her opinion, cause imminent peril to life and property. In such case proceedings shall not be stayed other than by a restraining order which may be granted by the Board of Appeals or by a court of record on application, on notice to the Zoning Administrator and on due cause shown.

32.4 Powers and Duties.

The Board of Appeals shall have the following powers and duties:

- A. Administrative Review. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this ordinance.
- B. Variances: Conditions Governing Application; Pro-

cedures. To authorize upon appeal in specific cases such variance from the terms of this ordinance as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this ordinance would result in unnecessary hardship. A variance from the terms of this ordinance shall not be granted by the Board of Appeals unless and until:

- 1. A written application for a variance is submitted demonstrating:
 - a. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district.
 - b. That literal interpretation of the provisions of this ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this ordinance;
 - c. That the special conditions and circumstances do not result from the actions of the applicant;
 - d. That granting the variance requested will not confer on the applicant any special privilege that is denied by this ordinance to other lands, structures, or buildings in the same district;
 - e. That no non-conforming use of neighboring lands, structures, or buildings in the same district and no permitted or non-conforming use of lands, structures, or buildings in other districts shall be considered grounds for the issuance of a variance.

- 2. All fees set by the Township Board, to cover the administrative costs of such application have been paid.

- 3. Notice of public hearing shall be given as in Section 32.5.

- 4. The public hearing shall be held. Any party may appear in person, or by a duly authorized agent or by attorney.

- 5. The Board of Appeals shall make a finding that the reasons set forth in the application justify the granting of the variance, and that the variance is the minimum variance that will make possible the reasonable use of the land, building, or structure.

- 7. The Board of Appeals shall further make a finding that the granting of the variance will be in harmony with the general purpose and intent of this ordinance, and will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.

- 8. In granting any variance, the Board of Appeals shall be guided by the Administrative Standards in Section 28.0. The Board of Appeals may prescribe appropriate conditions and safeguards in conformity with this ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the variance is granted, shall be deemed a violation of this ordinance punishable under Section 33.2 of this ordinance.

- 9. Under no circumstances shall the Board of Appeals grant a variance to allow a use not permissible under the terms of this ordinance in the district involved, or any use expressly or by implication prohibited by the terms of this ordinance in said district.

- C. Reversing Decision of Administrative Official. In exercising the above mentioned powers, the Board of Appeals may, so long as such action is in conformity with the terms of this ordinance, reverse or affirm, wholly, or partly, or may modify the order, requirement, decision, or determination appealed from any may make such order, requirement, decision, or determination as ought to be made, and to that end shall have the powers of the administrative official from whom the appeal is taken.

- D. The concurring majority vote of the members of the Board shall be necessary to reverse any order, requirement, decision, or determination of the Zoning Administrator, or to decide in favor of the applicant any matter upon which they are required to pass under this ordinance, or to effect any variation in the application of this ordinance. A decision of the Board shall take immediate effect.

32.5 Public Hearings.

- A. A public hearing shall be held on each action which is brought before the Board of Appeals.

- B. Notice shall be given at least (10) days in advance of the public hearings. The owner of the property in question and owners of property within (300) feet of the property shall be notified by mail.

The current tax roll shall be used to determine ownership.

Notice shall be posted in a newspaper of general circulation at least (10) days prior to the public hearing.

33.0 SECTION 33.0: ENFORCEMENT.

- 33.1 *False Statements.* Any zoning compliance statement based on any false statement in the application or supporting documents is absolutely void ab initio (from its inception and shall be) revoked. No zoning compliance statement shall remain valid if he use or structure it authorizes becomes non-conforming. The Zoning Administrator shall not refuse to issue a zoning compliance statement when conditions imposed by this and other township ordinances are complied with by the applicant despite agreements which may occur upon the granting of said permits.

33.2 Violations and Penalties.

Any person who violates any provision of this ordinance or any amendment thereto, or who fails to perform any act required hereunder or does any prohibited act, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not more than (\$100) or imprisonment in the County Jail for not more than (30) days, or both, for each offense. Each and every day on which any violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such hereunder. Any violation of this ordinance is hereby declared to be a public nuisance per se.

33.3 Procedures for Reporting Violations.

Apparent zoning violations may be reported to the Zoning Administrator or Planning Commission by any citizen.

34.0 SECTION 34.0: VESTED RIGHTS.

Vested Rights. Nothing in this ordinance shall be interpreted or construed to give rise to any permanent vested rights in the continuation of any particular use, district, zoning classification or any permissible activities therein, and they are hereby declared to be subject to subsequent amendment, change or modification as may be necessary to the preservation or protection of public health, safety and welfare.

35.0 SECTION 35.0 - 50.0: RESERVED FOR FUTURE USE
